GIGALEARN · TEACHER PROMOTION PRACTICE

Deputy Director

(DD)

276 distinct practice questions with answers (target 550 · gap 274)

MCQ: 247 · True/False: 29 · Verified: 0 · Review required: all published items

This is an independent GigaLearn practice resource, **not** an official Ghana Education Service examination paper, syllabus, or endorsement. Do not treat answer keys as verified legal or policy authority without checking current GES / Ministry of Education sources.

Rank focus: Institutional and district management, monitoring and evaluation, resource accountability.

Honesty note: An earlier “550 questions” PDF set for this rank contained only about 84 unique stems with hundreds of exact repeats. This guide publishes **distinct** items only and reports the real shortfall to 550.

Contents & inventory

Metric	Count
Distinct publishable questions	276
Multiple-choice (MCQ)	247
True / False	29
Human-verified	0
Pending review / SOURCE ANSWER — REVIEW REQUIRED	276
Target	550
Gap to target	274

Questions are organised in practice order. Answer keys and short explanations follow each item for study use.

Practice question bank

Question 1 · MULTIPLE CHOICE

When a financial irregularity is suspected, which approach should be preferred?

A. Promptly reporting suspected misuse through authorised channels
B. Destroying evidence
C. Conducting an unauthorised public accusation
D. Ignoring the concern

Answer: A. Promptly reporting suspected misuse through authorised channels
Explanation: "Promptly reporting suspected misuse through authorised channels" is the most appropriate choice for this practice item on Finance and accountability. It aligns with defensible professional judgement in finance and accountability. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 2 · MULTIPLE CHOICE

When a programme needs monitoring, which approach should be preferred?

A. A work plan linking activities, outputs, outcomes, owners and dates
B. A budget without a delivery plan
C. A report with no responsibilities
D. A list of activities without expected results

Answer: A. A work plan linking activities, outputs, outcomes, owners and dates
Explanation: "A work plan linking activities, outputs, outcomes, owners and dates" is the most appropriate choice for this practice item on Programme management. It aligns with defensible professional judgement in programme management. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 3 · MULTIPLE CHOICE

When performance indicators are reviewed, which approach should be preferred?

A. Ignoring unintended consequences
B. Counting inputs only
C. A balanced set of indicators covering access, process and learning outcomes
D. One metric used to represent all quality

Answer: C. A balanced set of indicators covering access, process and learning outcomes
Explanation: "A balanced set of indicators covering access, process and learning outcomes" is the most appropriate choice for this practice item on Quality assurance. It aligns with defensible professional judgement in quality assurance. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 4 · MULTIPLE CHOICE

When a risk requires controls and ownership, which approach should be preferred?

A. Assuming policies enforce themselves
B. Informal memory as the only control
C. Documenting controls, responsible persons and review dates
D. A risk register with no owners

Answer: C. Documenting controls, responsible persons and review dates
Explanation: "Documenting controls, responsible persons and review dates" is the most appropriate choice for this practice item on Risk and compliance. It aligns with defensible professional judgement in risk and compliance. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 5 · MULTIPLE CHOICE

When progress toward targets is uneven, which approach should be preferred?

A. Prioritising actions based on evidence, impact and feasibility
B. Ignoring implementation capacity
C. Launching every initiative at once
D. Choosing actions only because they are fashionable

Answer: A. Prioritising actions based on evidence, impact and feasibility
Explanation: "Prioritising actions based on evidence, impact and feasibility" is the most appropriate choice for this practice item on School improvement. It aligns with defensible professional judgement in school improvement. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 6 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: a concise report supported by evidence and recommendations?

A. A report that hides the main finding
B. Unverified claims without sources
C. A concise report supported by evidence and recommendations
D. A long report without a decision point

Answer: C. A concise report supported by evidence and recommendations
Explanation: "A concise report supported by evidence and recommendations" is the most appropriate choice for this practice item on Communication. It aligns with defensible professional judgement in communication. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 7 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: active listening and clarification?

A. Interrupting to assume meaning
B. Using jargon with every audience
C. Active listening and clarification
D. Responding before understanding

Answer: C. Active listening and clarification
Explanation: "Active listening and clarification" is the most appropriate choice for this practice item on Communication. It aligns with defensible professional judgement in communication. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 8 · MULTIPLE CHOICE

If a decision must be defensible and fair in the area of examination integrity, what should be prioritised?

A. Allowing unauthorised access
B. Changing rules secretly for selected candidates
C. Failing to document irregularities
D. Using secure procedures, fair conditions and documented incident handling

Answer: D. Using secure procedures, fair conditions and documented incident handling
Explanation: "Using secure procedures, fair conditions and documented incident handling" is the most appropriate choice for this practice item on Examination integrity. It aligns with defensible professional judgement in examination integrity. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 9 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: using secure procedures, fair conditions and documented incident handling?

A. Using secure procedures, fair conditions and documented incident handling
B. Changing rules secretly for selected candidates
C. Failing to document irregularities
D. Allowing unauthorised access

Answer: A. Using secure procedures, fair conditions and documented incident handling

Explanation: "Using secure procedures, fair conditions and documented incident handling" is the most appropriate choice for this practice item on Examination integrity. It aligns with defensible professional judgement in examination integrity. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 10 · MULTIPLE CHOICE

If a decision must be defensible and fair in the area of finance and accountability, what should be prioritised?

A. Separating authorisation, payment and reconciliation where practicable
B. One person controlling every step without review
C. No supporting documents
D. Reconciling only when problems arise

Answer: A. Separating authorisation, payment and reconciliation where practicable

Explanation: "Separating authorisation, payment and reconciliation where practicable" is the most appropriate choice for this practice item on Finance and accountability. It aligns with defensible professional judgement in finance and accountability. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 11 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: promptly reporting suspected misuse through authorised channels?

A. Ignoring the concern
B. Conducting an unauthorised public accusation
C. Destroying evidence
D. Promptly reporting suspected misuse through authorised channels

Answer: D. Promptly reporting suspected misuse through authorised channels

Explanation: "Promptly reporting suspected misuse through authorised channels" is the most appropriate choice for this practice item on Finance and accountability. It aligns with defensible professional judgement in finance and accountability. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 12 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: separating authorisation, payment and reconciliation where practicable?

A. No supporting documents
B. Reconciling only when problems arise
C. One person controlling every step without review
D. Separating authorisation, payment and reconciliation where practicable

Answer: D. Separating authorisation, payment and reconciliation where practicable

Explanation: "Separating authorisation, payment and reconciliation where practicable" is the most appropriate choice for this practice item on Finance and accountability. It aligns with defensible professional judgement in finance and accountability. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 13 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: fair, documented and timely disciplinary procedures?

A. Informal public shaming
B. Fair, documented and timely disciplinary procedures
C. Applying rules selectively
D. Punishment without hearing the employee

Answer: B. Fair, documented and timely disciplinary procedures
Explanation: "Fair, documented and timely disciplinary procedures" is the most appropriate choice for this practice item on Human resource management. It aligns with defensible professional judgement in human resource management. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 14 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: workload allocation based on role, capacity and service needs?

A. Assigning all difficult tasks to one person
B. Workload allocation based on role, capacity and service needs
C. Allocating duties solely by friendship
D. Ignoring staff capacity

Answer: B. Workload allocation based on role, capacity and service needs
Explanation: "Workload allocation based on role, capacity and service needs" is the most appropriate choice for this practice item on Human resource management. It aligns with defensible professional judgement in human resource management. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 15 · MULTIPLE CHOICE

When the main objective is staff need clear guidance and follow-up, which approach should be preferred?

A. Imposing change without explanation
B. Launching change without resources
C. Change management with communication, participation and review
D. Assuming resistance proves misconduct

Answer: C. Change management with communication, participation and review
Explanation: "Change management with communication, participation and review" is the most appropriate choice for this practice item on Leadership and supervision. It aligns with defensible professional judgement in leadership and supervision. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 16 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: specific evidence-based feedback with agreed next steps?

A. Public humiliation
B. Personal criticism without evidence
C. Feedback unrelated to teaching
D. Specific evidence-based feedback with agreed next steps

Answer: D. Specific evidence-based feedback with agreed next steps
Explanation: "Specific evidence-based feedback with agreed next steps" is the most appropriate choice for this practice item on Leadership and supervision. It aligns with defensible professional judgement in leadership and supervision. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 17 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: percentage change is calculated relative to the original value?

A. Treating every percentage as a fixed amount
B. Percentage change is calculated relative to the original value
C. Dividing the new value by zero
D. Adding percentage points without a base

Answer: B. Percentage change is calculated relative to the original value
Explanation: "Percentage change is calculated relative to the original value" is the most appropriate choice for this practice item on Numerical reasoning. It aligns with defensible professional judgement in numerical reasoning. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 18 · MULTIPLE CHOICE

If a decision must be defensible and fair in the area of programme management, what should be prioritised?

A. A budget without a delivery plan
B. A work plan linking activities, outputs, outcomes, owners and dates
C. A list of activities without expected results
D. A report with no responsibilities

Answer: B. A work plan linking activities, outputs, outcomes, owners and dates
Explanation: "A work plan linking activities, outputs, outcomes, owners and dates" is the most appropriate choice for this practice item on Programme management. It aligns with defensible professional judgement in programme management. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 19 · MULTIPLE CHOICE

To improve programme management in an education setting, which principle should guide the decision?

A. Ignoring barriers to implementation
B. Changing the goal without documenting why
C. Reviewing implementation fidelity and adapting when evidence warrants it
D. Assuming a plan was delivered because it was approved

Answer: C. Reviewing implementation fidelity and adapting when evidence warrants it
Explanation: "Reviewing implementation fidelity and adapting when evidence warrants it" is the most appropriate choice for this practice item on Programme management. It aligns with defensible professional judgement in programme management. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 20 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: a work plan linking activities, outputs, outcomes, owners and dates?

A. A work plan linking activities, outputs, outcomes, owners and dates
B. A budget without a delivery plan
C. A list of activities without expected results
D. A report with no responsibilities

Answer: A. A work plan linking activities, outputs, outcomes, owners and dates
Explanation: "A work plan linking activities, outputs, outcomes, owners and dates" is the most appropriate choice for this practice item on Programme management. It aligns with defensible professional judgement in programme management. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 21 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: reviewing implementation fidelity and adapting when evidence warrants it?

A. Reviewing implementation fidelity and adapting when evidence warrants it
B. Assuming a plan was delivered because it was approved
C. Ignoring barriers to implementation
D. Changing the goal without documenting why

Answer: A. Reviewing implementation fidelity and adapting when evidence warrants it
Explanation: "Reviewing implementation fidelity and adapting when evidence warrants it" is the most appropriate choice for this practice item on Programme management. It aligns with defensible professional judgement in programme management. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 22 · MULTIPLE CHOICE

If a decision must be defensible and fair in the area of quality assurance, what should be prioritised?

A. Counting inputs only
B. Ignoring unintended consequences
C. One metric used to represent all quality
D. A balanced set of indicators covering access, process and learning outcomes

Answer: D. A balanced set of indicators covering access, process and learning outcomes
Explanation: "A balanced set of indicators covering access, process and learning outcomes" is the most appropriate choice for this practice item on Quality assurance. It aligns with defensible professional judgement in quality assurance. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 23 · MULTIPLE CHOICE

To improve quality assurance in an education setting, which principle should guide the decision?

