GIGALEARN · TEACHER PROMOTION PRACTICE

Director II

(D II)

281 distinct practice questions with answers (target 550 · gap 269)

MCQ: 252 · True/False: 29 · Verified: 0 · Review required: all published items

This is an independent GigaLearn practice resource, **not** an official Ghana Education Service examination paper, syllabus, or endorsement. Do not treat answer keys as verified legal or policy authority without checking current GES / Ministry of Education sources.

Rank focus: Strategic planning, governance, policy implementation, institutional performance.

Honesty note: An earlier “550 questions” PDF set for this rank contained only about 84 unique stems with hundreds of exact repeats. This guide publishes **distinct** items only and reports the real shortfall to 550.

Contents & inventory

Metric	Count
Distinct publishable questions	281
Multiple-choice (MCQ)	252
True / False	29
Human-verified	0
Pending review / SOURCE ANSWER — REVIEW REQUIRED	281
Target	550
Gap to target	269

Questions are organised in practice order. Answer keys and short explanations follow each item for study use.

Practice question bank

Question 1 · MULTIPLE CHOICE

When evidence is incomplete or inconsistent, which approach should be preferred?

A. Selecting only evidence that supports a preference
B. Treating one anecdote as conclusive
C. Ignoring missing data
D. Using representative and appropriate data

Answer: D. Using representative and appropriate data
Explanation: "Using representative and appropriate data" is the most appropriate choice for this practice item on Data and research. It aligns with defensible professional judgement in data and research. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 2 · MULTIPLE CHOICE

If a decision must be defensible and fair in the area of data and research, what should be prioritised?

A. Publishing names unnecessarily
B. Protecting participants' privacy and obtaining appropriate consent
C. Collecting identifiable data without safeguards
D. Using data for an undisclosed purpose

Answer: B. Protecting participants' privacy and obtaining appropriate consent
Explanation: "Protecting participants' privacy and obtaining appropriate consent" is the most appropriate choice for this practice item on Data and research. It aligns with defensible professional judgement in data and research. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 3 · MULTIPLE CHOICE

To improve data and research in an education setting, which principle should guide the decision?

A. Presenting estimates as certainties
B. Claiming more than the data support
C. Hiding contradictory findings
D. Reporting limitations and uncertainty honestly

Answer: D. Reporting limitations and uncertainty honestly
Explanation: "Reporting limitations and uncertainty honestly" is the most appropriate choice for this practice item on Data and research. It aligns with defensible professional judgement in data and research. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 4 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: a baseline and measurable indicators for evaluating a programme?

A. Counting activities only
B. A baseline and measurable indicators for evaluating a programme
C. Changing indicators after seeing results
D. A final opinion with no starting point

Answer: B. A baseline and measurable indicators for evaluating a programme
Explanation: "A baseline and measurable indicators for evaluating a programme" is the most appropriate choice for this practice item on Data and research. It aligns with defensible professional judgement in data and research. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 5 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: a research question that is clear, focused and answerable?

A. A question unrelated to the issue
B. A conclusion written before evidence
C. A vague topic with no defined problem
D. A research question that is clear, focused and answerable

Answer: D. A research question that is clear, focused and answerable
Explanation: "A research question that is clear, focused and answerable" is the most appropriate choice for this practice item on Data and research. It aligns with defensible professional judgement in data and research. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 6 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: checking data quality before drawing conclusions?

A. Reporting percentages without denominators
B. Deleting inconvenient observations without reason
C. Assuming every record is correct
D. Checking data quality before drawing conclusions

Answer: D. Checking data quality before drawing conclusions
Explanation: "Checking data quality before drawing conclusions" is the most appropriate choice for this practice item on Data and research. It aligns with defensible professional judgement in data and research. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 7 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: correlation does not by itself establish causation?

A. Correlation does not by itself establish causation
B. Any correlation proves cause
C. A larger sample removes all bias
D. A graph proves causation automatically

Answer: A. Correlation does not by itself establish causation
Explanation: "Correlation does not by itself establish causation" is the most appropriate choice for this practice item on Data and research. It aligns with defensible professional judgement in data and research. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 8 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: protecting participants' privacy and obtaining appropriate consent?

A. Publishing names unnecessarily
B. Protecting participants' privacy and obtaining appropriate consent
C. Using data for an undisclosed purpose
D. Collecting identifiable data without safeguards

Answer: B. Protecting participants' privacy and obtaining appropriate consent
Explanation: "Protecting participants' privacy and obtaining appropriate consent" is the most appropriate choice for this practice item on Data and research. It aligns with defensible professional judgement in data and research. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.

Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 9 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: reporting limitations and uncertainty honestly?

A. Hiding contradictory findings
B. Reporting limitations and uncertainty honestly
C. Presenting estimates as certainties
D. Claiming more than the data support

Answer: B. Reporting limitations and uncertainty honestly
Explanation: "Reporting limitations and uncertainty honestly" is the most appropriate choice for this practice item on Data and research. It aligns with defensible professional judgement in data and research. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 10 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: using both quantitative and qualitative evidence when suitable?

A. Replacing evidence with assumptions
B. Using both quantitative and qualitative evidence when suitable
C. Using only one source regardless of the question
D. Ignoring context

Answer: B. Using both quantitative and qualitative evidence when suitable
Explanation: "Using both quantitative and qualitative evidence when suitable" is the most appropriate choice for this practice item on Data and research. It aligns with defensible professional judgement in data and research. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 11 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: using representative and appropriate data?

A. Ignoring missing data
B. Treating one anecdote as conclusive
C. Using representative and appropriate data
D. Selecting only evidence that supports a preference

Answer: C. Using representative and appropriate data
Explanation: "Using representative and appropriate data" is the most appropriate choice for this practice item on Data and research. It aligns with defensible professional judgement in data and research. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 12 · MULTIPLE CHOICE

To improve educational law and policy in an education setting, which principle should guide the decision?

A. Applying a rule outside its scope
B. Assuming a draft is enacted law
C. Relying on a paraphrase without verification
D. Checking the current official text and scope of a legal instrument

Answer: D. Checking the current official text and scope of a legal instrument
Explanation: "Checking the current official text and scope of a legal instrument" is the most appropriate choice for this practice item on Educational law and policy. It aligns with defensible professional judgement in educational law and

policy. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 13 · MULTIPLE CHOICE

If a decision must be defensible and fair in the area of equity and access, what should be prioritised?

A. Reporting only an overall average
B. Hiding group-level disparities
C. Assuming identical participation means equal outcomes
D. Monitoring whether different groups benefit fairly from a programme

Answer: D. Monitoring whether different groups benefit fairly from a programme
Explanation: "Monitoring whether different groups benefit fairly from a programme" is the most appropriate choice for this practice item on Equity and access. It aligns with defensible professional judgement in equity and access. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 14 · MULTIPLE CHOICE

To improve equity and access in an education setting, which principle should guide the decision?

A. Monitoring whether different groups benefit fairly from a programme
B. Hiding group-level disparities
C. Reporting only an overall average
D. Assuming identical participation means equal outcomes

Answer: A. Monitoring whether different groups benefit fairly from a programme
Explanation: "Monitoring whether different groups benefit fairly from a programme" is the most appropriate choice for this practice item on Equity and access. It aligns with defensible professional judgement in equity and access. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 15 · MULTIPLE CHOICE

When the main objective is overall results may hide group differences, which approach should be preferred?

A. Reporting only an overall average
B. Hiding group-level disparities
C. Monitoring whether different groups benefit fairly from a programme
D. Assuming identical participation means equal outcomes

Answer: C. Monitoring whether different groups benefit fairly from a programme
Explanation: "Monitoring whether different groups benefit fairly from a programme" is the most appropriate choice for this practice item on Equity and access. It aligns with defensible professional judgement in equity and access. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 16 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: directing support toward barriers and unmet needs using evidence?

A. Allocating support by influence
B. Assuming equal inputs always produce equal access
C. Directing support toward barriers and unmet needs using evidence
D. Ignoring rural or disadvantaged learners

Answer: C. Directing support toward barriers and unmet needs using evidence
Explanation: "Directing support toward barriers and unmet needs using evidence" is the most appropriate choice for this practice item on Equity and access. It aligns with defensible professional judgement in equity and access. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify

any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 17 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: monitoring whether different groups benefit fairly from a programme?

A. Monitoring whether different groups benefit fairly from a programme
B. Hiding group-level disparities
C. Assuming identical participation means equal outcomes
D. Reporting only an overall average

Answer: A. Monitoring whether different groups benefit fairly from a programme
Explanation: "Monitoring whether different groups benefit fairly from a programme" is the most appropriate choice for this practice item on Equity and access. It aligns with defensible professional judgement in equity and access. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 18 · MULTIPLE CHOICE

To improve finance and accountability in an education setting, which principle should guide the decision?

A. Conducting an unauthorised public accusation
B. Promptly reporting suspected misuse through authorised channels
C. Ignoring the concern
D. Destroying evidence

Answer: B. Promptly reporting suspected misuse through authorised channels
Explanation: "Promptly reporting suspected misuse through authorised channels" is the most appropriate choice for this practice item on Finance and accountability. It aligns with defensible professional judgement in finance and accountability. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 19 · MULTIPLE CHOICE

If a decision must be defensible and fair in the area of leadership and communication, what should be prioritised?

A. Using a structured meeting agenda, decisions and action log
B. Keeping actions ownerless
C. Meeting without purpose or follow-up
D. Recording opinions but no decisions

Answer: A. Using a structured meeting agenda, decisions and action log
Explanation: "Using a structured meeting agenda, decisions and action log" is the most appropriate choice for this practice item on Leadership and communication. It aligns with defensible professional judgement in leadership and communication. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 20 · MULTIPLE CHOICE

To improve leadership and communication in an education setting, which principle should guide the decision?

A. Using a structured meeting agenda, decisions and action log
B. Recording opinions but no decisions
C. Meeting without purpose or follow-up
D. Keeping actions ownerless

Answer: A. Using a structured meeting agenda, decisions and action log
Explanation: "Using a structured meeting agenda, decisions and action log" is the most appropriate choice for this practice item on Leadership and communication. It aligns with defensible professional judgement in leadership and

communication. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 21 · MULTIPLE CHOICE

When the main objective is staff need to understand a change, which approach should be preferred?

A. Ignoring questions from affected staff
B. Announcing a change without purpose or support
C. Using rumours to gain compliance
D. Communicating the rationale, expected effects and support for a change

Answer: D. Communicating the rationale, expected effects and support for a change
Explanation: "Communicating the rationale, expected effects and support for a change" is the most appropriate choice for this practice item on Leadership and communication. It aligns with defensible professional judgement in leadership and communication. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 22 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: communicating the rationale, expected effects and support for a change?