A. One metric used to represent all quality
B. A balanced set of indicators covering access, process and learning outcomes
C. Ignoring unintended consequences
D. Counting inputs only

Answer: B. A balanced set of indicators covering access, process and learning outcomes
Explanation: "A balanced set of indicators covering access, process and learning outcomes" is the most appropriate choice for this practice item on Quality assurance. It aligns with defensible professional judgement in quality assurance. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 24 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: a balanced set of indicators covering access, process and learning outcomes?

A. Counting inputs only
B. Ignoring unintended consequences
C. A balanced set of indicators covering access, process and learning outcomes
D. One metric used to represent all quality

Answer: C. A balanced set of indicators covering access, process and learning outcomes
Explanation: "A balanced set of indicators covering access, process and learning outcomes" is the most appropriate choice for this practice item on Quality assurance. It aligns with defensible professional judgement in quality assurance. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 25 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: independent review or verification where appropriate?

A. Independent review or verification where appropriate
B. Changing criteria after results
C. No evidence trail
D. Self-approval without safeguards in every case

Answer: A. Independent review or verification where appropriate
Explanation: "Independent review or verification where appropriate" is the most appropriate choice for this practice item on Quality assurance. It aligns with defensible professional judgement in quality assurance. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 26 · MULTIPLE CHOICE

If a decision must be defensible and fair in the area of resource management, what should be prioritised?

A. Ignoring expenditure limits
B. Spending first and planning later
C. Budgeting aligned with approved priorities and available funds
D. Allocating funds without objectives

Answer: C. Budgeting aligned with approved priorities and available funds
Explanation: "Budgeting aligned with approved priorities and available funds" is the most appropriate choice for this practice item on Resource management. It aligns with defensible professional judgement in resource management. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 27 · MULTIPLE CHOICE

To improve resource management in an education setting, which principle should guide the decision?

A. Budgeting aligned with approved priorities and available funds
B. Ignoring expenditure limits
C. Allocating funds without objectives
D. Spending first and planning later

Answer: A. Budgeting aligned with approved priorities and available funds
Explanation: "Budgeting aligned with approved priorities and available funds" is the most appropriate choice for this practice item on Resource management. It aligns with defensible professional judgement in resource management. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 28 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: budgeting aligned with approved priorities and available funds?

A. Spending first and planning later
B. Budgeting aligned with approved priorities and available funds
C. Ignoring expenditure limits
D. Allocating funds without objectives

Answer: B. Budgeting aligned with approved priorities and available funds
Explanation: "Budgeting aligned with approved priorities and available funds" is the most appropriate choice for this practice item on Resource management. It aligns with defensible professional judgement in resource management. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 29 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: needs-based allocation using reliable data?

A. Ignoring enrolment and learning needs
B. Allocation based on influence alone
C. Equal allocation regardless of need in every circumstance
D. Needs-based allocation using reliable data

Answer: D. Needs-based allocation using reliable data
Explanation: "Needs-based allocation using reliable data" is the most appropriate choice for this practice item on Resource management. It aligns with defensible professional judgement in resource management. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 30 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: preventive maintenance and an asset register?

A. Disposing of assets without records
B. Waiting for every asset to fail
C. No inventory or responsibility
D. Preventive maintenance and an asset register

Answer: D. Preventive maintenance and an asset register
Explanation: "Preventive maintenance and an asset register" is the most appropriate choice for this practice item on Resource management. It aligns with defensible professional judgement in resource management. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 31 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: transparent recording and reconciliation of school grants?

A. Using grant funds for unrelated private purposes
B. Transparent recording and reconciliation of school grants
C. Concealing expenditure
D. Keeping incomplete informal records

Answer: B. Transparent recording and reconciliation of school grants
Explanation: "Transparent recording and reconciliation of school grants" is the most appropriate choice for this practice item on Resource management. It aligns with defensible professional judgement in resource management. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 32 · MULTIPLE CHOICE

If a decision must be defensible and fair in the area of resource stewardship, what should be prioritised?

A. Personal use without approval
B. Ignoring waste and maintenance
C. Using public resources for authorised educational purposes
D. No records of allocation

Answer: C. Using public resources for authorised educational purposes
Explanation: "Using public resources for authorised educational purposes" is the most appropriate choice for this practice item on Resource stewardship. It aligns with defensible professional judgement in resource stewardship. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 33 · MULTIPLE CHOICE

When the main objective is cost and long-term value must be considered, which approach should be preferred?

A. Using public resources for authorised educational purposes
B. Personal use without approval
C. Ignoring waste and maintenance
D. No records of allocation

Answer: A. Using public resources for authorised educational purposes
Explanation: "Using public resources for authorised educational purposes" is the most appropriate choice for this practice item on Resource stewardship. It aligns with defensible professional judgement in resource stewardship. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 34 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: using public resources for authorised educational purposes?

A. Using public resources for authorised educational purposes
B. Personal use without approval
C. No records of allocation
D. Ignoring waste and maintenance

Answer: A. Using public resources for authorised educational purposes
Explanation: "Using public resources for authorised educational purposes" is the most appropriate choice for this practice item on Resource stewardship. It aligns with defensible professional judgement in resource stewardship. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 35 · MULTIPLE CHOICE

To improve risk and compliance in an education setting, which principle should guide the decision?

A. A risk register with no owners
B. Assuming policies enforce themselves
C. Documenting controls, responsible persons and review dates
D. Informal memory as the only control

Answer: C. Documenting controls, responsible persons and review dates
Explanation: "Documenting controls, responsible persons and review dates" is the most appropriate choice for this practice item on Risk and compliance. It aligns with defensible professional judgement in risk and compliance. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 36 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: documenting controls, responsible persons and review dates?

A. A risk register with no owners
B. Documenting controls, responsible persons and review dates
C. Informal memory as the only control
D. Assuming policies enforce themselves

Answer: B. Documenting controls, responsible persons and review dates
Explanation: "Documenting controls, responsible persons and review dates" is the most appropriate choice for this practice item on Risk and compliance. It aligns with defensible professional judgement in risk and compliance. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 37 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: proportionate action based on severity, likelihood and applicable rules?

A. Treating every risk as identical
B. Using severity alone without context
C. Proportionate action based on severity, likelihood and applicable rules
D. Ignoring high-impact low-frequency risks

Answer: C. Proportionate action based on severity, likelihood and applicable rules
Explanation: "Proportionate action based on severity, likelihood and applicable rules" is the most appropriate choice for this practice item on Risk and compliance. It aligns with defensible professional judgement in risk and compliance. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 38 · MULTIPLE CHOICE

If a decision must be defensible and fair in the area of school improvement, what should be prioritised?

A. Choosing actions only because they are fashionable
B. Ignoring implementation capacity
C. Prioritising actions based on evidence, impact and feasibility
D. Launching every initiative at once

Answer: C. Prioritising actions based on evidence, impact and feasibility
Explanation: "Prioritising actions based on evidence, impact and feasibility" is the most appropriate choice for this practice item on School improvement. It aligns with defensible professional judgement in school improvement. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 39 · MULTIPLE CHOICE

To improve school-community relations in an education setting, which principle should guide the decision?

A. Retaliating against a complainant
B. Deleting complaints after a verbal reply
C. Sharing private complaint details widely
D. A fair complaint process with documentation and follow-up

Answer: D. A fair complaint process with documentation and follow-up
Explanation: "A fair complaint process with documentation and follow-up" is the most appropriate choice for this practice item on School-community relations. It aligns with defensible professional judgement in school-community relations. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 40 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: a fair complaint process with documentation and follow-up?

A. A fair complaint process with documentation and follow-up
B. Sharing private complaint details widely
C. Deleting complaints after a verbal reply
D. Retaliating against a complainant

Answer: A. A fair complaint process with documentation and follow-up
Explanation: "A fair complaint process with documentation and follow-up" is the most appropriate choice for this practice item on School-community relations. It aligns with defensible professional judgement in school-community relations. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 41 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: meaningful engagement with parents and community stakeholders?

A. Meaningful engagement with parents and community stakeholders
B. Allowing one stakeholder to dictate all policy
C. Sharing confidential learner details publicly
D. Consultation after every decision is final

Answer: A. Meaningful engagement with parents and community stakeholders
Explanation: "Meaningful engagement with parents and community stakeholders" is the most appropriate choice for this practice item on School-community relations. It aligns with defensible professional judgement in school-community relations. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 42 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: using attendance data to identify and address barriers?

A. Punishing absence without investigating causes
B. Removing attendance monitoring
C. Using attendance data to identify and address barriers
D. Assuming every absence is deliberate

Answer: C. Using attendance data to identify and address barriers
Explanation: "Using attendance data to identify and address barriers" is the most appropriate choice for this practice item on School-community relations. It aligns with defensible professional judgement in school-community relations. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 43 · MULTIPLE CHOICE

To improve stakeholder engagement in an education setting, which principle should guide the decision?

A. Collecting views without responding
B. Promising outcomes beyond authority
C. Closing the feedback loop by communicating decisions and next steps
D. Ignoring recurring concerns

Answer: C. Closing the feedback loop by communicating decisions and next steps
Explanation: "Closing the feedback loop by communicating decisions and next steps" is the most appropriate choice for this practice item on Stakeholder engagement. It aligns with defensible professional judgement in stakeholder engagement. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 44 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: closing the feedback loop by communicating decisions and next steps?

A. Closing the feedback loop by communicating decisions and next steps
B. Promising outcomes beyond authority
C. Ignoring recurring concerns
D. Collecting views without responding

Answer: A. Closing the feedback loop by communicating decisions and next steps
Explanation: "Closing the feedback loop by communicating decisions and next steps" is the most appropriate choice for this practice item on Stakeholder engagement. It aligns with defensible professional judgement in stakeholder engagement. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 45 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: mapping stakeholders by role, interest and appropriate involvement?

A. Mapping stakeholders by role, interest and appropriate involvement
B. Excluding directly affected groups
C. Inviting everyone to every decision regardless of purpose
D. Assuming one representative speaks for all

Answer: A. Mapping stakeholders by role, interest and appropriate involvement
Explanation: "Mapping stakeholders by role, interest and appropriate involvement" is the most appropriate choice for this practice item on Stakeholder engagement. It aligns with defensible professional judgement in stakeholder engagement. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 46 · MULTIPLE CHOICE

To improve statistics and reporting in an education setting, which principle should guide the decision?

A. Comparing unlike groups without context
B. Reporting the denominator alongside a percentage where useful
C. Reporting a percentage without explaining its base
D. Changing the denominator to improve appearance

Answer: B. Reporting the denominator alongside a percentage where useful
Explanation: "Reporting the denominator alongside a percentage where useful" is the most appropriate choice for this practice item on Statistics and reporting. It aligns with defensible professional judgement in statistics and reporting. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 47 · MULTIPLE CHOICE

When the main objective is a report contains a percentage or indicator, which approach should be preferred?

A. Reporting a percentage without explaining its base
B. Changing the denominator to improve appearance
C. Reporting the denominator alongside a percentage where useful
D. Comparing unlike groups without context

Answer: C. Reporting the denominator alongside a percentage where useful
Explanation: "Reporting the denominator alongside a percentage where useful" is the most appropriate choice for this practice item on Statistics and reporting. It aligns with defensible professional judgement in statistics and reporting. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 48 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: distinguishing an indicator from the outcome it is intended to represent?

A. Ignoring data quality
B. Distinguishing an indicator from the outcome it is intended to represent
C. Assuming one indicator captures every dimension
D. Changing definitions between reporting periods

Answer: B. Distinguishing an indicator from the outcome it is intended to represent
Explanation: "Distinguishing an indicator from the outcome it is intended to represent" is the most appropriate choice for this practice item on Statistics and reporting. It aligns with defensible professional judgement in statistics and reporting. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 49 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: reporting the denominator alongside a percentage where useful?