A. Using rumours to gain compliance
B. Communicating the rationale, expected effects and support for a change
C. Announcing a change without purpose or support
D. Ignoring questions from affected staff

Answer: B. Communicating the rationale, expected effects and support for a change
Explanation: "Communicating the rationale, expected effects and support for a change" is the most appropriate choice for this practice item on Leadership and communication. It aligns with defensible professional judgement in leadership and communication. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 23 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: using a structured meeting agenda, decisions and action log?

A. Keeping actions ownerless
B. Using a structured meeting agenda, decisions and action log
C. Recording opinions but no decisions
D. Meeting without purpose or follow-up

Answer: B. Using a structured meeting agenda, decisions and action log
Explanation: "Using a structured meeting agenda, decisions and action log" is the most appropriate choice for this practice item on Leadership and communication. It aligns with defensible professional judgement in leadership and communication. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 24 · MULTIPLE CHOICE

If a decision must be defensible and fair in the area of leadership and governance, what should be prioritised?

A. Escalating issues through the appropriate reporting line when required
B. Hiding serious risks
C. Bypassing safeguards for convenience
D. Escalating every minor matter without judgement

Answer: A. Escalating issues through the appropriate reporting line when required

Explanation: "Escalating issues through the appropriate reporting line when required" is the most appropriate choice for this practice item on Leadership and governance. It aligns with defensible professional judgement in leadership and governance. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 25 · MULTIPLE CHOICE

To improve leadership and governance in an education setting, which principle should guide the decision?

A. Spending without monitoring outcomes
B. Service delivery that is equitable, efficient and accountable
C. Ignoring underserved groups
D. Prioritising appearance over results

Answer: B. Service delivery that is equitable, efficient and accountable
Explanation: "Service delivery that is equitable, efficient and accountable" is the most appropriate choice for this practice item on Leadership and governance. It aligns with defensible professional judgement in leadership and governance. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 26 · MULTIPLE CHOICE

When the main objective is responsibilities between institutions need clarification, which approach should be preferred?

A. Decisions grounded in current, authoritative policy and law
B. Ignoring the date and scope of a policy
C. Treating social media claims as legislation
D. Relying solely on an old unofficial note

Answer: A. Decisions grounded in current, authoritative policy and law
Explanation: "Decisions grounded in current, authoritative policy and law" is the most appropriate choice for this practice item on Leadership and governance. It aligns with defensible professional judgement in leadership and governance. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 27 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: a clear separation between policy direction and implementation responsibilities?

A. Replacing formal mandates with custom
B. Assuming every agency has identical legal functions
C. A clear separation between policy direction and implementation responsibilities
D. Making authority decisions without checking the law

Answer: C. A clear separation between policy direction and implementation responsibilities
Explanation: "A clear separation between policy direction and implementation responsibilities" is the most appropriate choice for this practice item on Leadership and governance. It aligns with defensible professional judgement in leadership and governance. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 28 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: decisions grounded in current, authoritative policy and law?

A. Ignoring the date and scope of a policy
B. Decisions grounded in current, authoritative policy and law
C. Treating social media claims as legislation
D. Relying solely on an old unofficial note

Answer: B. Decisions grounded in current, authoritative policy and law
Explanation: "Decisions grounded in current, authoritative policy and law" is the most appropriate choice for this practice item on Leadership and governance. It aligns with defensible professional judgement in leadership and governance. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 29 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: escalating issues through the appropriate reporting line when required?

A. Escalating issues through the appropriate reporting line when required
B. Hiding serious risks
C. Escalating every minor matter without judgement
D. Bypassing safeguards for convenience

Answer: A. Escalating issues through the appropriate reporting line when required
Explanation: "Escalating issues through the appropriate reporting line when required" is the most appropriate choice for this practice item on Leadership and governance. It aligns with defensible professional judgement in leadership and governance. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 30 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: service delivery that is equitable, efficient and accountable?

A. Prioritising appearance over results
B. Service delivery that is equitable, efficient and accountable
C. Ignoring underserved groups
D. Spending without monitoring outcomes

Answer: B. Service delivery that is equitable, efficient and accountable
Explanation: "Service delivery that is equitable, efficient and accountable" is the most appropriate choice for this practice item on Leadership and governance. It aligns with defensible professional judgement in leadership and governance. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 31 · MULTIPLE CHOICE

When the main objective is staff norms influence performance, which approach should be preferred?

A. No opportunity to raise concerns
B. Fear as the only basis for compliance
C. Psychological safety with clear standards and accountability
D. Confusing respect with absence of standards

Answer: C. Psychological safety with clear standards and accountability
Explanation: "Psychological safety with clear standards and accountability" is the most appropriate choice for this practice item on Organisational culture. It aligns with defensible professional judgement in organisational culture. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 32 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: psychological safety with clear standards and accountability?

A. Confusing respect with absence of standards
B. Fear as the only basis for compliance
C. No opportunity to raise concerns

D. Psychological safety with clear standards and accountability

Answer: D. Psychological safety with clear standards and accountability

Explanation: "Psychological safety with clear standards and accountability" is the most appropriate choice for this practice item on Organisational culture. It aligns with defensible professional judgement in organisational culture. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 33 · MULTIPLE CHOICE

If a decision must be defensible and fair in the area of planning and evaluation, what should be prioritised?

A. Ignoring intended beneficiaries
B. Counting workshops as proof of impact
C. Measuring only money spent
D. Evaluating outcomes as well as activities

Answer: D. Evaluating outcomes as well as activities

Explanation: "Evaluating outcomes as well as activities" is the most appropriate choice for this practice item on Planning and evaluation. It aligns with defensible professional judgement in planning and evaluation. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 34 · MULTIPLE CHOICE

To improve planning and evaluation in an education setting, which principle should guide the decision?

A. Evaluating outcomes as well as activities
B. Ignoring intended beneficiaries
C. Measuring only money spent
D. Counting workshops as proof of impact

Answer: A. Evaluating outcomes as well as activities

Explanation: "Evaluating outcomes as well as activities" is the most appropriate choice for this practice item on Planning and evaluation. It aligns with defensible professional judgement in planning and evaluation. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 35 · MULTIPLE CHOICE

When the main objective is a programme's progress must be checked, which approach should be preferred?

A. Ignoring intended beneficiaries
B. Measuring only money spent
C. Evaluating outcomes as well as activities
D. Counting workshops as proof of impact

Answer: C. Evaluating outcomes as well as activities

Explanation: "Evaluating outcomes as well as activities" is the most appropriate choice for this practice item on Planning and evaluation. It aligns with defensible professional judgement in planning and evaluation. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 36 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: continuous improvement informed by evidence and reflection?

A. Avoiding feedback
B. Repeating the same approach despite evidence of failure
C. Making changes without checking results
D. Continuous improvement informed by evidence and reflection

Answer: D. Continuous improvement informed by evidence and reflection
Explanation: "Continuous improvement informed by evidence and reflection" is the most appropriate choice for this practice item on Planning and evaluation. It aligns with defensible professional judgement in planning and evaluation. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 37 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: evaluating outcomes as well as activities?

A. Ignoring intended beneficiaries
B. Evaluating outcomes as well as activities
C. Measuring only money spent
D. Counting workshops as proof of impact

Answer: B. Evaluating outcomes as well as activities
Explanation: "Evaluating outcomes as well as activities" is the most appropriate choice for this practice item on Planning and evaluation. It aligns with defensible professional judgement in planning and evaluation. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 38 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: risk assessment with mitigation, ownership and review?

A. Assuming a plan eliminates all uncertainty
B. Listing risks without actions
C. Risk assessment with mitigation, ownership and review
D. Ignoring foreseeable risks

Answer: C. Risk assessment with mitigation, ownership and review
Explanation: "Risk assessment with mitigation, ownership and review" is the most appropriate choice for this practice item on Planning and evaluation. It aligns with defensible professional judgement in planning and evaluation. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 39 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: smart objectives that are specific, measurable, achievable, relevant and time-bound?

A. Targets with no time frame
B. Broad aspirations without measures
C. SMART objectives that are specific, measurable, achievable, relevant and time-bound
D. Objectives unrelated to the mission

Answer: C. SMART objectives that are specific, measurable, achievable, relevant and time-bound
Explanation: "SMART objectives that are specific, measurable, achievable, relevant and time-bound" is the most appropriate choice for this practice item on Planning and evaluation. It aligns with defensible professional judgement in planning and evaluation. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 40 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: confidential handling of personal information?

A. Confidential handling of personal information
B. Sharing records with unauthorised people
C. Keeping no access controls

D. Publishing sensitive details for convenience

Answer: A. Confidential handling of personal information

Explanation: "Confidential handling of personal information" is the most appropriate choice for this practice item on Public administration and ethics. It aligns with defensible professional judgement in public administration and ethics. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 41 · MULTIPLE CHOICE

When the main objective is grant spending must be accounted for, which approach should be preferred?

A. Budgeting aligned with approved priorities and available funds
B. Ignoring expenditure limits
C. Spending first and planning later
D. Allocating funds without objectives

Answer: A. Budgeting aligned with approved priorities and available funds

Explanation: "Budgeting aligned with approved priorities and available funds" is the most appropriate choice for this practice item on Resource management. It aligns with defensible professional judgement in resource management. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 42 · MULTIPLE CHOICE

To improve resource stewardship in an education setting, which principle should guide the decision?

A. Comparing cost, quality, need and sustainability in resource decisions
B. Ignoring lifecycle costs
C. Choosing by personal preference
D. Choosing the cheapest option in every case

Answer: A. Comparing cost, quality, need and sustainability in resource decisions

Explanation: "Comparing cost, quality, need and sustainability in resource decisions" is the most appropriate choice for this practice item on Resource stewardship. It aligns with defensible professional judgement in resource stewardship. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 43 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: comparing cost, quality, need and sustainability in resource decisions?

A. Ignoring lifecycle costs
B. Choosing by personal preference
C. Comparing cost, quality, need and sustainability in resource decisions
D. Choosing the cheapest option in every case

Answer: C. Comparing cost, quality, need and sustainability in resource decisions

Explanation: "Comparing cost, quality, need and sustainability in resource decisions" is the most appropriate choice for this practice item on Resource stewardship. It aligns with defensible professional judgement in resource stewardship. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 44 · MULTIPLE CHOICE

If a decision must be defensible and fair in the area of risk and compliance, what should be prioritised?

A. Proportionate action based on severity, likelihood and applicable rules
B. Treating every risk as identical
C. Ignoring high-impact low-frequency risks
D. Using severity alone without context

Answer: A. Proportionate action based on severity, likelihood and applicable rules
Explanation: "Proportionate action based on severity, likelihood and applicable rules" is the most appropriate choice for this practice item on Risk and compliance. It aligns with defensible professional judgement in risk and compliance. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 45 · MULTIPLE CHOICE

If a decision must be defensible and fair in the area of stakeholder engagement, what should be prioritised?