A. Comparing unlike groups without context
B. Reporting the denominator alongside a percentage where useful
C. Changing the denominator to improve appearance
D. Reporting a percentage without explaining its base

Answer: B. Reporting the denominator alongside a percentage where useful
Explanation: "Reporting the denominator alongside a percentage where useful" is the most appropriate choice for this practice item on Statistics and reporting. It aligns with defensible professional judgement in statistics and reporting. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 50 · MULTIPLE CHOICE

When the main objective is deadlines and competing tasks arise, which approach should be preferred?

A. Prioritising urgent and important work while respecting deadlines
B. Ignoring statutory deadlines
C. Working without a schedule or review
D. Treating every task as equally urgent

Answer: A. Prioritising urgent and important work while respecting deadlines
Explanation: "Prioritising urgent and important work while respecting deadlines" is the most appropriate choice for this practice item on Work planning. It aligns with defensible professional judgement in work planning. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 51 · MULTIPLE CHOICE

When the main objective is a risk requires controls and ownership, which approach should be preferred?

A. Informal memory as the only control
B. Assuming policies enforce themselves
C. Documenting controls, responsible persons and review dates
D. A risk register with no owners

Answer: C. Documenting controls, responsible persons and review dates
Explanation: Documenting controls, responsible persons and review dates is the best answer because it supports sound practice in risk and compliance. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 52 · MULTIPLE CHOICE

Which option provides the strongest basis for an improvement is planned?

A. Withholding support until failure is final
B. Using attendance, engagement and learning evidence together to identify support needs
C. Assuming low performance means low ability
D. Using one isolated measure as a complete diagnosis

Answer: B. Using attendance, engagement and learning evidence together to identify support needs
Explanation: Using attendance, engagement and learning evidence together to identify support needs is the best answer because it supports sound practice in learner wellbeing. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 53 · MULTIPLE CHOICE

To improve work planning in an education setting, which principle should guide the decision?

A. Treating every task as equally urgent

B. Working without a schedule or review
C. Ignoring statutory deadlines
D. Prioritising urgent and important work while respecting deadlines

Answer: D. Prioritising urgent and important work while respecting deadlines
Explanation: Prioritising urgent and important work while respecting deadlines is the best answer because it supports sound practice in work planning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 54 · MULTIPLE CHOICE

To improve decision-making in an education setting, which principle should guide the decision?

A. Using criteria that change for each option
B. Comparing options against transparent criteria and likely consequences
C. Ignoring costs and risks
D. Choosing the first option automatically

Answer: B. Comparing options against transparent criteria and likely consequences
Explanation: Comparing options against transparent criteria and likely consequences is the best answer because it supports sound practice in decision-making. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 55 · MULTIPLE CHOICE

To improve teaching and learning in an education setting, which principle should guide the decision?

A. Waiting until the end of term
B. Using attendance as proof of learning
C. Checking understanding during the lesson
D. Assuming silence means mastery

Answer: C. Checking understanding during the lesson
Explanation: Checking understanding during the lesson is the best answer because it supports sound practice in teaching and learning. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 3
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 56 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: reporting limitations and uncertainty honestly?

A. Hiding contradictory findings
B. Reporting limitations and uncertainty honestly
C. Presenting estimates as certainties
D. Claiming more than the data support

Answer: B. Reporting limitations and uncertainty honestly
Explanation: Reporting limitations and uncertainty honestly is the best answer because it supports sound practice in data and research. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 57 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: checking units and assumptions before calculating?

A. Choosing an answer before calculating
B. Ignoring units
C. Rounding every intermediate value aggressively
D. Checking units and assumptions before calculating

Answer: D. Checking units and assumptions before calculating
Explanation: Checking units and assumptions before calculating is the best answer because it supports sound practice in numerical reasoning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 58 · MULTIPLE CHOICE

To improve leadership and supervision in an education setting, which principle should guide the decision?

A. Public humiliation
B. Personal criticism without evidence
C. Feedback unrelated to teaching
D. Specific evidence-based feedback with agreed next steps

Answer: D. Specific evidence-based feedback with agreed next steps
Explanation: Specific evidence-based feedback with agreed next steps is the best answer because it supports sound practice in leadership and supervision. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 59 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: testing whether an intervention works before scaling it broadly?

A. Assuming good intentions guarantee impact
B. Testing whether an intervention works before scaling it broadly
C. Scaling immediately without evaluation
D. Ignoring unintended effects

Answer: B. Testing whether an intervention works before scaling it broadly
Explanation: Testing whether an intervention works before scaling it broadly is the best answer because it supports sound practice in evidence-based leadership. The other options describe less appropriate or contrary approaches.
GigaLearn • Independent practice resource Page 5
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 60 · MULTIPLE CHOICE

When the main objective is a learner or stakeholder raises a concern, which approach should be preferred?

A. Using attendance data to identify and address barriers
B. Punishing absence without investigating causes
C. Assuming every absence is deliberate
D. Removing attendance monitoring

Answer: A. Using attendance data to identify and address barriers
Explanation: Using attendance data to identify and address barriers is the best answer because it supports sound practice in school-community relations. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 61 · MULTIPLE CHOICE

When the main objective is staff norms influence performance, which approach should be preferred?

A. Confusing respect with absence of standards
B. No opportunity to raise concerns
C. Fear as the only basis for compliance
D. Psychological safety with clear standards and accountability

Answer: D. Psychological safety with clear standards and accountability
Explanation: Psychological safety with clear standards and accountability is the best answer because it supports sound practice in organisational culture. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 62 · MULTIPLE CHOICE

When the main objective is a percentage or summary statistic is reported, which approach should be preferred?

A. The most frequent value only
B. The maximum value
C. The sum divided by the count
D. The median is the middle ordered value

Answer: D. The median is the middle ordered value
Explanation: The median is the middle ordered value is the best answer because it supports sound practice in numerical reasoning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 63 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: reporting accurate information even when results are disappointing?

A. Omitting inconvenient results
B. Inflating performance figures
C. Reporting accurate information even when results are disappointing
D. Changing definitions to claim success

Answer: C. Reporting accurate information even when results are disappointing
Explanation: Reporting accurate information even when results are disappointing is the best answer because it supports sound practice in professional accountability. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 64 · MULTIPLE CHOICE

When the main objective is a complaint or report needs a response, which approach should be preferred?

A. Omitting essential context
B. Using one format for every situation
C. Avoiding accessible language
D. Adapting communication to audience and purpose

Answer: D. Adapting communication to audience and purpose
Explanation: Adapting communication to audience and purpose is the best answer because it supports sound practice in communication. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 7
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 65 · MULTIPLE CHOICE

When the main objective is staff performance or conduct needs attention, which approach should be preferred?

A. Changing criteria after the review
B. Objective performance appraisal against known criteria
C. Appraisal based on rumours
D. Rating staff by personal loyalty

Answer: B. Objective performance appraisal against known criteria
Explanation: Objective performance appraisal against known criteria is the best answer because it supports sound practice in human resource management. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 66 · MULTIPLE CHOICE

To improve resource stewardship in an education setting, which principle should guide the decision?

A. Choosing the cheapest option in every case
B. Choosing by personal preference
C. Ignoring lifecycle costs
D. Comparing cost, quality, need and sustainability in resource decisions

Answer: D. Comparing cost, quality, need and sustainability in resource decisions
Explanation: Comparing cost, quality, need and sustainability in resource decisions is the best answer because it supports sound practice in resource stewardship. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 8
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 67 · MULTIPLE CHOICE

To improve planning and evaluation in an education setting, which principle should guide the decision?

A. Objectives unrelated to the mission
B. Targets with no time frame
C. Broad aspirations without measures
D. SMART objectives that are specific, measurable, achievable, relevant and time-bound

Answer: D. SMART objectives that are specific, measurable, achievable, relevant and time-bound
Explanation: SMART objectives that are specific, measurable, achievable, relevant and time-bound is the best answer because it supports sound practice in planning and evaluation. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 68 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: following lawful procedures and documented authority?

A. Using an informal order to bypass controls
B. Following lawful procedures and documented authority
C. Acting on personal preference alone
D. Ignoring applicable rules

Answer: B. Following lawful procedures and documented authority
Explanation: Following lawful procedures and documented authority is the best answer because it supports sound practice in public administration and ethics. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 69 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: keeping backups and controlling access to important records?

A. Keeping backups and controlling access to important records
B. One unprotected copy on one device
C. Sharing every file publicly
D. Deleting records without a retention policy

Answer: A. Keeping backups and controlling access to important records
Explanation: Keeping backups and controlling access to important records is the best answer because it supports sound practice in digital and information literacy. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 70 · MULTIPLE CHOICE

To improve public administration and ethics in an education setting, which principle should guide the decision?

A. Choosing only by personal connection
B. Splitting purchases to avoid controls
C. A documented procurement process with value-for-money checks
D. Selecting a supplier without records

Answer: C. A documented procurement process with value-for-money checks
Explanation: A documented procurement process with value-for-money checks is the best answer because it supports sound practice in public administration and ethics. The other options describe less appropriate or contrary approaches.
GigaLearn • Independent practice resource Page 9

Question 71 · MULTIPLE CHOICE

To improve curriculum in an education setting, which principle should guide the decision?

A. Teaching only the easiest content
B. Alignment among objectives, instruction and assessment
C. Assessment unrelated to objectives

D. Changing objectives after marking

Answer: B. Alignment among objectives, instruction and assessment

Explanation: Alignment among objectives, instruction and assessment is the best answer because it supports sound practice in curriculum. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 72 · MULTIPLE CHOICE

When the main objective is an issue exceeds delegated authority, which approach should be preferred?

A. Making promises outside delegated authority
B. Acting beyond competence to appear decisive
C. Seeking advice or referral when an issue exceeds one's authority
D. Ignoring a legal requirement

Answer: C. Seeking advice or referral when an issue exceeds one's authority

Explanation: Seeking advice or referral when an issue exceeds one's authority is the best answer because it supports sound practice in ethical leadership. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 73 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: applying the same transparent criteria while considering lawful accommodations?

A. Ignoring relevant evidence
B. Applying the same transparent criteria while considering lawful accommodations
C. Using personal dislike as a criterion
D. Secretly changing standards for favoured people

Answer: B. Applying the same transparent criteria while considering lawful accommodations

Explanation: Applying the same transparent criteria while considering lawful accommodations is the best answer because it supports sound practice in ethics and fairness. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 74 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: using accessible materials and flexible ways to demonstrate learning?

A. Removing all learning objectives
B. Using accessible materials and flexible ways to demonstrate learning
C. Requiring one response format for every learner
D. Assessing only speed

Answer: B. Using accessible materials and flexible ways to demonstrate learning

Explanation: Using accessible materials and flexible ways to demonstrate learning is the best answer because it supports sound practice in inclusive education. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 75 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: confidential handling of personal information?

A. Keeping no access controls
B. Confidential handling of personal information
C. Sharing records with unauthorised people
D. Publishing sensitive details for convenience

Answer: B. Confidential handling of personal information

Explanation: Confidential handling of personal information is the best answer because it supports sound practice in public administration and ethics. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 76 · MULTIPLE CHOICE

To improve leadership and governance in an education setting, which principle should guide the decision?

A. Service delivery that is equitable, efficient and accountable
B. Spending without monitoring outcomes
C. Ignoring underserved groups
D. Prioritising appearance over results

Answer: A. Service delivery that is equitable, efficient and accountable
Explanation: Service delivery that is equitable, efficient and accountable is the best answer because it supports sound practice in leadership and governance. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 77 · MULTIPLE CHOICE

When the main objective is grant spending must be accounted for, which approach should be preferred?

A. Ignoring expenditure limits
B. Budgeting aligned with approved priorities and available funds
C. Allocating funds without objectives
D. Spending first and planning later

Answer: B. Budgeting aligned with approved priorities and available funds
Explanation: Budgeting aligned with approved priorities and available funds is the best answer because it supports sound practice in resource management. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 78 · MULTIPLE CHOICE

To improve professional practice in an education setting, which principle should guide the decision?

A. Excluding a learner because support is needed
B. Reasonable accommodation that supports access and participation
C. Ignoring barriers in the learning environment
D. Assuming all disabilities require the same adjustment

Answer: B. Reasonable accommodation that supports access and participation
Explanation: Reasonable accommodation that supports access and participation is the best answer because it supports sound practice in professional practice. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 79 · MULTIPLE CHOICE

When the main objective is lesson activities do not match the objectives, which approach should be preferred?

A. Ignoring learning evidence
B. Curriculum implementation informed by learner evidence
C. Replacing the curriculum with personal preference
D. Following a plan despite clear failure

Answer: B. Curriculum implementation informed by learner evidence
Explanation: Curriculum implementation informed by learner evidence is the best answer because it supports sound practice in curriculum. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 80 · MULTIPLE CHOICE

To improve data and research in an education setting, which principle should guide the decision?

A. A conclusion written before evidence
B. A vague topic with no defined problem
C. A research question that is clear, focused and answerable
D. A question unrelated to the issue

Answer: C. A research question that is clear, focused and answerable
Explanation: A research question that is clear, focused and answerable is the best answer because it supports sound practice in data and research. The other options describe less appropriate or contrary approaches.

Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 81 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: checking data quality before drawing conclusions?

A. Deleting inconvenient observations without reason
B. Reporting percentages without denominators
C. Checking data quality before drawing conclusions
D. Assuming every record is correct

Answer: C. Checking data quality before drawing conclusions
Explanation: Checking data quality before drawing conclusions is the best answer because it supports sound practice in data and research. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 82 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: reflective practice linked to evidence and action?

A. Reflective practice linked to evidence and action
B. Assuming experience alone guarantees effectiveness
C. Reflection as blame without improvement
D. Avoiding professional learning

Answer: A. Reflective practice linked to evidence and action
Explanation: Reflective practice linked to evidence and action is the best answer because it supports sound practice in professional practice. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 83 · MULTIPLE CHOICE

When the main objective is staff need to understand a change, which approach should be preferred?

A. Keeping actions ownerless
B. Using a structured meeting agenda, decisions and action log
C. Recording opinions but no decisions
D. Meeting without purpose or follow-up

Answer: B. Using a structured meeting agenda, decisions and action log
Explanation: Using a structured meeting agenda, decisions and action log is the best answer because it supports sound practice in leadership and communication. The other options describe less appropriate or contrary approaches.
GigaLearn • Independent practice resource Page 17
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 84 · MULTIPLE CHOICE

When the main objective is a test score is being interpreted, which approach should be preferred?

A. Speed of marking
B. Validity
C. Fairness alone
D. Reliability

Answer: D. Reliability
Explanation: Reliability is the best answer because it supports sound practice in educational assessment. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 18
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 85 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: maintaining professional boundaries and respectful conduct?

A. Using authority for personal advantage
B. Maintaining professional boundaries and respectful conduct
C. Favouritism in professional decisions
D. Sharing inappropriate personal content with learners

Answer: B. Maintaining professional boundaries and respectful conduct
Explanation: Maintaining professional boundaries and respectful conduct is the best answer because it supports sound practice in professional practice. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 86 · MULTIPLE CHOICE

When the main objective is a programme needs monitoring, which approach should be preferred?

A. Assuming a plan was delivered because it was approved
B. Changing the goal without documenting why
C. Ignoring barriers to implementation
D. Reviewing implementation fidelity and adapting when evidence warrants it

Answer: D. Reviewing implementation fidelity and adapting when evidence warrants it
Explanation: Reviewing implementation fidelity and adapting when evidence warrants it is the best answer because it supports sound practice in programme management. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 87 · MULTIPLE CHOICE

When the main objective is evidence is incomplete or inconsistent, which approach should be preferred?

A. Replacing evidence with assumptions
B. Using both quantitative and qualitative evidence when suitable
C. Using only one source regardless of the question
D. Ignoring context

Answer: B. Using both quantitative and qualitative evidence when suitable
Explanation: Using both quantitative and qualitative evidence when suitable is the best answer because it supports sound practice in data and research. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 21
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 88 · MULTIPLE CHOICE

When the main objective is digital access and privacy are concerns, which approach should be preferred?

A. Publishing without review
B. Checking digital content for accuracy, bias and suitability
C. Ignoring age and context
D. Assuming generated content is always correct

Answer: B. Checking digital content for accuracy, bias and suitability
Explanation: Checking digital content for accuracy, bias and suitability is the best answer because it supports sound practice in educational technology. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 89 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: norm-referenced assessment?

A. Criterion-referenced assessment
B. Portfolio assessment
C. Norm-referenced assessment
D. Diagnostic assessment

Answer: C. Norm-referenced assessment
Explanation: Norm-referenced assessment is the best answer because it supports sound practice in educational assessment. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 90 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: using a structured meeting agenda, decisions and action log?

A. Meeting without purpose or follow-up
B. Keeping actions ownerless
C. Using a structured meeting agenda, decisions and action log
D. Recording opinions but no decisions

Answer: C. Using a structured meeting agenda, decisions and action log
Explanation: Using a structured meeting agenda, decisions and action log is the best answer because it supports sound practice in leadership and communication. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 91 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: declaring and managing conflicts of interest?

A. Declaring and managing conflicts of interest
B. Making decisions that benefit relatives secretly
C. Hiding relevant relationships
D. Treating public resources as private property

Answer: A. Declaring and managing conflicts of interest
Explanation: Declaring and managing conflicts of interest is the best answer because it supports sound practice in public administration and ethics. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 22
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 92 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: reviewing curriculum impact using evidence?

A. Changing content because of one rumour
B. Measuring success only by textbook quantity
C. Avoiding evaluation
D. Reviewing curriculum impact using evidence

Answer: D. Reviewing curriculum impact using evidence
Explanation: Reviewing curriculum impact using evidence is the best answer because it supports sound practice in curriculum. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 93 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: protecting participants' privacy and obtaining appropriate consent?

A. Publishing names unnecessarily
B. Protecting participants' privacy and obtaining appropriate consent
C. Using data for an undisclosed purpose
D. Collecting identifiable data without safeguards

Answer: B. Protecting participants' privacy and obtaining appropriate consent
Explanation: Protecting participants' privacy and obtaining appropriate consent is the best answer because it supports sound practice in data and research. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 94 · MULTIPLE CHOICE

To improve educational assessment in an education setting, which principle should guide the decision?

A. Public comparison of weak learners
B. Praise without evidence

C. Constructive feedback linked to learning goals
D. Feedback only at year-end

Answer: C. Constructive feedback linked to learning goals
Explanation: Constructive feedback linked to learning goals is the best answer because it supports sound practice in educational assessment. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 24

Question 95 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: a factual, respectful and timely response to a complaint?

A. A factual, respectful and timely response to a complaint
B. Sharing the complaint publicly
C. Retaliation against the complainant
D. Ignoring the complaint without assessment

Answer: A. A factual, respectful and timely response to a complaint
Explanation: A factual, respectful and timely response to a complaint is the best answer because it supports sound practice in communication. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 96 · MULTIPLE CHOICE

To improve digital and information literacy in an education setting, which principle should guide the decision?

A. Uploading confidential data to unapproved tools
B. Using technology regardless of learner access
C. Choosing novelty over learning needs
D. Accessible, secure and purpose-appropriate use of digital tools

Answer: D. Accessible, secure and purpose-appropriate use of digital tools
Explanation: Accessible, secure and purpose-appropriate use of digital tools is the best answer because it supports sound practice in digital and information literacy. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 97 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: fair, consistent and non-discriminatory treatment?

A. Excluding people without a lawful reason
B. Favouritism based on personal ties
C. Fair, consistent and non-discriminatory treatment
D. Different rules for preferred staff

Answer: C. Fair, consistent and non-discriminatory treatment
Explanation: Fair, consistent and non-discriminatory treatment is the best answer because it supports sound practice in public administration and ethics. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 98 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: universal design for learning with multiple means of engagement, representation and action?

A. Universal Design for Learning with multiple means of engagement, representation and action
B. Teaching only through printed text
C. Removing all assessment choices
D. One delivery method for every learner

Answer: A. Universal Design for Learning with multiple means of engagement, representation and action
Explanation: Universal Design for Learning with multiple means of engagement, representation and action is the best answer because it supports sound practice in teaching and learning. The other options describe less appropriate or

contrary approaches. GigaLearn • Independent practice resource Page 27
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 99 · MULTIPLE CHOICE

When the main objective is learners show different levels of understanding, which approach should be preferred?

A. Lowering every learner's expectations
B. Inclusive participation and reasonable support
C. Identical support regardless of need
D. Excluding learners with disabilities

Answer: B. Inclusive participation and reasonable support
Explanation: Inclusive participation and reasonable support is the best answer because it supports sound practice in teaching and learning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 100 · MULTIPLE CHOICE

When the main objective is several options have different risks, which approach should be preferred?

A. Choosing a solution before understanding the problem
B. Defining the problem before comparing options
C. Treating assumptions as established facts
D. Ignoring affected stakeholders

Answer: B. Defining the problem before comparing options
Explanation: Defining the problem before comparing options is the best answer because it supports sound practice in decision-making. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 101 · MULTIPLE CHOICE

To improve educational technology in an education setting, which principle should guide the decision?

A. Publishing without review
B. Assuming generated content is always correct
C. Ignoring age and context
D. Checking digital content for accuracy, bias and suitability

Answer: D. Checking digital content for accuracy, bias and suitability
Explanation: Checking digital content for accuracy, bias and suitability is the best answer because it supports sound practice in educational technology. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 102 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: participatory decision-making where appropriate?

A. Excluding all relevant stakeholders
B. Making decisions from unverified claims
C. Avoiding responsibility for decisions
D. Participatory decision-making where appropriate

Answer: D. Participatory decision-making where appropriate
Explanation: Participatory decision-making where appropriate is the best answer because it supports sound practice in leadership and supervision. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 103 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: transparency and accountability?

A. Personal benefit from public resources
B. Transparency and accountability

C. Avoiding audit trails
D. Concealing records

Answer: B. Transparency and accountability
Explanation: Transparency and accountability is the best answer because it supports sound practice in public administration and ethics. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 33
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 104 · MULTIPLE CHOICE

To improve ethics and fairness in an education setting, which principle should guide the decision?

A. Secretly changing standards for favoured people
B. Applying the same transparent criteria while considering lawful accommodations
C. Ignoring relevant evidence
D. Using personal dislike as a criterion

Answer: B. Applying the same transparent criteria while considering lawful accommodations
Explanation: Applying the same transparent criteria while considering lawful accommodations is the best answer because it supports sound practice in ethics and fairness. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 105 · MULTIPLE CHOICE

To improve equity and access in an education setting, which principle should guide the decision?