A. Excluding directly affected groups
B. Inviting everyone to every decision regardless of purpose
C. Mapping stakeholders by role, interest and appropriate involvement
D. Assuming one representative speaks for all

Answer: C. Mapping stakeholders by role, interest and appropriate involvement
Explanation: "Mapping stakeholders by role, interest and appropriate involvement" is the most appropriate choice for this practice item on Stakeholder engagement. It aligns with defensible professional judgement in stakeholder engagement. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 46 · MULTIPLE CHOICE

When the main objective is stakeholders have different interests, which approach should be preferred?

A. Collecting views without responding
B. Closing the feedback loop by communicating decisions and next steps
C. Promising outcomes beyond authority
D. Ignoring recurring concerns

Answer: B. Closing the feedback loop by communicating decisions and next steps
Explanation: "Closing the feedback loop by communicating decisions and next steps" is the most appropriate choice for this practice item on Stakeholder engagement. It aligns with defensible professional judgement in stakeholder engagement. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 47 · MULTIPLE CHOICE

If a decision must be defensible and fair in the area of statistics and reporting, what should be prioritised?

A. Reporting a percentage without explaining its base
B. Reporting the denominator alongside a percentage where useful
C. Changing the denominator to improve appearance
D. Comparing unlike groups without context

Answer: B. Reporting the denominator alongside a percentage where useful
Explanation: "Reporting the denominator alongside a percentage where useful" is the most appropriate choice for this practice item on Statistics and reporting. It aligns with defensible professional judgement in statistics and reporting. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 48 · MULTIPLE CHOICE

To improve leadership and supervision in an education setting, which principle should guide the decision?

A. Supportive instructional supervision focused on improving teaching
B. Inspection based only on rumours
C. Fault-finding without follow-up
D. Punishment as the sole supervisory tool

Answer: A. Supportive instructional supervision focused on improving teaching
Explanation: Supportive instructional supervision focused on improving teaching is the best answer because it supports sound practice in leadership and supervision. The other options describe less appropriate or contrary approaches.

Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 49 · MULTIPLE CHOICE

When the main objective is a report contains a percentage or indicator, which approach should be preferred?

A. Reporting a percentage without explaining its base
B. Comparing unlike groups without context
C. Changing the denominator to improve appearance
D. Reporting the denominator alongside a percentage where useful

Answer: D. Reporting the denominator alongside a percentage where useful
Explanation: Reporting the denominator alongside a percentage where useful is the best answer because it supports sound practice in statistics and reporting. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 50 · MULTIPLE CHOICE

Which option provides the strongest basis for an improvement is planned?

A. Ignoring the concern
B. Promptly reporting suspected misuse through authorised channels
C. Destroying evidence
D. Conducting an unauthorised public accusation

Answer: B. Promptly reporting suspected misuse through authorised channels
Explanation: Promptly reporting suspected misuse through authorised channels is the best answer because it supports sound practice in finance and accountability. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 51 · MULTIPLE CHOICE

When the main objective is learners show different levels of understanding, which approach should be preferred?

A. Active learning
B. Passive copying throughout the lesson
C. Teacher talk without learner response
D. Assessment without instruction

Answer: A. Active learning
Explanation: Active learning is the best answer because it supports sound practice in teaching and learning. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 3
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 52 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: using accessible materials and flexible ways to demonstrate learning?

A. Using accessible materials and flexible ways to demonstrate learning
B. Removing all learning objectives
C. Requiring one response format for every learner
D. Assessing only speed

Answer: A. Using accessible materials and flexible ways to demonstrate learning
Explanation: Using accessible materials and flexible ways to demonstrate learning is the best answer because it supports sound practice in inclusive education. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 53 · MULTIPLE CHOICE

To improve teaching and learning in an education setting, which principle should guide the decision?

A. Inclusive participation and reasonable support
B. Lowering every learner's expectations

C. Identical support regardless of need
D. Excluding learners with disabilities

Answer: A. Inclusive participation and reasonable support
Explanation: Inclusive participation and reasonable support is the best answer because it supports sound practice in teaching and learning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 54 · MULTIPLE CHOICE

When the main objective is progress toward targets is uneven, which approach should be preferred?

A. Listing actions without responsibility
B. Using only broad intentions
C. Assigning each action an owner, timeline and success indicator
D. Reviewing progress without records

Answer: C. Assigning each action an owner, timeline and success indicator
Explanation: Assigning each action an owner, timeline and success indicator is the best answer because it supports sound practice in school improvement. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 55 · MULTIPLE CHOICE

To improve educational assessment in an education setting, which principle should guide the decision?

A. Certification assessment
B. Diagnostic assessment
C. School inspection
D. Summative assessment

Answer: B. Diagnostic assessment
Explanation: Diagnostic assessment is the best answer because it supports sound practice in educational assessment. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 6
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 56 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: a scheme of learning that sequences content over time?

A. A record of staff attendance
B. A scheme of learning that sequences content over time
C. A school inventory
D. A list of punishments

Answer: B. A scheme of learning that sequences content over time
Explanation: A scheme of learning that sequences content over time is the best answer because it supports sound practice in curriculum. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 57 · MULTIPLE CHOICE

When the main objective is online information may be unreliable, which approach should be preferred?

A. Trusting a post because it is popular
B. Treating an image as proof without context
C. Verifying the source, date and context of online information
D. Forwarding an unverified claim

Answer: C. Verifying the source, date and context of online information
Explanation: Verifying the source, date and context of online information is the best answer because it supports sound practice in digital and information literacy. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 58 · MULTIPLE CHOICE

When the main objective is staff need clear guidance and follow-up, which approach should be preferred?

A. A plan without baseline data or indicators
B. A report written only after failure
C. A school improvement plan with measurable targets
D. A list of wishes with no owners

Answer: C. A school improvement plan with measurable targets
Explanation: A school improvement plan with measurable targets is the best answer because it supports sound practice in leadership and supervision. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 59 · MULTIPLE CHOICE

When the main objective is performance indicators are reviewed, which approach should be preferred?

A. Ignoring unintended consequences
B. A balanced set of indicators covering access, process and learning outcomes
C. Counting inputs only
D. One metric used to represent all quality

Answer: B. A balanced set of indicators covering access, process and learning outcomes
Explanation: A balanced set of indicators covering access, process and learning outcomes is the best answer because it supports sound practice in quality assurance. The other options describe less appropriate or contrary approaches.
GigaLearn • Independent practice resource Page 8
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 60 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: a safe classroom climate that supports participation?

A. Humiliation as a teaching strategy
B. Threats as the only management method
C. Ignoring learner wellbeing
D. A safe classroom climate that supports participation

Answer: D. A safe classroom climate that supports participation
Explanation: A safe classroom climate that supports participation is the best answer because it supports sound practice in learning and motivation. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 61 · MULTIPLE CHOICE

To improve digital and information literacy in an education setting, which principle should guide the decision?

A. Verifying the source, date and context of online information
B. Forwarding an unverified claim
C. Trusting a post because it is popular
D. Treating an image as proof without context

Answer: A. Verifying the source, date and context of online information
Explanation: Verifying the source, date and context of online information is the best answer because it supports sound practice in digital and information literacy. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 10
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 62 · MULTIPLE CHOICE

To improve curriculum in an education setting, which principle should guide the decision?

A. A plan that ignores time and resources
B. Lesson planning based on intended outcomes and learner needs
C. A lesson plan copied without adaptation
D. Activities selected without objectives

Answer: B. Lesson planning based on intended outcomes and learner needs
Explanation: Lesson planning based on intended outcomes and learner needs is the best answer because it supports sound practice in curriculum. The other options describe less appropriate or contrary approaches.

Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 63 · MULTIPLE CHOICE

When the main objective is a suspected examination irregularity occurs, which approach should be preferred?

A. Changing rules secretly for selected candidates
B. Using secure procedures, fair conditions and documented incident handling
C. Allowing unauthorised access
D. Failing to document irregularities

Answer: B. Using secure procedures, fair conditions and documented incident handling
Explanation: Using secure procedures, fair conditions and documented incident handling is the best answer because it supports sound practice in examination integrity. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 64 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: closing the feedback loop by communicating decisions and next steps?

A. Closing the feedback loop by communicating decisions and next steps
B. Ignoring recurring concerns
C. Collecting views without responding
D. Promising outcomes beyond authority

Answer: A. Closing the feedback loop by communicating decisions and next steps
Explanation: Closing the feedback loop by communicating decisions and next steps is the best answer because it supports sound practice in stakeholder engagement. The other options describe less appropriate or contrary approaches.
GigaLearn • Independent practice resource Page 11
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 65 · MULTIPLE CHOICE

When the main objective is records or decisions require scrutiny, which approach should be preferred?

A. Choosing only by personal connection
B. A documented procurement process with value-for-money checks
C. Selecting a supplier without records
D. Splitting purchases to avoid controls

Answer: B. A documented procurement process with value-for-money checks
Explanation: A documented procurement process with value-for-money checks is the best answer because it supports sound practice in public administration and ethics. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 66 · MULTIPLE CHOICE

When the main objective is staff performance or conduct needs attention, which approach should be preferred?

A. Punishment without hearing the employee
B. Informal public shaming
C. Fair, documented and timely disciplinary procedures
D. Applying rules selectively

Answer: C. Fair, documented and timely disciplinary procedures
Explanation: Fair, documented and timely disciplinary procedures is the best answer because it supports sound practice in human resource management. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 67 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: norm-referenced assessment?

A. Portfolio assessment
B. Diagnostic assessment
C. Criterion-referenced assessment
D. Norm-referenced assessment

Answer: D. Norm-referenced assessment
Explanation: Norm-referenced assessment is the best answer because it supports sound practice in educational assessment. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 68 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: assigning each action an owner, timeline and success indicator?

A. Reviewing progress without records
B. Listing actions without responsibility
C. Using only broad intentions
D. Assigning each action an owner, timeline and success indicator

Answer: D. Assigning each action an owner, timeline and success indicator
Explanation: Assigning each action an owner, timeline and success indicator is the best answer because it supports sound practice in school improvement. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 69 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: consistent integrity, impartiality and service orientation?

A. Secrecy as the default for all decisions
B. Avoiding oversight
C. Consistent integrity, impartiality and service orientation
D. Personal loyalty above public duty

Answer: C. Consistent integrity, impartiality and service orientation
Explanation: Consistent integrity, impartiality and service orientation is the best answer because it supports sound practice in ethical leadership. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 70 · MULTIPLE CHOICE

To improve numerical reasoning in an education setting, which principle should guide the decision?

A. The mode is the most frequently occurring value
B. The total range
C. The middle ordered value
D. The arithmetic average

Answer: A. The mode is the most frequently occurring value
Explanation: The mode is the most frequently occurring value is the best answer because it supports sound practice in numerical reasoning. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 15
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 71 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: strong unique passwords and multi-factor authentication where available?

A. Reusing one simple password everywhere
B. Sharing credentials with colleagues
C. Storing passwords in public documents
D. Strong unique passwords and multi-factor authentication where available

Answer: D. Strong unique passwords and multi-factor authentication where available

Explanation: Strong unique passwords and multi-factor authentication where available is the best answer because it supports sound practice in digital and information literacy. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 72 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: a balanced set of indicators covering access, process and learning outcomes?

A. One metric used to represent all quality
B. Ignoring unintended consequences
C. A balanced set of indicators covering access, process and learning outcomes
D. Counting inputs only

Answer: C. A balanced set of indicators covering access, process and learning outcomes
Explanation: A balanced set of indicators covering access, process and learning outcomes is the best answer because it supports sound practice in quality assurance. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 73 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: adapting communication to audience and purpose?

A. Using one format for every situation
B. Omitting essential context
C. Adapting communication to audience and purpose
D. Avoiding accessible language

Answer: C. Adapting communication to audience and purpose
Explanation: Adapting communication to audience and purpose is the best answer because it supports sound practice in communication. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 17
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 74 · MULTIPLE CHOICE

To improve public service leadership in an education setting, which principle should guide the decision?

A. Serving the public interest within lawful authority
B. Personal gain as the primary purpose
C. Favouritism as a management principle
D. Avoiding accountability

Answer: A. Serving the public interest within lawful authority
Explanation: Serving the public interest within lawful authority is the best answer because it supports sound practice in public service leadership. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 75 · MULTIPLE CHOICE

When the main objective is evidence is incomplete or inconsistent, which approach should be preferred?

A. Counting activities only
B. A final opinion with no starting point
C. A baseline and measurable indicators for evaluating a programme
D. Changing indicators after seeing results

Answer: C. A baseline and measurable indicators for evaluating a programme
Explanation: A baseline and measurable indicators for evaluating a programme is the best answer because it supports sound practice in data and research. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 76 · MULTIPLE CHOICE

To improve stakeholder engagement in an education setting, which principle should guide the decision?

A. Collecting views without responding
B. Closing the feedback loop by communicating decisions and next steps
C. Ignoring recurring concerns
D. Promising outcomes beyond authority

Answer: B. Closing the feedback loop by communicating decisions and next steps
Explanation: Closing the feedback loop by communicating decisions and next steps is the best answer because it supports sound practice in stakeholder engagement. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 77 · MULTIPLE CHOICE

When the main objective is digital access and privacy are concerns, which approach should be preferred?

A. Ignoring age and context
B. Checking digital content for accuracy, bias and suitability
C. Assuming generated content is always correct
D. Publishing without review

Answer: B. Checking digital content for accuracy, bias and suitability
Explanation: Checking digital content for accuracy, bias and suitability is the best answer because it supports sound practice in educational technology. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 78 · MULTIPLE CHOICE

When the main objective is evidence does not support an initial assumption, which approach should be preferred?

A. Ignoring contradictory evidence
B. Replacing evidence with rank or seniority
C. Using data without checking its meaning
D. Combining data with professional judgement and local context

Answer: D. Combining data with professional judgement and local context
Explanation: Combining data with professional judgement and local context is the best answer because it supports sound practice in evidence-based leadership. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 21
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 79 · MULTIPLE CHOICE

To improve professional practice in an education setting, which principle should guide the decision?

A. Maintaining professional boundaries and respectful conduct
B. Favouritism in professional decisions
C. Using authority for personal advantage
D. Sharing inappropriate personal content with learners

Answer: A. Maintaining professional boundaries and respectful conduct
Explanation: Maintaining professional boundaries and respectful conduct is the best answer because it supports sound practice in professional practice. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 80 · MULTIPLE CHOICE

When the main objective is a test score is being interpreted, which approach should be preferred?

A. Reliability
B. Popularity
C. Validity
D. Convenience

Answer: C. Validity
Explanation: Validity is the best answer because it supports sound practice in educational assessment. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 22
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 81 · MULTIPLE CHOICE

To improve human resource management in an education setting, which principle should guide the decision?

A. Applying rules selectively
B. Informal public shaming
C. Fair, documented and timely disciplinary procedures
D. Punishment without hearing the employee

Answer: C. Fair, documented and timely disciplinary procedures
Explanation: Fair, documented and timely disciplinary procedures is the best answer because it supports sound practice in human resource management. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 82 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: differentiated instruction?

A. Teaching only the fastest learners
B. Differentiated instruction
C. Excluding learners who struggle
D. One identical task regardless of need

Answer: B. Differentiated instruction
Explanation: Differentiated instruction is the best answer because it supports sound practice in teaching and learning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 83 · MULTIPLE CHOICE

To improve communication in an education setting, which principle should guide the decision?

A. Using one format for every situation
B. Avoiding accessible language
C. Omitting essential context
D. Adapting communication to audience and purpose

Answer: D. Adapting communication to audience and purpose
Explanation: Adapting communication to audience and purpose is the best answer because it supports sound practice in communication. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 84 · MULTIPLE CHOICE

To improve examination integrity in an education setting, which principle should guide the decision?

A. Promising to conceal misconduct
B. Sharing confidential papers informally
C. Protecting assessment materials and reporting suspected leakage
D. Ignoring suspicious access

Answer: C. Protecting assessment materials and reporting suspected leakage
Explanation: Protecting assessment materials and reporting suspected leakage is the best answer because it supports sound practice in examination integrity. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 85 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: learner-centred teaching?

A. Punishment-led instruction
B. Learner-centred teaching
C. Teacher monologue for every lesson
D. Memorisation without understanding

Answer: B. Learner-centred teaching
Explanation: Learner-centred teaching is the best answer because it supports sound practice in teaching and learning. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 25

Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 86 · MULTIPLE CHOICE

When the main objective is a decision affects service delivery, which approach should be preferred?

A. Decisions based only on emotion
B. Changing records to justify a decision
C. Disproportionate action without explanation
D. Proportionate decisions supported by evidence and documented reasons

Answer: D. Proportionate decisions supported by evidence and documented reasons
Explanation: Proportionate decisions supported by evidence and documented reasons is the best answer because it supports sound practice in public service leadership. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 87 · MULTIPLE CHOICE

To improve school improvement in an education setting, which principle should guide the decision?

A. Ignoring implementation capacity
B. Prioritising actions based on evidence, impact and feasibility
C. Choosing actions only because they are fashionable
D. Launching every initiative at once

Answer: B. Prioritising actions based on evidence, impact and feasibility
Explanation: Prioritising actions based on evidence, impact and feasibility is the best answer because it supports sound practice in school improvement. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 88 · MULTIPLE CHOICE

To improve professional accountability in an education setting, which principle should guide the decision?

A. Concealing a known error
B. Changing the record without explanation
C. Blaming others without investigation
D. Owning decisions, correcting errors and documenting improvements

Answer: D. Owning decisions, correcting errors and documenting improvements
Explanation: Owning decisions, correcting errors and documenting improvements is the best answer because it supports sound practice in professional accountability. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 89 · MULTIPLE CHOICE

When the main objective is an issue exceeds delegated authority, which approach should be preferred?

A. Consistent integrity, impartiality and service orientation
B. Avoiding oversight
C. Secrecy as the default for all decisions
D. Personal loyalty above public duty

Answer: A. Consistent integrity, impartiality and service orientation
Explanation: Consistent integrity, impartiality and service orientation is the best answer because it supports sound practice in ethical leadership. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 90 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: applying the same transparent criteria while considering lawful accommodations?

A. Ignoring relevant evidence
B. Secretly changing standards for favoured people
C. Using personal dislike as a criterion

D. Applying the same transparent criteria while considering lawful accommodations

Answer: D. Applying the same transparent criteria while considering lawful accommodations
Explanation: Applying the same transparent criteria while considering lawful accommodations is the best answer because it supports sound practice in ethics and fairness. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 91 · MULTIPLE CHOICE

When the main objective is training effectiveness is being reviewed, which approach should be preferred?

A. Keeping all successful methods private
B. Sharing effective practice through structured peer learning
C. Assuming every method transfers unchanged
D. Avoiding feedback from colleagues

Answer: B. Sharing effective practice through structured peer learning
Explanation: Sharing effective practice through structured peer learning is the best answer because it supports sound practice in professional learning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 92 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: proportionate decisions supported by evidence and documented reasons?

A. Decisions based only on emotion
B. Proportionate decisions supported by evidence and documented reasons
C. Disproportionate action without explanation
D. Changing records to justify a decision

Answer: B. Proportionate decisions supported by evidence and documented reasons
Explanation: Proportionate decisions supported by evidence and documented reasons is the best answer because it supports sound practice in public service leadership. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 93 · MULTIPLE CHOICE

To improve public administration and ethics in an education setting, which principle should guide the decision?

A. Different rules for preferred staff
B. Favouritism based on personal ties
C. Excluding people without a lawful reason
D. Fair, consistent and non-discriminatory treatment

Answer: D. Fair, consistent and non-discriminatory treatment
Explanation: Fair, consistent and non-discriminatory treatment is the best answer because it supports sound practice in public administration and ethics. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 94 · MULTIPLE CHOICE

When the main objective is a financial irregularity is suspected, which approach should be preferred?

A. Conducting an unauthorised public accusation
B. Promptly reporting suspected misuse through authorised channels
C. Ignoring the concern
D. Destroying evidence

Answer: B. Promptly reporting suspected misuse through authorised channels
Explanation: Promptly reporting suspected misuse through authorised channels is the best answer because it supports sound practice in finance and accountability. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 95 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: formative assessment?

A. Administrative inspection
B. Summative assessment
C. Formative assessment
D. Norm-referenced ranking

Answer: C. Formative assessment

Explanation: Formative assessment is the best answer because it supports sound practice in educational assessment. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 96 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: curriculum implementation informed by learner evidence?

A. Following a plan despite clear failure
B. Curriculum implementation informed by learner evidence
C. Replacing the curriculum with personal preference
D. Ignoring learning evidence

Answer: B. Curriculum implementation informed by learner evidence

Explanation: Curriculum implementation informed by learner evidence is the best answer because it supports sound practice in curriculum. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 33
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 97 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: following lawful procedures and documented authority?