A. Assuming identical participation means equal outcomes
B. Hiding group-level disparities
C. Reporting only an overall average
D. Monitoring whether different groups benefit fairly from a programme

Answer: D. Monitoring whether different groups benefit fairly from a programme
Explanation: Monitoring whether different groups benefit fairly from a programme is the best answer because it supports sound practice in equity and access. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 106 · MULTIPLE CHOICE

When the main objective is responsibilities between institutions need clarification, which approach should be preferred?

A. Relying solely on an old unofficial note
B. Treating social media claims as legislation
C. Decisions grounded in current, authoritative policy and law
D. Ignoring the date and scope of a policy

Answer: C. Decisions grounded in current, authoritative policy and law
Explanation: Decisions grounded in current, authoritative policy and law is the best answer because it supports sound practice in leadership and governance. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 107 · MULTIPLE CHOICE

When the main objective is records or decisions require scrutiny, which approach should be preferred?

A. Choosing only by personal connection
B. Selecting a supplier without records
C. Splitting purchases to avoid controls
D. A documented procurement process with value-for-money checks

Answer: D. A documented procurement process with value-for-money checks
Explanation: A documented procurement process with value-for-money checks is the best answer because it supports sound practice in public administration and ethics. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 108 · MULTIPLE CHOICE

When the main objective is a safeguarding concern is raised, which approach should be preferred?

A. Using one isolated measure as a complete diagnosis
B. Using attendance, engagement and learning evidence together to identify support needs
C. Withholding support until failure is final
D. Assuming low performance means low ability

Answer: B. Using attendance, engagement and learning evidence together to identify support needs
Explanation: Using attendance, engagement and learning evidence together to identify support needs is the best answer because it supports sound practice in learner wellbeing. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 35
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 109 · MULTIPLE CHOICE

When the main objective is progress toward targets is uneven, which approach should be preferred?

A. Choosing actions only because they are fashionable
B. Launching every initiative at once
C. Prioritising actions based on evidence, impact and feasibility
D. Ignoring implementation capacity

Answer: C. Prioritising actions based on evidence, impact and feasibility
Explanation: Prioritising actions based on evidence, impact and feasibility is the best answer because it supports sound practice in school improvement. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 110 · MULTIPLE CHOICE

When the main objective is training effectiveness is being reviewed, which approach should be preferred?

A. Ignoring follow-up support
B. Using attendance alone as proof of impact
C. Evaluating whether training changed practice and learner outcomes
D. Choosing training only by certificate value

Answer: C. Evaluating whether training changed practice and learner outcomes
Explanation: Evaluating whether training changed practice and learner outcomes is the best answer because it supports sound practice in professional learning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 111 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: checking understanding during the lesson?

A. Waiting until the end of term
B. Using attendance as proof of learning
C. Checking understanding during the lesson
D. Assuming silence means mastery

Answer: C. Checking understanding during the lesson
Explanation: Checking understanding during the lesson is the best answer because it supports sound practice in teaching and learning. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 39
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 112 · MULTIPLE CHOICE

When the main objective is a financial irregularity is suspected, which approach should be preferred?

A. Conducting an unauthorised public accusation
B. Destroying evidence
C. Ignoring the concern
D. Promptly reporting suspected misuse through authorised channels

Answer: D. Promptly reporting suspected misuse through authorised channels

Explanation: Promptly reporting suspected misuse through authorised channels is the best answer because it supports sound practice in finance and accountability. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 113 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: sharing effective practice through structured peer learning?

A. Avoiding feedback from colleagues
B. Sharing effective practice through structured peer learning
C. Assuming every method transfers unchanged
D. Keeping all successful methods private

Answer: B. Sharing effective practice through structured peer learning
Explanation: Sharing effective practice through structured peer learning is the best answer because it supports sound practice in professional learning. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 40
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 114 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: the mode is the most frequently occurring value?

A. The middle ordered value
B. The arithmetic average
C. The mode is the most frequently occurring value
D. The total range

Answer: C. The mode is the most frequently occurring value
Explanation: The mode is the most frequently occurring value is the best answer because it supports sound practice in numerical reasoning. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 41
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 115 · MULTIPLE CHOICE

When the main objective is performance indicators are reviewed, which approach should be preferred?

A. Ignoring unintended consequences
B. Counting inputs only
C. A balanced set of indicators covering access, process and learning outcomes
D. One metric used to represent all quality

Answer: C. A balanced set of indicators covering access, process and learning outcomes
Explanation: A balanced set of indicators covering access, process and learning outcomes is the best answer because it supports sound practice in quality assurance. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 116 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: following safeguarding procedures and acting promptly on credible concerns?

A. Sharing identifying details casually
B. Following safeguarding procedures and acting promptly on credible concerns
C. Ignoring warning signs
D. Investigating alone beyond one's role

Answer: B. Following safeguarding procedures and acting promptly on credible concerns
Explanation: Following safeguarding procedures and acting promptly on credible concerns is the best answer because it supports sound practice in learner wellbeing. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 44
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 117 · MULTIPLE CHOICE

When the main objective is professional conduct or learning needs attention, which approach should be preferred?

A. Maintaining professional boundaries and respectful conduct
B. Sharing inappropriate personal content with learners
C. Using authority for personal advantage
D. Favouritism in professional decisions

Answer: A. Maintaining professional boundaries and respectful conduct
Explanation: Maintaining professional boundaries and respectful conduct is the best answer because it supports sound practice in professional practice. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 118 · MULTIPLE CHOICE

To improve inclusive education in an education setting, which principle should guide the decision?

A. Ignoring learner voice
B. Assuming support lowers expectations
C. Removing barriers to participation while maintaining meaningful learning goals
D. Separating learners automatically

Answer: C. Removing barriers to participation while maintaining meaningful learning goals
Explanation: Removing barriers to participation while maintaining meaningful learning goals is the best answer because it supports sound practice in inclusive education. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 119 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: protecting assessment materials and reporting suspected leakage?

A. Promising to conceal misconduct
B. Protecting assessment materials and reporting suspected leakage
C. Sharing confidential papers informally
D. Ignoring suspicious access

Answer: B. Protecting assessment materials and reporting suspected leakage
Explanation: Protecting assessment materials and reporting suspected leakage is the best answer because it supports sound practice in examination integrity. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 46
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 120 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: comparing cost, quality, need and sustainability in resource decisions?

A. Comparing cost, quality, need and sustainability in resource decisions
B. Ignoring lifecycle costs
C. Choosing the cheapest option in every case
D. Choosing by personal preference

Answer: A. Comparing cost, quality, need and sustainability in resource decisions
Explanation: Comparing cost, quality, need and sustainability in resource decisions is the best answer because it supports sound practice in resource stewardship. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 121 · MULTIPLE CHOICE

To improve finance and accountability in an education setting, which principle should guide the decision?

A. Ignoring the concern
B. Destroying evidence
C. Conducting an unauthorised public accusation

D. Promptly reporting suspected misuse through authorised channels

Answer: D. Promptly reporting suspected misuse through authorised channels

Explanation: Promptly reporting suspected misuse through authorised channels is the best answer because it supports sound practice in finance and accountability. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 122 · MULTIPLE CHOICE

When the main objective is evidence does not support an initial assumption, which approach should be preferred?

A. Combining data with professional judgement and local context
B. Replacing evidence with rank or seniority
C. Ignoring contradictory evidence
D. Using data without checking its meaning

Answer: A. Combining data with professional judgement and local context

Explanation: Combining data with professional judgement and local context is the best answer because it supports sound practice in evidence-based leadership. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 123 · MULTIPLE CHOICE

To improve numerical reasoning in an education setting, which principle should guide the decision?

A. Rounding every intermediate value aggressively
B. Ignoring units
C. Checking units and assumptions before calculating
D. Choosing an answer before calculating

Answer: C. Checking units and assumptions before calculating

Explanation: Checking units and assumptions before calculating is the best answer because it supports sound practice in numerical reasoning. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 49
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 124 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: alignment among objectives, instruction and assessment?

A. Assessment unrelated to objectives
B. Alignment among objectives, instruction and assessment
C. Changing objectives after marking
D. Teaching only the easiest content

Answer: B. Alignment among objectives, instruction and assessment

Explanation: Alignment among objectives, instruction and assessment is the best answer because it supports sound practice in curriculum. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 125 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: constructive feedback linked to learning goals?

A. Feedback only at year-end
B. Constructive feedback linked to learning goals
C. Public comparison of weak learners
D. Praise without evidence

Answer: B. Constructive feedback linked to learning goals

Explanation: Constructive feedback linked to learning goals is the best answer because it supports sound practice in educational assessment. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 50
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 126 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: prior knowledge connected to new learning?

A. Prior knowledge connected to new learning
B. Avoiding questions
C. Replacing learning objectives with activities
D. New content disconnected from experience

Answer: A. Prior knowledge connected to new learning
Explanation: Prior knowledge connected to new learning is the best answer because it supports sound practice in teaching and learning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 127 · MULTIPLE CHOICE

To improve communication in an education setting, which principle should guide the decision?

A. Using one format for every situation
B. Adapting communication to audience and purpose
C. Avoiding accessible language
D. Omitting essential context

Answer: B. Adapting communication to audience and purpose
Explanation: Adapting communication to audience and purpose is the best answer because it supports sound practice in communication. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 128 · MULTIPLE CHOICE

To improve school improvement in an education setting, which principle should guide the decision?

A. Prioritising actions based on evidence, impact and feasibility
B. Launching every initiative at once
C. Choosing actions only because they are fashionable
D. Ignoring implementation capacity

Answer: A. Prioritising actions based on evidence, impact and feasibility
Explanation: Prioritising actions based on evidence, impact and feasibility is the best answer because it supports sound practice in school improvement. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 53
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 129 · MULTIPLE CHOICE

When the main objective is a learner faces a participation barrier, which approach should be preferred?

A. Removing all learning objectives
B. Requiring one response format for every learner
C. Assessing only speed
D. Using accessible materials and flexible ways to demonstrate learning

Answer: D. Using accessible materials and flexible ways to demonstrate learning
Explanation: Using accessible materials and flexible ways to demonstrate learning is the best answer because it supports sound practice in inclusive education. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 130 · MULTIPLE CHOICE

When the main objective is a decision affects service delivery, which approach should be preferred?

A. Serving the public interest within lawful authority
B. Avoiding accountability
C. Personal gain as the primary purpose
D. Favouritism as a management principle

Answer: A. Serving the public interest within lawful authority

Explanation: Serving the public interest within lawful authority is the best answer because it supports sound practice in public service leadership. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 131 · MULTIPLE CHOICE

To improve public service leadership in an education setting, which principle should guide the decision?

A. Personal gain as the primary purpose
B. Favouritism as a management principle
C. Serving the public interest within lawful authority
D. Avoiding accountability

Answer: C. Serving the public interest within lawful authority
Explanation: Serving the public interest within lawful authority is the best answer because it supports sound practice in public service leadership. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 132 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: collaborative learning with individual accountability?

A. Collaborative learning with individual accountability
B. One learner doing all group work
C. Groups formed without a learning purpose
D. Group work with no feedback

Answer: A. Collaborative learning with individual accountability
Explanation: Collaborative learning with individual accountability is the best answer because it supports sound practice in teaching and learning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 133 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: validity?

A. Reliability
B. Convenience
C. Popularity
D. Validity

Answer: D. Validity
Explanation: Validity is the best answer because it supports sound practice in educational assessment. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 57
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 134 · MULTIPLE CHOICE

To improve professional learning in an education setting, which principle should guide the decision?