A. Following lawful procedures and documented authority
B. Ignoring applicable rules
C. Acting on personal preference alone
D. Using an informal order to bypass controls

Answer: A. Following lawful procedures and documented authority

Explanation: Following lawful procedures and documented authority is the best answer because it supports sound practice in public administration and ethics. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 98 · MULTIPLE CHOICE

When the main objective is a learner faces a participation barrier, which approach should be preferred?

A. Ignoring learner voice
B. Separating learners automatically
C. Assuming support lowers expectations
D. Removing barriers to participation while maintaining meaningful learning goals

Answer: D. Removing barriers to participation while maintaining meaningful learning goals

Explanation: Removing barriers to participation while maintaining meaningful learning goals is the best answer because it supports sound practice in inclusive education. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 34
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 99 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: active learning?

A. Assessment without instruction
B. Teacher talk without learner response
C. Active learning
D. Passive copying throughout the lesson

Answer: C. Active learning

Explanation: Active learning is the best answer because it supports sound practice in teaching and learning. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 36
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 100 · MULTIPLE CHOICE

When the main objective is a percentage or summary statistic is reported, which approach should be preferred?

A. The median is the middle ordered value
B. The maximum value
C. The sum divided by the count
D. The most frequent value only

Answer: A. The median is the middle ordered value
Explanation: The median is the middle ordered value is the best answer because it supports sound practice in numerical reasoning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 101 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: serving the public interest within lawful authority?

A. Serving the public interest within lawful authority
B. Personal gain as the primary purpose
C. Favouritism as a management principle
D. Avoiding accountability

Answer: A. Serving the public interest within lawful authority
Explanation: Serving the public interest within lawful authority is the best answer because it supports sound practice in public service leadership. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 38
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 102 · MULTIPLE CHOICE

To improve quality assurance in an education setting, which principle should guide the decision?

A. No evidence trail
B. Self-approval without safeguards in every case
C. Changing criteria after results
D. Independent review or verification where appropriate

Answer: D. Independent review or verification where appropriate
Explanation: Independent review or verification where appropriate is the best answer because it supports sound practice in quality assurance. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 103 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: transparent recording and reconciliation of school grants?

A. Concealing expenditure
B. Keeping incomplete informal records
C. Using grant funds for unrelated private purposes
D. Transparent recording and reconciliation of school grants

Answer: D. Transparent recording and reconciliation of school grants
Explanation: Transparent recording and reconciliation of school grants is the best answer because it supports sound practice in resource management. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 104 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: reviewing curriculum impact using evidence?

A. Avoiding evaluation
B. Measuring success only by textbook quantity
C. Reviewing curriculum impact using evidence
D. Changing content because of one rumour

Answer: C. Reviewing curriculum impact using evidence
Explanation: Reviewing curriculum impact using evidence is the best answer because it supports sound practice in curriculum. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 105 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: specific evidence-based feedback with agreed next steps?

A. Public humiliation
B. Specific evidence-based feedback with agreed next steps
C. Personal criticism without evidence
D. Feedback unrelated to teaching

Answer: B. Specific evidence-based feedback with agreed next steps
Explanation: Specific evidence-based feedback with agreed next steps is the best answer because it supports sound practice in leadership and supervision. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 106 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: preventive maintenance and an asset register?

A. No inventory or responsibility
B. Preventive maintenance and an asset register
C. Disposing of assets without records
D. Waiting for every asset to fail

Answer: B. Preventive maintenance and an asset register
Explanation: Preventive maintenance and an asset register is the best answer because it supports sound practice in resource management. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 107 · MULTIPLE CHOICE

When the main objective is an error or poor result is identified, which approach should be preferred?

A. Changing definitions to claim success
B. Inflating performance figures
C. Omitting inconvenient results
D. Reporting accurate information even when results are disappointing

Answer: D. Reporting accurate information even when results are disappointing
Explanation: Reporting accurate information even when results are disappointing is the best answer because it supports sound practice in professional accountability. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 108 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: defining the problem before comparing options?

A. Defining the problem before comparing options
B. Choosing a solution before understanding the problem
C. Ignoring affected stakeholders
D. Treating assumptions as established facts

Answer: A. Defining the problem before comparing options
Explanation: Defining the problem before comparing options is the best answer because it supports sound practice in decision-making. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 42
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 109 · MULTIPLE CHOICE

When the main objective is professional conduct or learning needs attention, which approach should be preferred?

A. Reflective practice linked to evidence and action
B. Avoiding professional learning
C. Reflection as blame without improvement
D. Assuming experience alone guarantees effectiveness

Answer: A. Reflective practice linked to evidence and action
Explanation: Reflective practice linked to evidence and action is the best answer because it supports sound practice in professional practice. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 110 · MULTIPLE CHOICE

To improve ethics and fairness in an education setting, which principle should guide the decision?

A. Recording decisions and reasons so they can be reviewed
B. Relying on undocumented verbal decisions for everything
C. Deleting records to avoid scrutiny
D. Keeping no evidence of approval

Answer: A. Recording decisions and reasons so they can be reviewed
Explanation: Recording decisions and reasons so they can be reviewed is the best answer because it supports sound practice in ethics and fairness. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 111 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: verifying the source, date and context of online information?

A. Treating an image as proof without context
B. Verifying the source, date and context of online information
C. Forwarding an unverified claim
D. Trusting a post because it is popular

Answer: B. Verifying the source, date and context of online information
Explanation: Verifying the source, date and context of online information is the best answer because it supports sound practice in digital and information literacy. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 43
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 112 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: summative assessment?

A. Summative assessment
B. Formative feedback
C. Informal observation only
D. Diagnostic screening only

Answer: A. Summative assessment
Explanation: Summative assessment is the best answer because it supports sound practice in educational assessment. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 113 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: supportive instructional supervision focused on improving teaching?

A. Fault-finding without follow-up
B. Supportive instructional supervision focused on improving teaching
C. Inspection based only on rumours
D. Punishment as the sole supervisory tool

Answer: B. Supportive instructional supervision focused on improving teaching
Explanation: Supportive instructional supervision focused on improving teaching is the best answer because it supports sound practice in leadership and supervision. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 114 · MULTIPLE CHOICE

To improve school-community relations in an education setting, which principle should guide the decision?

A. Consultation after every decision is final
B. Sharing confidential learner details publicly
C. Allowing one stakeholder to dictate all policy
D. Meaningful engagement with parents and community stakeholders

Answer: D. Meaningful engagement with parents and community stakeholders
Explanation: Meaningful engagement with parents and community stakeholders is the best answer because it supports sound practice in school-community relations. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 115 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: distinguishing an indicator from the outcome it is intended to represent?

A. Changing definitions between reporting periods
B. Assuming one indicator captures every dimension
C. Ignoring data quality
D. Distinguishing an indicator from the outcome it is intended to represent

Answer: D. Distinguishing an indicator from the outcome it is intended to represent
Explanation: Distinguishing an indicator from the outcome it is intended to represent is the best answer because it supports sound practice in statistics and reporting. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 116 · MULTIPLE CHOICE

When the main objective is lesson activities do not match the objectives, which approach should be preferred?

A. Changing content because of one rumour
B. Reviewing curriculum impact using evidence
C. Avoiding evaluation
D. Measuring success only by textbook quantity

Answer: B. Reviewing curriculum impact using evidence
Explanation: Reviewing curriculum impact using evidence is the best answer because it supports sound practice in curriculum. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 117 · MULTIPLE CHOICE

To improve inclusive education in an education setting, which principle should guide the decision?

A. Separating learners automatically
B. Removing barriers to participation while maintaining meaningful learning goals
C. Ignoring learner voice
D. Assuming support lowers expectations

Answer: B. Removing barriers to participation while maintaining meaningful learning goals

Explanation: Removing barriers to participation while maintaining meaningful learning goals is the best answer because it supports sound practice in inclusive education. The other options describe less appropriate or contrary approaches.
GigaLearn • Independent practice resource Page 45
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 118 · MULTIPLE CHOICE

When the main objective is the status of a policy or law is uncertain, which approach should be preferred?

A. Ignoring the issuing authority
B. Assuming a policy overrides every law
C. Treating all documents as legally identical
D. Distinguishing a policy, a regulation and an Act of Parliament

Answer: D. Distinguishing a policy, a regulation and an Act of Parliament
Explanation: Distinguishing a policy, a regulation and an Act of Parliament is the best answer because it supports sound practice in educational law and policy. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 119 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: meaningful engagement with parents and community stakeholders?

A. Meaningful engagement with parents and community stakeholders
B. Sharing confidential learner details publicly
C. Allowing one stakeholder to dictate all policy
D. Consultation after every decision is final

Answer: A. Meaningful engagement with parents and community stakeholders
Explanation: Meaningful engagement with parents and community stakeholders is the best answer because it supports sound practice in school-community relations. The other options describe less appropriate or contrary approaches.
GigaLearn • Independent practice resource Page 46
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 120 · MULTIPLE CHOICE

When the main objective is a risk requires controls and ownership, which approach should be preferred?

A. Using severity alone without context
B. Ignoring high-impact low-frequency risks
C. Treating every risk as identical
D. Proportionate action based on severity, likelihood and applicable rules

Answer: D. Proportionate action based on severity, likelihood and applicable rules
Explanation: Proportionate action based on severity, likelihood and applicable rules is the best answer because it supports sound practice in risk and compliance. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 121 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: coaching that builds professional capacity?

A. Threatening staff instead of supporting them
B. Coaching that builds professional capacity
C. Doing all work for the teacher
D. Withholding useful feedback

Answer: B. Coaching that builds professional capacity
Explanation: Coaching that builds professional capacity is the best answer because it supports sound practice in leadership and supervision. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 122 · MULTIPLE CHOICE

When the main objective is a complaint or report needs a response, which approach should be preferred?

A. A long report without a decision point
B. Unverified claims without sources
C. A concise report supported by evidence and recommendations
D. A report that hides the main finding

Answer: C. A concise report supported by evidence and recommendations
Explanation: A concise report supported by evidence and recommendations is the best answer because it supports sound practice in communication. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 123 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: separating authorisation, payment and reconciliation where practicable?

A. No supporting documents
B. One person controlling every step without review
C. Separating authorisation, payment and reconciliation where practicable
D. Reconciling only when problems arise

Answer: C. Separating authorisation, payment and reconciliation where practicable
Explanation: Separating authorisation, payment and reconciliation where practicable is the best answer because it supports sound practice in finance and accountability. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 124 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: promptly reporting suspected misuse through authorised channels?

A. Ignoring the concern
B. Promptly reporting suspected misuse through authorised channels
C. Conducting an unauthorised public accusation
D. Destroying evidence

Answer: B. Promptly reporting suspected misuse through authorised channels
Explanation: Promptly reporting suspected misuse through authorised channels is the best answer because it supports sound practice in finance and accountability. The other options describe less appropriate or contrary approaches.

Question 125 · MULTIPLE CHOICE

To improve risk and compliance in an education setting, which principle should guide the decision?

A. A risk register with no owners
B. Informal memory as the only control
C. Documenting controls, responsible persons and review dates
D. Assuming policies enforce themselves

Answer: C. Documenting controls, responsible persons and review dates
Explanation: Documenting controls, responsible persons and review dates is the best answer because it supports sound practice in risk and compliance. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 49
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 126 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: delegation with clear authority and accountability?

A. Delegation with clear authority and accountability
B. Keeping every decision with one person
C. Assigning work without authority
D. Transferring responsibility without support

Answer: A. Delegation with clear authority and accountability
Explanation: Delegation with clear authority and accountability is the best answer because it supports sound practice in leadership and supervision. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 50
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 127 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: change management with communication, participation and review?

A. Change management with communication, participation and review
B. Imposing change without explanation
C. Launching change without resources
D. Assuming resistance proves misconduct

Answer: A. Change management with communication, participation and review
Explanation: Change management with communication, participation and review is the best answer because it supports sound practice in leadership and supervision. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 128 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: reliability?

A. Fairness alone
B. Validity
C. Reliability
D. Speed of marking

Answer: C. Reliability
Explanation: Reliability is the best answer because it supports sound practice in educational assessment. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 129 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: distinguishing a policy, a regulation and an act of parliament?

A. Distinguishing a policy, a regulation and an Act of Parliament
B. Ignoring the issuing authority
C. Treating all documents as legally identical
D. Assuming a policy overrides every law

Answer: A. Distinguishing a policy, a regulation and an Act of Parliament
Explanation: Distinguishing a policy, a regulation and an Act of Parliament is the best answer because it supports sound practice in educational law and policy. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 130 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: the median is the middle ordered value?

A. The sum divided by the count
B. The maximum value
C. The median is the middle ordered value
D. The most frequent value only

Answer: C. The median is the middle ordered value
Explanation: The median is the middle ordered value is the best answer because it supports sound practice in numerical reasoning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 131 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: documenting controls, responsible persons and review dates?

A. Documenting controls, responsible persons and review dates
B. Informal memory as the only control
C. A risk register with no owners
D. Assuming policies enforce themselves

Answer: A. Documenting controls, responsible persons and review dates
Explanation: Documenting controls, responsible persons and review dates is the best answer because it supports sound practice in risk and compliance. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 132 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: proportionate action based on severity, likelihood and applicable rules?

A. Treating every risk as identical
B. Ignoring high-impact low-frequency risks
C. Using severity alone without context
D. Proportionate action based on severity, likelihood and applicable rules

Answer: D. Proportionate action based on severity, likelihood and applicable rules
Explanation: Proportionate action based on severity, likelihood and applicable rules is the best answer because it supports sound practice in risk and compliance. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 133 · MULTIPLE CHOICE

To improve organisational culture in an education setting, which principle should guide the decision?

A. Psychological safety with clear standards and accountability
B. Confusing respect with absence of standards
C. No opportunity to raise concerns
D. Fear as the only basis for compliance

Answer: A. Psychological safety with clear standards and accountability
Explanation: Psychological safety with clear standards and accountability is the best answer because it supports sound practice in organisational culture. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 134 · MULTIPLE CHOICE

When the main objective is learners need constructive guidance, which approach should be preferred?

A. Feedback unrelated to the task
B. Public comparison as the main motivator
C. Specific feedback describing what the learner did well and what to improve
D. Labels about a learner's fixed ability

Answer: C. Specific feedback describing what the learner did well and what to improve
Explanation: Specific feedback describing what the learner did well and what to improve is the best answer because it supports sound practice in learning and motivation. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 135 · MULTIPLE CHOICE

When the main objective is deadlines and competing tasks arise, which approach should be preferred?

A. Treating every task as equally urgent
B. Prioritising urgent and important work while respecting deadlines
C. Ignoring statutory deadlines
D. Working without a schedule or review

Answer: B. Prioritising urgent and important work while respecting deadlines

Explanation: Prioritising urgent and important work while respecting deadlines is the best answer because it supports sound practice in work planning. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 56
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 136 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: inclusive participation and reasonable support?

A. Excluding learners with disabilities
B. Inclusive participation and reasonable support
C. Identical support regardless of need
D. Lowering every learner's expectations

Answer: B. Inclusive participation and reasonable support
Explanation: Inclusive participation and reasonable support is the best answer because it supports sound practice in teaching and learning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 137 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: monitoring progress against agreed indicators?

A. Waiting until the plan ends
B. Counting meetings as the only measure
C. Monitoring progress against agreed indicators
D. Ignoring deviations from targets

Answer: C. Monitoring progress against agreed indicators
Explanation: Monitoring progress against agreed indicators is the best answer because it supports sound practice in leadership and supervision. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 138 · MULTIPLE CHOICE

To improve learner wellbeing in an education setting, which principle should guide the decision?

A. Sharing identifying details casually
B. Investigating alone beyond one's role
C. Ignoring warning signs
D. Following safeguarding procedures and acting promptly on credible concerns

Answer: D. Following safeguarding procedures and acting promptly on credible concerns
Explanation: Following safeguarding procedures and acting promptly on credible concerns is the best answer because it supports sound practice in learner wellbeing. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 139 · MULTIPLE CHOICE

To improve work planning in an education setting, which principle should guide the decision?

A. Ignoring statutory deadlines
B. Working without a schedule or review
C. Prioritising urgent and important work while respecting deadlines
D. Treating every task as equally urgent

Answer: C. Prioritising urgent and important work while respecting deadlines
Explanation: Prioritising urgent and important work while respecting deadlines is the best answer because it supports sound practice in work planning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 140 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: participatory decision-making where appropriate?

A. Avoiding responsibility for decisions
B. Participatory decision-making where appropriate
C. Making decisions from unverified claims
D. Excluding all relevant stakeholders

Answer: B. Participatory decision-making where appropriate
Explanation: Participatory decision-making where appropriate is the best answer because it supports sound practice in leadership and supervision. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 60

Question 141 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: owning decisions, correcting errors and documenting improvements?

A. Blaming others without investigation
B. Concealing a known error
C. Owning decisions, correcting errors and documenting improvements
D. Changing the record without explanation

Answer: C. Owning decisions, correcting errors and documenting improvements
Explanation: Owning decisions, correcting errors and documenting improvements is the best answer because it supports sound practice in professional accountability. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 142 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: using public resources for authorised educational purposes?

A. Personal use without approval
B. No records of allocation
C. Ignoring waste and maintenance
D. Using public resources for authorised educational purposes

Answer: D. Using public resources for authorised educational purposes
Explanation: Using public resources for authorised educational purposes is the best answer because it supports sound practice in resource stewardship. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 143 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: universal design for learning with multiple means of engagement, representation and action?

A. One delivery method for every learner
B. Removing all assessment choices
C. Teaching only through printed text
D. Universal Design for Learning with multiple means of engagement, representation and action

Answer: D. Universal Design for Learning with multiple means of engagement, representation and action
Explanation: Universal Design for Learning with multiple means of engagement, representation and action is the best answer because it supports sound practice in teaching and learning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 144 · MULTIPLE CHOICE

To improve professional learning in an education setting, which principle should guide the decision?

A. Evaluating whether training changed practice and learner outcomes
B. Using attendance alone as proof of impact
C. Ignoring follow-up support
D. Choosing training only by certificate value

Answer: A. Evaluating whether training changed practice and learner outcomes
Explanation: Evaluating whether training changed practice and learner outcomes is the best answer because it supports sound practice in professional learning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 145 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: triangulating evidence from different methods?

A. Using attendance as the only measure
B. Triangulating evidence from different methods
C. Ignoring classroom evidence
D. Relying on one test score only

Answer: B. Triangulating evidence from different methods
Explanation: Triangulating evidence from different methods is the best answer because it supports sound practice in educational assessment. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 64
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 146 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: workload allocation based on role, capacity and service needs?

A. Ignoring staff capacity
B. Assigning all difficult tasks to one person
C. Workload allocation based on role, capacity and service needs
D. Allocating duties solely by friendship

Answer: C. Workload allocation based on role, capacity and service needs
Explanation: Workload allocation based on role, capacity and service needs is the best answer because it supports sound practice in human resource management. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 147 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: needs-based allocation using reliable data?

A. Allocation based on influence alone
B. Equal allocation regardless of need in every circumstance
C. Needs-based allocation using reliable data
D. Ignoring enrolment and learning needs

Answer: C. Needs-based allocation using reliable data
Explanation: Needs-based allocation using reliable data is the best answer because it supports sound practice in resource management. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 65
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 148 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: the mode is the most frequently occurring value?

A. The mode is the most frequently occurring value
B. The middle ordered value
C. The total range
D. The arithmetic average

Answer: A. The mode is the most frequently occurring value
Explanation: The mode is the most frequently occurring value is the best answer because it supports sound practice in numerical reasoning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 149 · MULTIPLE CHOICE

When the main objective is cost and long-term value must be considered, which approach should be preferred?

A. Using public resources for authorised educational purposes
B. Personal use without approval
C. Ignoring waste and maintenance
D. No records of allocation

Answer: A. Using public resources for authorised educational purposes
Explanation: Using public resources for authorised educational purposes is the best answer because it supports sound practice in resource stewardship. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 150 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: reporting accurate information even when results are disappointing?

A. Changing definitions to claim success
B. Inflating performance figures
C. Reporting accurate information even when results are disappointing
D. Omitting inconvenient results

Answer: C. Reporting accurate information even when results are disappointing
Explanation: Reporting accurate information even when results are disappointing is the best answer because it supports sound practice in professional accountability. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 151 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: professional development linked to identified needs?

A. Withholding development from weaker staff
B. Professional development linked to identified needs
C. Training attendance as the only success measure
D. Training chosen without needs analysis

Answer: B. Professional development linked to identified needs
Explanation: Professional development linked to identified needs is the best answer because it supports sound practice in human resource management. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 69
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 152 · MULTIPLE CHOICE

When the main objective is a programme needs monitoring, which approach should be preferred?

A. A list of activities without expected results
B. A report with no responsibilities
C. A budget without a delivery plan
D. A work plan linking activities, outputs, outcomes, owners and dates

Answer: D. A work plan linking activities, outputs, outcomes, owners and dates
Explanation: A work plan linking activities, outputs, outcomes, owners and dates is the best answer because it supports sound practice in programme management. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 70
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 153 · MULTIPLE CHOICE

To improve educational technology in an education setting, which principle should guide the decision?