A. Assuming every method transfers unchanged
B. Sharing effective practice through structured peer learning
C. Keeping all successful methods private
D. Avoiding feedback from colleagues

Answer: B. Sharing effective practice through structured peer learning
Explanation: Sharing effective practice through structured peer learning is the best answer because it supports sound practice in professional learning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 135 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: a clear assessment rubric?

A. A clear assessment rubric
B. A rule changed after marking

C. An unwritten expectation
D. A single overall impression

Answer: A. A clear assessment rubric
Explanation: A clear assessment rubric is the best answer because it supports sound practice in educational assessment. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 136 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: a safe classroom climate that supports participation?

A. A safe classroom climate that supports participation
B. Humiliation as a teaching strategy
C. Threats as the only management method
D. Ignoring learner wellbeing

Answer: A. A safe classroom climate that supports participation
Explanation: A safe classroom climate that supports participation is the best answer because it supports sound practice in learning and motivation. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 137 · MULTIPLE CHOICE

To improve learner wellbeing in an education setting, which principle should guide the decision?

A. Following safeguarding procedures and acting promptly on credible concerns
B. Sharing identifying details casually
C. Ignoring warning signs
D. Investigating alone beyond one's role

Answer: A. Following safeguarding procedures and acting promptly on credible concerns
Explanation: Following safeguarding procedures and acting promptly on credible concerns is the best answer because it supports sound practice in learner wellbeing. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 138 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: reasonable accommodation that supports access and participation?

A. Reasonable accommodation that supports access and participation
B. Ignoring barriers in the learning environment
C. Excluding a learner because support is needed
D. Assuming all disabilities require the same adjustment

Answer: A. Reasonable accommodation that supports access and participation
Explanation: Reasonable accommodation that supports access and participation is the best answer because it supports sound practice in professional practice. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 139 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: differentiated instruction?

A. Differentiated instruction
B. One identical task regardless of need
C. Teaching only the fastest learners
D. Excluding learners who struggle

Answer: A. Differentiated instruction
Explanation: Differentiated instruction is the best answer because it supports sound practice in teaching and learning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 140 · MULTIPLE CHOICE

To improve human resource management in an education setting, which principle should guide the decision?

A. Assigning all difficult tasks to one person
B. Workload allocation based on role, capacity and service needs
C. Ignoring staff capacity
D. Allocating duties solely by friendship

Answer: B. Workload allocation based on role, capacity and service needs
Explanation: Workload allocation based on role, capacity and service needs is the best answer because it supports sound practice in human resource management. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 141 · MULTIPLE CHOICE

When the main objective is an error or poor result is identified, which approach should be preferred?

A. Owning decisions, correcting errors and documenting improvements
B. Blaming others without investigation
C. Concealing a known error
D. Changing the record without explanation

Answer: A. Owning decisions, correcting errors and documenting improvements
Explanation: Owning decisions, correcting errors and documenting improvements is the best answer because it supports sound practice in professional accountability. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 142 · MULTIPLE CHOICE

When the main objective is different people are affected by a decision, which approach should be preferred?

A. Secretly changing standards for favoured people
B. Applying the same transparent criteria while considering lawful accommodations
C. Using personal dislike as a criterion
D. Ignoring relevant evidence

Answer: B. Applying the same transparent criteria while considering lawful accommodations
Explanation: Applying the same transparent criteria while considering lawful accommodations is the best answer because it supports sound practice in ethics and fairness. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 143 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: monitoring whether different groups benefit fairly from a programme?

A. Monitoring whether different groups benefit fairly from a programme
B. Assuming identical participation means equal outcomes
C. Hiding group-level disparities
D. Reporting only an overall average

Answer: A. Monitoring whether different groups benefit fairly from a programme
Explanation: Monitoring whether different groups benefit fairly from a programme is the best answer because it supports sound practice in equity and access. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 144 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: continuous improvement informed by evidence and reflection?

A. Avoiding feedback
B. Repeating the same approach despite evidence of failure
C. Making changes without checking results
D. Continuous improvement informed by evidence and reflection

Answer: D. Continuous improvement informed by evidence and reflection

Explanation: Continuous improvement informed by evidence and reflection is the best answer because it supports sound practice in planning and evaluation. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 145 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: smart objectives that are specific, measurable, achievable, relevant and time-bound?

A. Objectives unrelated to the mission
B. SMART objectives that are specific, measurable, achievable, relevant and time-bound
C. Targets with no time frame
D. Broad aspirations without measures

Answer: B. SMART objectives that are specific, measurable, achievable, relevant and time-bound
Explanation: SMART objectives that are specific, measurable, achievable, relevant and time-bound is the best answer because it supports sound practice in planning and evaluation. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 146 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: escalating issues through the appropriate reporting line when required?

A. Escalating issues through the appropriate reporting line when required
B. Bypassing safeguards for convenience
C. Hiding serious risks
D. Escalating every minor matter without judgement

Answer: A. Escalating issues through the appropriate reporting line when required
Explanation: Escalating issues through the appropriate reporting line when required is the best answer because it supports sound practice in leadership and governance. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 66
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 147 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: supportive instructional supervision focused on improving teaching?

A. Fault-finding without follow-up
B. Punishment as the sole supervisory tool
C. Inspection based only on rumours
D. Supportive instructional supervision focused on improving teaching

Answer: D. Supportive instructional supervision focused on improving teaching
Explanation: Supportive instructional supervision focused on improving teaching is the best answer because it supports sound practice in leadership and supervision. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 148 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: prioritising actions based on evidence, impact and feasibility?

A. Launching every initiative at once
B. Prioritising actions based on evidence, impact and feasibility
C. Ignoring implementation capacity
D. Choosing actions only because they are fashionable

Answer: B. Prioritising actions based on evidence, impact and feasibility
Explanation: Prioritising actions based on evidence, impact and feasibility is the best answer because it supports sound practice in school improvement. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 149 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: service delivery that is equitable, efficient and accountable?

A. Spending without monitoring outcomes
B. Ignoring underserved groups
C. Service delivery that is equitable, efficient and accountable
D. Prioritising appearance over results

Answer: C. Service delivery that is equitable, efficient and accountable
Explanation: Service delivery that is equitable, efficient and accountable is the best answer because it supports sound practice in leadership and governance. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 150 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: conflict resolution through listening, evidence and fair process?

A. Taking sides before hearing facts
B. Ignoring serious unresolved conflict
C. Spreading confidential details
D. Conflict resolution through listening, evidence and fair process

Answer: D. Conflict resolution through listening, evidence and fair process
Explanation: Conflict resolution through listening, evidence and fair process is the best answer because it supports sound practice in leadership and supervision. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 151 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: evaluating outcomes as well as activities?

A. Counting workshops as proof of impact
B. Measuring only money spent
C. Evaluating outcomes as well as activities
D. Ignoring intended beneficiaries

Answer: C. Evaluating outcomes as well as activities
Explanation: Evaluating outcomes as well as activities is the best answer because it supports sound practice in planning and evaluation. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 152 · MULTIPLE CHOICE

To improve examination integrity in an education setting, which principle should guide the decision?

A. Allowing unauthorised access
B. Using secure procedures, fair conditions and documented incident handling
C. Failing to document irregularities
D. Changing rules secretly for selected candidates

Answer: B. Using secure procedures, fair conditions and documented incident handling
Explanation: Using secure procedures, fair conditions and documented incident handling is the best answer because it supports sound practice in examination integrity. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 153 · MULTIPLE CHOICE

When the main objective is a suspected examination irregularity occurs, which approach should be preferred?

A. Failing to document irregularities
B. Using secure procedures, fair conditions and documented incident handling
C. Changing rules secretly for selected candidates
D. Allowing unauthorised access

Answer: B. Using secure procedures, fair conditions and documented incident handling
Explanation: Using secure procedures, fair conditions and documented incident handling is the best answer because it supports sound practice in examination integrity. The other options describe less appropriate or contrary approaches.
GigaLearn • Independent practice resource Page 76
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 154 · MULTIPLE CHOICE

When the main objective is stakeholders have different interests, which approach should be preferred?

A. Closing the feedback loop by communicating decisions and next steps
B. Collecting views without responding
C. Promising outcomes beyond authority
D. Ignoring recurring concerns

Answer: A. Closing the feedback loop by communicating decisions and next steps
Explanation: Closing the feedback loop by communicating decisions and next steps is the best answer because it supports sound practice in stakeholder engagement. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 155 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: triangulating evidence from different methods?

A. Triangulating evidence from different methods
B. Using attendance as the only measure
C. Relying on one test score only
D. Ignoring classroom evidence

Answer: A. Triangulating evidence from different methods
Explanation: Triangulating evidence from different methods is the best answer because it supports sound practice in educational assessment. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 156 · MULTIPLE CHOICE

When the main objective is online information may be unreliable, which approach should be preferred?

A. Forwarding an unverified claim
B. Verifying the source, date and context of online information
C. Treating an image as proof without context
D. Trusting a post because it is popular

Answer: B. Verifying the source, date and context of online information
Explanation: Verifying the source, date and context of online information is the best answer because it supports sound practice in digital and information literacy. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 157 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: monitoring progress against agreed indicators?

A. Waiting until the plan ends
B. Monitoring progress against agreed indicators
C. Ignoring deviations from targets
D. Counting meetings as the only measure

Answer: B. Monitoring progress against agreed indicators
Explanation: Monitoring progress against agreed indicators is the best answer because it supports sound practice in leadership and supervision. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 158 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: learner-centred teaching?

A. Teacher monologue for every lesson
B. Memorisation without understanding
C. Punishment-led instruction
D. Learner-centred teaching

Answer: D. Learner-centred teaching
Explanation: Learner-centred teaching is the best answer because it supports sound practice in teaching and learning. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 79
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 159 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: criterion-referenced assessment?

A. Peer assessment
B. Norm-referenced assessment
C. Self-reflection
D. Criterion-referenced assessment

Answer: D. Criterion-referenced assessment
Explanation: Criterion-referenced assessment is the best answer because it supports sound practice in educational assessment. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 160 · MULTIPLE CHOICE

To improve professional accountability in an education setting, which principle should guide the decision?

A. Changing definitions to claim success
B. Omitting inconvenient results
C. Reporting accurate information even when results are disappointing
D. Inflating performance figures

Answer: C. Reporting accurate information even when results are disappointing
Explanation: Reporting accurate information even when results are disappointing is the best answer because it supports sound practice in professional accountability. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 161 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: combining data with professional judgement and local context?

A. Combining data with professional judgement and local context
B. Replacing evidence with rank or seniority
C. Using data without checking its meaning
D. Ignoring contradictory evidence

Answer: A. Combining data with professional judgement and local context
Explanation: Combining data with professional judgement and local context is the best answer because it supports sound practice in evidence-based leadership. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 85
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 162 · MULTIPLE CHOICE

When the main objective is a programme's progress must be checked, which approach should be preferred?

A. Ignoring intended beneficiaries
B. Counting workshops as proof of impact
C. Measuring only money spent
D. Evaluating outcomes as well as activities

Answer: D. Evaluating outcomes as well as activities
Explanation: Evaluating outcomes as well as activities is the best answer because it supports sound practice in planning and evaluation. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 163 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: active learning?

A. Assessment without instruction
B. Active learning
C. Teacher talk without learner response
D. Passive copying throughout the lesson

Answer: B. Active learning

Explanation: Active learning is the best answer because it supports sound practice in teaching and learning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 164 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: a documented procurement process with value-for-money checks?