A. Choosing the newest tool regardless of need
B. Selecting tools based on learning objectives, accessibility, privacy and cost

C. Assuming every learner has identical connectivity
D. Sharing learner data without safeguards

Answer: B. Selecting tools based on learning objectives, accessibility, privacy and cost
Explanation: Selecting tools based on learning objectives, accessibility, privacy and cost is the best answer because it supports sound practice in educational technology. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 154 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: checking the current official text and scope of a legal instrument?

A. Assuming a draft is enacted law
B. Relying on a paraphrase without verification
C. Applying a rule outside its scope
D. Checking the current official text and scope of a legal instrument

Answer: D. Checking the current official text and scope of a legal instrument
Explanation: Checking the current official text and scope of a legal instrument is the best answer because it supports sound practice in educational law and policy. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 155 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: lesson planning based on intended outcomes and learner needs?

A. A lesson plan copied without adaptation
B. A plan that ignores time and resources
C. Lesson planning based on intended outcomes and learner needs
D. Activities selected without objectives

Answer: C. Lesson planning based on intended outcomes and learner needs
Explanation: Lesson planning based on intended outcomes and learner needs is the best answer because it supports sound practice in curriculum. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 72
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 156 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: reporting the denominator alongside a percentage where useful?

A. Reporting a percentage without explaining its base
B. Comparing unlike groups without context
C. Reporting the denominator alongside a percentage where useful
D. Changing the denominator to improve appearance

Answer: C. Reporting the denominator alongside a percentage where useful
Explanation: Reporting the denominator alongside a percentage where useful is the best answer because it supports sound practice in statistics and reporting. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 157 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: collaborative learning with individual accountability?

A. Groups formed without a learning purpose
B. Group work with no feedback
C. Collaborative learning with individual accountability
D. One learner doing all group work

Answer: C. Collaborative learning with individual accountability

Explanation: Collaborative learning with individual accountability is the best answer because it supports sound practice in teaching and learning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 158 · MULTIPLE CHOICE

To improve programme management in an education setting, which principle should guide the decision?

A. Changing the goal without documenting why
B. Ignoring barriers to implementation
C. Assuming a plan was delivered because it was approved
D. Reviewing implementation fidelity and adapting when evidence warrants it

Answer: D. Reviewing implementation fidelity and adapting when evidence warrants it
Explanation: Reviewing implementation fidelity and adapting when evidence warrants it is the best answer because it supports sound practice in programme management. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 159 · MULTIPLE CHOICE

When the main objective is different people are affected by a decision, which approach should be preferred?

A. Keeping no evidence of approval
B. Deleting records to avoid scrutiny
C. Recording decisions and reasons so they can be reviewed
D. Relying on undocumented verbal decisions for everything

Answer: C. Recording decisions and reasons so they can be reviewed
Explanation: Recording decisions and reasons so they can be reviewed is the best answer because it supports sound practice in ethics and fairness. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 160 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: independent review or verification where appropriate?

A. Independent review or verification where appropriate
B. No evidence trail
C. Self-approval without safeguards in every case
D. Changing criteria after results

Answer: A. Independent review or verification where appropriate
Explanation: Independent review or verification where appropriate is the best answer because it supports sound practice in quality assurance. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 161 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: combining data with professional judgement and local context?

A. Using data without checking its meaning
B. Replacing evidence with rank or seniority
C. Combining data with professional judgement and local context
D. Ignoring contradictory evidence

Answer: C. Combining data with professional judgement and local context
Explanation: Combining data with professional judgement and local context is the best answer because it supports sound practice in evidence-based leadership. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 80
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 162 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: modelling the professional conduct expected from staff?

A. Expecting rules to apply only to others
B. Rewarding misconduct when results are good
C. Modelling the professional conduct expected from staff
D. Avoiding responsibility as a leader

Answer: C. Modelling the professional conduct expected from staff
Explanation: Modelling the professional conduct expected from staff is the best answer because it supports sound practice in organisational culture. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 163 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: transparency and accountability?

A. Personal benefit from public resources
B. Concealing records
C. Avoiding audit trails
D. Transparency and accountability

Answer: D. Transparency and accountability
Explanation: Transparency and accountability is the best answer because it supports sound practice in public administration and ethics. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 164 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: mapping stakeholders by role, interest and appropriate involvement?

A. Excluding directly affected groups
B. Mapping stakeholders by role, interest and appropriate involvement
C. Inviting everyone to every decision regardless of purpose
D. Assuming one representative speaks for all

Answer: B. Mapping stakeholders by role, interest and appropriate involvement
Explanation: Mapping stakeholders by role, interest and appropriate involvement is the best answer because it supports sound practice in stakeholder engagement. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 165 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: professional collaboration with shared goals and clear responsibilities?

A. Competing at the expense of learners
B. Withholding useful resources
C. Collaboration without accountability
D. Professional collaboration with shared goals and clear responsibilities

Answer: D. Professional collaboration with shared goals and clear responsibilities
Explanation: Professional collaboration with shared goals and clear responsibilities is the best answer because it supports sound practice in professional practice. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 166 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: using secure procedures, fair conditions and documented incident handling?

A. Failing to document irregularities
B. Using secure procedures, fair conditions and documented incident handling
C. Changing rules secretly for selected candidates
D. Allowing unauthorised access

Answer: B. Using secure procedures, fair conditions and documented incident handling
Explanation: Using secure procedures, fair conditions and documented incident handling is the best answer because it supports sound practice in examination integrity. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 167 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: budgeting aligned with approved priorities and available funds?

A. Spending first and planning later
B. Allocating funds without objectives
C. Budgeting aligned with approved priorities and available funds
D. Ignoring expenditure limits

Answer: C. Budgeting aligned with approved priorities and available funds
Explanation: Budgeting aligned with approved priorities and available funds is the best answer because it supports sound practice in resource management. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 168 · MULTIPLE CHOICE

When the main objective is a safeguarding concern is raised, which approach should be preferred?

A. Ignoring warning signs
B. Sharing identifying details casually
C. Investigating alone beyond one's role
D. Following safeguarding procedures and acting promptly on credible concerns

Answer: D. Following safeguarding procedures and acting promptly on credible concerns
Explanation: Following safeguarding procedures and acting promptly on credible concerns is the best answer because it supports sound practice in learner wellbeing. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 169 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: checking understanding during the lesson?

A. Assuming silence means mastery
B. Using attendance as proof of learning
C. Checking understanding during the lesson
D. Waiting until the end of term

Answer: C. Checking understanding during the lesson
Explanation: Checking understanding during the lesson is the best answer because it supports sound practice in teaching and learning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 170 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: validity?

A. Validity
B. Reliability
C. Popularity
D. Convenience

Answer: A. Validity
Explanation: Validity is the best answer because it supports sound practice in educational assessment. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 171 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: learner safeguarding and prompt referral through proper channels?

A. Learner safeguarding and prompt referral through proper channels
B. Investigating serious abuse alone and informally
C. Promising secrecy regardless of safety
D. Ignoring a disclosure

Answer: A. Learner safeguarding and prompt referral through proper channels
Explanation: Learner safeguarding and prompt referral through proper channels is the best answer because it supports sound practice in school-community relations. The other options describe less appropriate or contrary approaches.

Question 172 · MULTIPLE CHOICE

To improve statistics and reporting in an education setting, which principle should guide the decision?

A. Reporting a percentage without explaining its base
B. Reporting the denominator alongside a percentage where useful
C. Changing the denominator to improve appearance
D. Comparing unlike groups without context

Answer: B. Reporting the denominator alongside a percentage where useful
Explanation: Reporting the denominator alongside a percentage where useful is the best answer because it supports sound practice in statistics and reporting. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 173 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: maintaining professional boundaries and respectful conduct?

A. Maintaining professional boundaries and respectful conduct
B. Using authority for personal advantage
C. Favouritism in professional decisions
D. Sharing inappropriate personal content with learners

Answer: A. Maintaining professional boundaries and respectful conduct
Explanation: Maintaining professional boundaries and respectful conduct is the best answer because it supports sound practice in professional practice. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 174 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: constructive feedback linked to learning goals?

A. Public comparison of weak learners
B. Constructive feedback linked to learning goals
C. Feedback only at year-end
D. Praise without evidence

Answer: B. Constructive feedback linked to learning goals
Explanation: Constructive feedback linked to learning goals is the best answer because it supports sound practice in educational assessment. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 175 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: a work plan linking activities, outputs, outcomes, owners and dates?

A. A report with no responsibilities
B. A budget without a delivery plan
C. A list of activities without expected results
D. A work plan linking activities, outputs, outcomes, owners and dates

Answer: D. A work plan linking activities, outputs, outcomes, owners and dates

Explanation: A work plan linking activities, outputs, outcomes, owners and dates is the best answer because it supports sound practice in programme management. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 176 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: contingency planning for foreseeable disruption?

A. Contingency planning for foreseeable disruption
B. No backup responsibilities
C. Keeping plans inaccessible to the team
D. Assuming every event will follow the plan

Answer: A. Contingency planning for foreseeable disruption
Explanation: Contingency planning for foreseeable disruption is the best answer because it supports sound practice in work planning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 177 · MULTIPLE CHOICE

When the main objective is a learner or stakeholder raises a concern, which approach should be preferred?

A. Learner safeguarding and prompt referral through proper channels
B. Investigating serious abuse alone and informally
C. Ignoring a disclosure
D. Promising secrecy regardless of safety

Answer: A. Learner safeguarding and prompt referral through proper channels
Explanation: Learner safeguarding and prompt referral through proper channels is the best answer because it supports sound practice in school-community relations. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 178 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: a rate compares quantities with their relevant units?

A. A ranking without a measure
B. A rate compares quantities with their relevant units
C. A total without units
D. A percentage with no denominator

Answer: B. A rate compares quantities with their relevant units
Explanation: A rate compares quantities with their relevant units is the best answer because it supports sound practice in numerical reasoning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 179 · MULTIPLE CHOICE

When the main objective is several options have different risks, which approach should be preferred?

A. Defining the problem before comparing options
B. Treating assumptions as established facts
C. Choosing a solution before understanding the problem
D. Ignoring affected stakeholders

Answer: A. Defining the problem before comparing options
Explanation: Defining the problem before comparing options is the best answer because it supports sound practice in decision-making. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 180 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: removing barriers to participation while maintaining meaningful learning goals?

A. Separating learners automatically
B. Removing barriers to participation while maintaining meaningful learning goals
C. Ignoring learner voice
D. Assuming support lowers expectations

Answer: B. Removing barriers to participation while maintaining meaningful learning goals
Explanation: Removing barriers to participation while maintaining meaningful learning goals is the best answer because it supports sound practice in inclusive education. The other options describe less appropriate or contrary approaches.
GigaLearn • Independent practice resource Page 99

Question 181 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: reviewing implementation fidelity and adapting when evidence warrants it?