A. Splitting purchases to avoid controls
B. A documented procurement process with value-for-money checks
C. Choosing only by personal connection
D. Selecting a supplier without records

Answer: B. A documented procurement process with value-for-money checks

Explanation: A documented procurement process with value-for-money checks is the best answer because it supports sound practice in public administration and ethics. The other options describe less appropriate or contrary approaches.
GigaLearn • Independent practice resource Page 89
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 165 · MULTIPLE CHOICE

To improve evidence-based leadership in an education setting, which principle should guide the decision?

A. Assuming good intentions guarantee impact
B. Testing whether an intervention works before scaling it broadly
C. Ignoring unintended effects
D. Scaling immediately without evaluation

Answer: B. Testing whether an intervention works before scaling it broadly

Explanation: Testing whether an intervention works before scaling it broadly is the best answer because it supports sound practice in evidence-based leadership. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 166 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: checking the current official text and scope of a legal instrument?

A. Assuming a draft is enacted law
B. Applying a rule outside its scope
C. Checking the current official text and scope of a legal instrument
D. Relying on a paraphrase without verification

Answer: C. Checking the current official text and scope of a legal instrument

Explanation: Checking the current official text and scope of a legal instrument is the best answer because it supports sound practice in educational law and policy. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 167 · MULTIPLE CHOICE

To improve leadership and communication in an education setting, which principle should guide the decision?

A. Keeping actions ownerless
B. Meeting without purpose or follow-up
C. Recording opinions but no decisions

D. Using a structured meeting agenda, decisions and action log

Answer: D. Using a structured meeting agenda, decisions and action log

Explanation: Using a structured meeting agenda, decisions and action log is the best answer because it supports sound practice in leadership and communication. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 168 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: coaching that builds professional capacity?

A. Withholding useful feedback
B. Threatening staff instead of supporting them
C. Coaching that builds professional capacity
D. Doing all work for the teacher

Answer: C. Coaching that builds professional capacity

Explanation: Coaching that builds professional capacity is the best answer because it supports sound practice in leadership and supervision. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 169 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: reliability?

A. Speed of marking
B. Validity
C. Fairness alone
D. Reliability

Answer: D. Reliability

Explanation: Reliability is the best answer because it supports sound practice in educational assessment. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 170 · MULTIPLE CHOICE

To improve ethical leadership in an education setting, which principle should guide the decision?

A. Secrecy as the default for all decisions
B. Consistent integrity, impartiality and service orientation
C. Personal loyalty above public duty
D. Avoiding oversight

Answer: B. Consistent integrity, impartiality and service orientation

Explanation: Consistent integrity, impartiality and service orientation is the best answer because it supports sound practice in ethical leadership. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 171 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: objective performance appraisal against known criteria?

A. Changing criteria after the review
B. Rating staff by personal loyalty
C. Objective performance appraisal against known criteria
D. Appraisal based on rumours

Answer: C. Objective performance appraisal against known criteria

Explanation: Objective performance appraisal against known criteria is the best answer because it supports sound practice in human resource management. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 172 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: decisions grounded in current, authoritative policy and law?

A. Ignoring the date and scope of a policy
B. Decisions grounded in current, authoritative policy and law
C. Treating social media claims as legislation
D. Relying solely on an old unofficial note

Answer: B. Decisions grounded in current, authoritative policy and law
Explanation: Decisions grounded in current, authoritative policy and law is the best answer because it supports sound practice in leadership and governance. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 173 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: owning decisions, correcting errors and documenting improvements?

A. Blaming others without investigation
B. Owning decisions, correcting errors and documenting improvements
C. Concealing a known error
D. Changing the record without explanation

Answer: B. Owning decisions, correcting errors and documenting improvements
Explanation: Owning decisions, correcting errors and documenting improvements is the best answer because it supports sound practice in professional accountability. The other options describe less appropriate or contrary approaches.

Question 174 · MULTIPLE CHOICE

To improve learning and motivation in an education setting, which principle should guide the decision?

A. A safe classroom climate that supports participation
B. Ignoring learner wellbeing
C. Threats as the only management method
D. Humiliation as a teaching strategy

Answer: A. A safe classroom climate that supports participation
Explanation: A safe classroom climate that supports participation is the best answer because it supports sound practice in learning and motivation. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 175 · MULTIPLE CHOICE

To improve educational law and policy in an education setting, which principle should guide the decision?

A. Distinguishing a policy, a regulation and an Act of Parliament
B. Ignoring the issuing authority
C. Assuming a policy overrides every law
D. Treating all documents as legally identical

Answer: A. Distinguishing a policy, a regulation and an Act of Parliament
Explanation: Distinguishing a policy, a regulation and an Act of Parliament is the best answer because it supports sound practice in educational law and policy. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 176 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: serving the public interest within lawful authority?

A. Favouritism as a management principle
B. Serving the public interest within lawful authority
C. Avoiding accountability
D. Personal gain as the primary purpose

Answer: B. Serving the public interest within lawful authority
Explanation: Serving the public interest within lawful authority is the best answer because it supports sound practice in public service leadership. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 177 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: the mean is the sum of values divided by their count?

A. The mean is the sum of values divided by their count
B. The difference between maximum and minimum
C. The middle value after sorting
D. The most frequent value

Answer: A. The mean is the sum of values divided by their count
Explanation: The mean is the sum of values divided by their count is the best answer because it supports sound practice in numerical reasoning. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 102
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 178 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: using representative and appropriate data?

A. Using representative and appropriate data
B. Treating one anecdote as conclusive
C. Selecting only evidence that supports a preference
D. Ignoring missing data

Answer: A. Using representative and appropriate data
Explanation: Using representative and appropriate data is the best answer because it supports sound practice in data and research. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 179 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: specific feedback describing what the learner did well and what to improve?

A. Labels about a learner's fixed ability
B. Specific feedback describing what the learner did well and what to improve
C. Public comparison as the main motivator
D. Feedback unrelated to the task

Answer: B. Specific feedback describing what the learner did well and what to improve
Explanation: Specific feedback describing what the learner did well and what to improve is the best answer because it supports sound practice in learning and motivation. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 180 · MULTIPLE CHOICE

When the main objective is the status of a policy or law is uncertain, which approach should be preferred?

A. Distinguishing a policy, a regulation and an Act of Parliament
B. Treating all documents as legally identical
C. Assuming a policy overrides every law
D. Ignoring the issuing authority

Answer: A. Distinguishing a policy, a regulation and an Act of Parliament
Explanation: Distinguishing a policy, a regulation and an Act of Parliament is the best answer because it supports sound practice in educational law and policy. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 104
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 181 · MULTIPLE CHOICE

When the main objective is learners need constructive guidance, which approach should be preferred?

A. Humiliation as a teaching strategy
B. Threats as the only management method
C. Ignoring learner wellbeing
D. A safe classroom climate that supports participation

Answer: D. A safe classroom climate that supports participation
Explanation: A safe classroom climate that supports participation is the best answer because it supports sound practice in learning and motivation. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 182 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: checking digital content for accuracy, bias and suitability?

A. Ignoring age and context
B. Checking digital content for accuracy, bias and suitability
C. Assuming generated content is always correct
D. Publishing without review

Answer: B. Checking digital content for accuracy, bias and suitability
Explanation: Checking digital content for accuracy, bias and suitability is the best answer because it supports sound practice in educational technology. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 183 · MULTIPLE CHOICE

When the main objective is overall results may hide group differences, which approach should be preferred?

A. Monitoring whether different groups benefit fairly from a programme
B. Hiding group-level disparities
C. Reporting only an overall average
D. Assuming identical participation means equal outcomes

Answer: A. Monitoring whether different groups benefit fairly from a programme
Explanation: Monitoring whether different groups benefit fairly from a programme is the best answer because it supports sound practice in equity and access. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 184 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: risk assessment with mitigation, ownership and review?

A. Risk assessment with mitigation, ownership and review
B. Listing risks without actions
C. Assuming a plan eliminates all uncertainty
D. Ignoring foreseeable risks

Answer: A. Risk assessment with mitigation, ownership and review
Explanation: Risk assessment with mitigation, ownership and review is the best answer because it supports sound practice in planning and evaluation. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 185 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: prioritising urgent and important work while respecting deadlines?

A. Ignoring statutory deadlines
B. Treating every task as equally urgent
C. Prioritising urgent and important work while respecting deadlines
D. Working without a schedule or review

Answer: C. Prioritising urgent and important work while respecting deadlines
Explanation: Prioritising urgent and important work while respecting deadlines is the best answer because it supports sound practice in work planning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 186 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: learner safeguarding and prompt referral through proper channels?

A. Promising secrecy regardless of safety
B. Ignoring a disclosure
C. Investigating serious abuse alone and informally
D. Learner safeguarding and prompt referral through proper channels

Answer: D. Learner safeguarding and prompt referral through proper channels
Explanation: Learner safeguarding and prompt referral through proper channels is the best answer because it supports sound practice in school-community relations. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 187 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: correlation does not by itself establish causation?

A. Any correlation proves cause
B. A larger sample removes all bias
C. A graph proves causation automatically
D. Correlation does not by itself establish causation

Answer: D. Correlation does not by itself establish causation
Explanation: Correlation does not by itself establish causation is the best answer because it supports sound practice in data and research. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 188 · MULTIPLE CHOICE

To improve organisational culture in an education setting, which principle should guide the decision?

A. Confusing respect with absence of standards
B. No opportunity to raise concerns
C. Fear as the only basis for compliance
D. Psychological safety with clear standards and accountability

Answer: D. Psychological safety with clear standards and accountability
Explanation: Psychological safety with clear standards and accountability is the best answer because it supports sound practice in organisational culture. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 114
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 189 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: directing support toward barriers and unmet needs using evidence?

A. Allocating support by influence
B. Ignoring rural or disadvantaged learners
C. Assuming equal inputs always produce equal access
D. Directing support toward barriers and unmet needs using evidence

Answer: D. Directing support toward barriers and unmet needs using evidence
Explanation: Directing support toward barriers and unmet needs using evidence is the best answer because it supports sound practice in equity and access. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 190 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: evaluating whether training changed practice and learner outcomes?

A. Evaluating whether training changed practice and learner outcomes
B. Ignoring follow-up support
C. Choosing training only by certificate value
D. Using attendance alone as proof of impact

Answer: A. Evaluating whether training changed practice and learner outcomes
Explanation: Evaluating whether training changed practice and learner outcomes is the best answer because it supports sound practice in professional learning. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 117
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 191 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: the median is the middle ordered value?

A. The median is the middle ordered value
B. The sum divided by the count
C. The most frequent value only
D. The maximum value

Answer: A. The median is the middle ordered value
Explanation: The median is the middle ordered value is the best answer because it supports sound practice in numerical reasoning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 192 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: recording decisions and reasons so they can be reviewed?

A. Recording decisions and reasons so they can be reviewed
B. Deleting records to avoid scrutiny
C. Relying on undocumented verbal decisions for everything
D. Keeping no evidence of approval

Answer: A. Recording decisions and reasons so they can be reviewed
Explanation: Recording decisions and reasons so they can be reviewed is the best answer because it supports sound practice in ethics and fairness. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 193 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: seeking advice or referral when an issue exceeds one's authority?

A. Seeking advice or referral when an issue exceeds one's authority
B. Acting beyond competence to appear decisive
C. Making promises outside delegated authority
D. Ignoring a legal requirement

Answer: A. Seeking advice or referral when an issue exceeds one's authority
Explanation: Seeking advice or referral when an issue exceeds one's authority is the best answer because it supports sound practice in ethical leadership. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 194 · MULTIPLE CHOICE

What does differentiated instruction aim to do?

A. Use one method regardless of need
B. Adapt teaching or support to learner readiness and needs
C. Remove all challenge
D. Ignore evidence

Answer: B. Adapt teaching or support to learner readiness and needs
Explanation: Differentiation adjusts support to help learners meet learning goals.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 195 · MULTIPLE CHOICE

What is sound data-informed leadership?

A. Use relevant evidence alongside professional judgement
B. Treat one figure as the whole truth
C. Ignore context
D. Alter records to fit expectations

Answer: A. Use relevant evidence alongside professional judgement
Explanation: Data should be interpreted carefully and in context.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 196 · MULTIPLE CHOICE

Why moderate assessment?

A. Remove all judgement
B. Make criteria unnecessary
C. Give everyone full marks
D. Improve consistency and fairness of marking

Answer: D. Improve consistency and fairness of marking
Explanation: Moderation aligns interpretations of criteria and standards.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 197 · MULTIPLE CHOICE

Which is an example of ethical leadership?

A. Hide decisions from oversight
B. Favour relatives regardless of criteria
C. Declare a conflict of interest and follow the applicable process
D. Use public resources for personal gain

Answer: C. Declare a conflict of interest and follow the applicable process
Explanation: Ethical leadership requires integrity and appropriate safeguards.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 198 · TRUE/FALSE

Formative assessment can help a teacher adjust instruction during learning. TRUE FALSE

TRUE
FALSE

Answer: TRUE
Explanation: It provides evidence that can guide next steps.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 199 · MULTIPLE CHOICE

GigaLearn ■ DD Practice Page 3 Which assessment best matches an objective to compare two ideas?

A. A task requiring comparison
B. An unrelated spelling test
C. An attendance register
D. A task asking only for a date

Answer: A. A task requiring comparison
Explanation: Assessment should align with the intended learning outcome.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 200 · MULTIPLE CHOICE

How should suspected plagiarism be handled?

A. Ridicule the learner publicly
B. Ignore all evidence
C. Publish personal details
D. Follow a fair academic-integrity procedure

Answer: D. Follow a fair academic-integrity procedure
Explanation: Concerns should be handled consistently and confidentially.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 201 · MULTIPLE CHOICE

What supports continuity when a school project changes leadership?

A. Discard decisions without review
B. Avoid documentation
C. Clear records, responsibilities and handover notes
D. Keep all information with one person

Answer: C. Clear records, responsibilities and handover notes
Explanation: Documentation and handover reduce disruption.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 202 · MULTIPLE CHOICE

Monitoring shows an intervention is not working. What next?

A. Blame one person without inquiry
B. Review evidence, consult relevant people and adapt it
C. Hide results
D. Continue indefinitely

Answer: B. Review evidence, consult relevant people and adapt it
Explanation: Monitoring should inform evidence-based adjustment.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 203 · TRUE/FALSE

Every learner should receive exactly the same support regardless of need. TRUE FALSE

TRUE
FALSE

Answer: FALSE
Explanation: Equity may require different support to enable participation.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 204 · MULTIPLE CHOICE

Which feedback is most constructive?

A. A personal insult
B. A score with no context
C. Public shaming GigaLearn ■ DD Practice Page 4
D. Specific feedback with a next step

Answer: D. Specific feedback with a next step
Explanation: Useful feedback is specific, respectful and actionable.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 205 · MULTIPLE CHOICE

How should confidential learner information be handled?

A. Discuss it casually in public
B. Send it to all contacts
C. Share only with authorised people who need it for a legitimate purpose

D. Post it publicly

Answer: C. Share only with authorised people who need it for a legitimate purpose
Explanation: Confidential information should be protected and shared appropriately.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 206 · MULTIPLE CHOICE

Why engage stakeholders in school improvement?

A. Give one person all decision power
B. Gain relevant perspectives and build shared responsibility
C. Remove professional judgement
D. Guarantee unanimous agreement

Answer: B. Gain relevant perspectives and build shared responsibility
Explanation: Constructive engagement can strengthen understanding and implementation.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 207 · MULTIPLE CHOICE

How can teachers support learners with different language backgrounds?

A. Use clear language, visuals and checks for understanding
B. Assume silence means understanding
C. Prevent questions
D. Assess unrelated language ability

Answer: A. Use clear language, visuals and checks for understanding
Explanation: Accessible explanations and checks reveal barriers.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 208 · TRUE/FALSE

Assessment should align with the learning objective it measures. TRUE FALSE

TRUE
FALSE

Answer: TRUE
Explanation: Alignment helps assess the intended learning.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 209 · MULTIPLE CHOICE

Which approach best supports a new teacher?

A. Avoid feedback until year end
B. Expect instant knowledge of every local procedure
C. Provide orientation, mentoring and discussion of practice
D. Assign duties without explanation

Answer: C. Provide orientation, mentoring and discussion of practice
Explanation: Structured induction helps new staff develop.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 210 · MULTIPLE CHOICE

GigaLearn ■ DD Practice Page 5 Which practice promotes critical thinking?

A. Accept every claim without examination
B. Ask learners to justify claims with evidence
C. Require copying only
D. Discourage questions

Answer: B. Ask learners to justify claims with evidence
Explanation: Reasoning with evidence supports analysis and evaluation.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 211 · MULTIPLE CHOICE

Which classroom practice encourages participation?

A. Use respectful routines and varied ways to respond
B. Let interruptions dominate
C. Invite only top scorers
D. Punish every wrong answer

Answer: A. Use respectful routines and varied ways to respond
Explanation: Safe, structured participation supports engagement.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 212 · MULTIPLE CHOICE

What is the best use of classroom observation?

A. Judge personal style alone
B. Embarrass the teacher
C. Conclude without observing
D. Gather evidence against agreed teaching and learning criteria

Answer: D. Gather evidence against agreed teaching and learning criteria
Explanation: Evidence-based observation supports fair feedback.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 213 · TRUE/FALSE

A teacher should promise absolute secrecy about a safeguarding concern. TRUE FALSE

TRUE
FALSE

Answer: FALSE
Explanation: Concerns must be handled through appropriate safeguarding procedures.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 214 · MULTIPLE CHOICE

Why keep school records accurate and timely?

A. Use only during inspections
B. Support continuity, accountability and decisions
C. Make communication unnecessary
D. Reflect assumptions

Answer: B. Support continuity, accountability and decisions
Explanation: Reliable records support administration and reporting.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 215 · MULTIPLE CHOICE

Which practice best supports formative assessment?

A. Use evidence during instruction to adjust teaching
B. Wait until the end of the year to assess
C. Give marks without feedback GigaLearn ■ DD Practice Page 6
D. Assess only volunteers

Answer: A. Use evidence during instruction to adjust teaching
Explanation: Formative assessment informs teaching while learning is in progress.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 216 · MULTIPLE CHOICE

A learner reports a safeguarding concern. What is the appropriate response?

A. Promise absolute secrecy
B. Discuss it widely

C. Ignore it without assessment
D. Follow safeguarding procedures and report to the responsible person

Answer: D. Follow safeguarding procedures and report to the responsible person
Explanation: Concerns should be handled through appropriate procedures and confidentiality.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 217 · MULTIPLE CHOICE

Which is an example of professional reflection?

A. Blame learners for every difficulty
B. Ignore feedback
C. Review lesson evidence and plan an improvement
D. Repeat lessons without review

Answer: C. Review lesson evidence and plan an improvement
Explanation: Reflection uses evidence to improve practice.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 218 · TRUE/FALSE

Clear success criteria help learners understand expectations. TRUE FALSE

TRUE
FALSE

Answer: TRUE
Explanation: Criteria make expected performance explicit.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 219 · MULTIPLE CHOICE

How should digital learning tools be used responsibly?

A. Check accuracy, privacy, accessibility and learning value
B. Assume every answer is correct
C. Upload private data anywhere
D. Use technology even when it obstructs learning

Answer: A. Check accuracy, privacy, accessibility and learning value
Explanation: Tools should be assessed for safety and educational value.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 220 · MULTIPLE CHOICE

What is a useful first step in planning an intervention?

A. Choose an activity before identifying need
B. Promise results without baseline data
C. Avoid consultation
D. Define the problem with evidence and identify the desired outcome

Answer: D. Define the problem with evidence and identify the desired outcome
Explanation: A clear problem definition makes the intervention focused.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 221 · MULTIPLE CHOICE

GigaLearn ■ DD Practice Page 7 What is the main purpose of a lesson objective?

A. Replace assessment
B. Record teacher attendance
C. State the intended learning outcome
D. List every school rule

Answer: C. State the intended learning outcome
Explanation: A clear objective identifies what learners should know or do.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 222 · MULTIPLE CHOICE

What is a benefit of collaborative lesson planning?

A. It makes all classes identical
B. Teachers share expertise and align goals
C. It removes the need to assess
D. It guarantees no challenges

Answer: B. Teachers share expertise and align goals
Explanation: Collaboration can improve coherence and professional support.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 223 · TRUE/FALSE

A score alone always provides enough information to improve learning. TRUE FALSE

TRUE
FALSE

Answer: FALSE
Explanation: Specific, actionable feedback is often needed.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 224 · MULTIPLE CHOICE

What should guide selection of a teaching resource?

A. Colour alone
B. Price alone
C. Whether it avoids the objective
D. Learning goals, learner needs, accuracy and accessibility

Answer: D. Learning goals, learner needs, accuracy and accessibility
Explanation: Resources should be fit for purpose.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 225 · MULTIPLE CHOICE

Which action demonstrates equitable treatment?

A. Ignore barriers
B. Use inconsistent rules without reason
C. Apply fair criteria and provide reasonable support for different needs
D. Favour friends

Answer: C. Apply fair criteria and provide reasonable support for different needs
Explanation: Equity considers relevant differences in need.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 226 · MULTIPLE CHOICE

What does a professional code of conduct do?

A. Replaces every procedure
B. Guides ethical and responsible behaviour
C. Removes all judgement GigaLearn ■ DD Practice Page 8
D. Permits free sharing of confidential data

Answer: B. Guides ethical and responsible behaviour
Explanation: Codes set expectations for professional conduct.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 227 · MULTIPLE CHOICE

Many learners misunderstand a concept. What should the teacher do?

A. Re-teach with another approach and check understanding
B. Continue without adjustment

C. Blame the learners
D. Remove the topic

Answer: A. Re-teach with another approach and check understanding
Explanation: Assessment evidence should guide responsive instruction.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 228 · TRUE/FALSE

Professional reflection can use learner work and assessment evidence. TRUE FALSE

TRUE
FALSE

Answer: TRUE
Explanation: Evidence can inform improvements.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 229 · MULTIPLE CHOICE

Which approach supports professional development?

A. Avoid feedback
B. Assume experience guarantees improvement
C. Identify a need, practise a strategy and review impact
D. Attend training but never apply it

Answer: C. Identify a need, practise a strategy and review impact
Explanation: Professional learning is stronger when applied and evaluated.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 230 · MULTIPLE CHOICE

What is the purpose of a rubric?

A. Hide expectations
B. Describe criteria and performance levels
C. Replace task instructions
D. Guarantee identical scores

Answer: B. Describe criteria and performance levels
Explanation: Rubrics clarify expectations and assessment criteria.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 231 · MULTIPLE CHOICE

How should a parent concern be handled?

A. Listen respectfully, establish facts and agree on next steps
B. Dismiss the parent immediately
C. Promise an outcome before checking
D. Reveal another learner's record

Answer: A. Listen respectfully, establish facts and agree on next steps
Explanation: Fact-finding and follow-up build trust.