A. Reviewing implementation fidelity and adapting when evidence warrants it
B. Ignoring barriers to implementation
C. Changing the goal without documenting why
D. Assuming a plan was delivered because it was approved

Answer: A. Reviewing implementation fidelity and adapting when evidence warrants it
Explanation: Reviewing implementation fidelity and adapting when evidence warrants it is the best answer because it supports sound practice in programme management. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 182 · MULTIPLE CHOICE

To improve ethical leadership in an education setting, which principle should guide the decision?

A. Seeking advice or referral when an issue exceeds one's authority
B. Acting beyond competence to appear decisive
C. Ignoring a legal requirement
D. Making promises outside delegated authority

Answer: A. Seeking advice or referral when an issue exceeds one's authority
Explanation: Seeking advice or referral when an issue exceeds one's authority is the best answer because it supports sound practice in ethical leadership. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 183 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: seeking advice or referral when an issue exceeds one's authority?

A. Seeking advice or referral when an issue exceeds one's authority
B. Making promises outside delegated authority
C. Ignoring a legal requirement
D. Acting beyond competence to appear decisive

Answer: A. Seeking advice or referral when an issue exceeds one's authority
Explanation: Seeking advice or referral when an issue exceeds one's authority is the best answer because it supports sound practice in ethical leadership. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 184 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: conflict resolution through listening, evidence and fair process?

A. Spreading confidential details
B. Conflict resolution through listening, evidence and fair process
C. Ignoring serious unresolved conflict
D. Taking sides before hearing facts

Answer: B. Conflict resolution through listening, evidence and fair process
Explanation: Conflict resolution through listening, evidence and fair process is the best answer because it supports sound practice in leadership and supervision. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 102
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 185 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: prior knowledge connected to new learning?

A. New content disconnected from experience
B. Avoiding questions
C. Replacing learning objectives with activities
D. Prior knowledge connected to new learning

Answer: D. Prior knowledge connected to new learning
Explanation: Prior knowledge connected to new learning is the best answer because it supports sound practice in teaching and learning. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 103
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 186 · MULTIPLE CHOICE

To improve decision-making in an education setting, which principle should guide the decision?

A. Choosing the first option automatically
B. Using criteria that change for each option
C. Ignoring costs and risks
D. Comparing options against transparent criteria and likely consequences

Answer: D. Comparing options against transparent criteria and likely consequences
Explanation: Comparing options against transparent criteria and likely consequences is the best answer because it supports sound practice in decision-making. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 104
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 187 · MULTIPLE CHOICE

To improve resource management in an education setting, which principle should guide the decision?

A. Ignoring expenditure limits
B. Allocating funds without objectives
C. Budgeting aligned with approved priorities and available funds
D. Spending first and planning later

Answer: C. Budgeting aligned with approved priorities and available funds
Explanation: Budgeting aligned with approved priorities and available funds is the best answer because it supports sound practice in resource management. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 188 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: checking digital content for accuracy, bias and suitability?

A. Publishing without review
B. Ignoring age and context
C. Assuming generated content is always correct
D. Checking digital content for accuracy, bias and suitability

Answer: D. Checking digital content for accuracy, bias and suitability
Explanation: Checking digital content for accuracy, bias and suitability is the best answer because it supports sound practice in educational technology. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 189 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: using attendance, engagement and learning evidence together to identify support needs?

A. Assuming low performance means low ability
B. Withholding support until failure is final
C. Using one isolated measure as a complete diagnosis
D. Using attendance, engagement and learning evidence together to identify support needs

Answer: D. Using attendance, engagement and learning evidence together to identify support needs
Explanation: Using attendance, engagement and learning evidence together to identify support needs is the best answer because it supports sound practice in learner wellbeing. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 108
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 190 · MULTIPLE CHOICE

To improve evidence-based leadership in an education setting, which principle should guide the decision?

A. Testing whether an intervention works before scaling it broadly
B. Ignoring unintended effects
C. Assuming good intentions guarantee impact
D. Scaling immediately without evaluation

Answer: A. Testing whether an intervention works before scaling it broadly
Explanation: Testing whether an intervention works before scaling it broadly is the best answer because it supports sound practice in evidence-based leadership. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 191 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: reasonable accommodation that supports access and participation?

A. Ignoring barriers in the learning environment
B. Reasonable accommodation that supports access and participation
C. Excluding a learner because support is needed
D. Assuming all disabilities require the same adjustment

Answer: B. Reasonable accommodation that supports access and participation
Explanation: Reasonable accommodation that supports access and participation is the best answer because it supports sound practice in professional practice. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 109
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 192 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: reflective practice linked to evidence and action?

A. Reflection as blame without improvement
B. Reflective practice linked to evidence and action
C. Assuming experience alone guarantees effectiveness
D. Avoiding professional learning

Answer: B. Reflective practice linked to evidence and action
Explanation: Reflective practice linked to evidence and action is the best answer because it supports sound practice in professional practice. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 193 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: percentage change is calculated relative to the original value?

A. Adding percentage points without a base

B. Dividing the new value by zero
C. Percentage change is calculated relative to the original value
D. Treating every percentage as a fixed amount

Answer: C. Percentage change is calculated relative to the original value

Explanation: Percentage change is calculated relative to the original value is the best answer because it supports sound practice in numerical reasoning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 194 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: clear, measurable learning objectives?

A. A list of classroom decorations
B. Clear, measurable learning objectives
C. Objectives written after assessment
D. Vague intentions without success criteria

Answer: B. Clear, measurable learning objectives

Explanation: Clear, measurable learning objectives is the best answer because it supports sound practice in teaching and learning. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 113
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 195 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: a school improvement plan with measurable targets?

A. A report written only after failure
B. A school improvement plan with measurable targets
C. A plan without baseline data or indicators
D. A list of wishes with no owners

Answer: B. A school improvement plan with measurable targets

Explanation: A school improvement plan with measurable targets is the best answer because it supports sound practice in leadership and supervision. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 196 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: scaffolding that is gradually withdrawn?

A. Removing all learner choice
B. Scaffolding that is gradually withdrawn
C. Avoiding challenging tasks
D. Giving the complete solution every time

Answer: B. Scaffolding that is gradually withdrawn

Explanation: Scaffolding that is gradually withdrawn is the best answer because it supports sound practice in teaching and learning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 197 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: keeping backups and controlling access to important records?

A. Deleting records without a retention policy
B. Keeping backups and controlling access to important records
C. Sharing every file publicly
D. One unprotected copy on one device

Answer: B. Keeping backups and controlling access to important records

Explanation: Keeping backups and controlling access to important records is the best answer because it supports sound practice in digital and information literacy. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 198 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: criterion-referenced assessment?

A. Self-reflection
B. Peer assessment
C. Norm-referenced assessment
D. Criterion-referenced assessment

Answer: D. Criterion-referenced assessment
Explanation: Criterion-referenced assessment is the best answer because it supports sound practice in educational assessment. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 199 · MULTIPLE CHOICE

What is the best use of classroom observation?

A. Judge personal style alone
B. Embarrass the teacher
C. Conclude without observing
D. Gather evidence against agreed teaching and learning criteria

Answer: D. Gather evidence against agreed teaching and learning criteria
Explanation: Evidence-based observation supports fair feedback.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 200 · MULTIPLE CHOICE

Which is a measurable improvement target?

A. Make the school perfect
B. Work harder without evidence
C. Increase the proportion meeting a defined criterion by a review date
D. Improve everything someday

Answer: C. Increase the proportion meeting a defined criterion by a review date
Explanation: A measurable target specifies a change and how progress will be checked.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 201 · MULTIPLE CHOICE

Why keep school records accurate and timely?

A. Use only during inspections
B. Support continuity, accountability and decisions
C. Make communication unnecessary
D. Reflect assumptions

Answer: B. Support continuity, accountability and decisions
Explanation: Reliable records support administration and reporting.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 202 · MULTIPLE CHOICE

Which practice best supports formative assessment?

A. Use evidence during instruction to adjust teaching
B. Wait until the end of the year to assess
C. Give marks without feedback
D. Assess only volunteers

Answer: A. Use evidence during instruction to adjust teaching
Explanation: Formative assessment informs teaching while learning is in progress.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 203 · TRUE/FALSE

Formative assessment can help a teacher adjust instruction during learning. TRUE FALSE

TRUE
FALSE

Answer: TRUE
Explanation: It provides evidence that can guide next steps.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 204 · MULTIPLE CHOICE

GigaLearn ■ D II Practice Page 3 Which is an example of professional reflection?

A. Blame learners for every difficulty
B. Ignore feedback
C. Review lesson evidence and plan an improvement
D. Repeat lessons without review

Answer: C. Review lesson evidence and plan an improvement
Explanation: Reflection uses evidence to improve practice.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 205 · MULTIPLE CHOICE

How should a school leader address staff conflict?

A. Ignore it indefinitely
B. Listen fairly, follow procedures and document relevant facts
C. Take sides before hearing accounts
D. Share allegations publicly

Answer: B. Listen fairly, follow procedures and document relevant facts
Explanation: Fair process and appropriate documentation support resolution.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 206 · MULTIPLE CHOICE

How should digital learning tools be used responsibly?

A. Check accuracy, privacy, accessibility and learning value
B. Assume every answer is correct
C. Upload private data anywhere
D. Use technology even when it obstructs learning

Answer: A. Check accuracy, privacy, accessibility and learning value
Explanation: Tools should be assessed for safety and educational value.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 207 · MULTIPLE CHOICE

What is a useful first step in planning an intervention?

A. Choose an activity before identifying need
B. Promise results without baseline data
C. Avoid consultation
D. Define the problem with evidence and identify the desired outcome

Answer: D. Define the problem with evidence and identify the desired outcome
Explanation: A clear problem definition makes the intervention focused.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 208 · TRUE/FALSE

Every learner should receive exactly the same support regardless of need. TRUE FALSE

TRUE
FALSE

Answer: FALSE

Explanation: Equity may require different support to enable participation.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 209 · MULTIPLE CHOICE

What is a benefit of collaborative lesson planning?

A. It makes all classes identical
B. Teachers share expertise and align goals
C. It removes the need to assess GigaLearn ■ D II Practice Page 4
D. It guarantees no challenges

Answer: B. Teachers share expertise and align goals
Explanation: Collaboration can improve coherence and professional support.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 210 · MULTIPLE CHOICE

What helps a school improvement plan succeed?

A. Measurable priorities, responsibilities and review points
B. Goals without owners
C. No evidence collection
D. Daily changes without rationale

Answer: A. Measurable priorities, responsibilities and review points
Explanation: Plans need clear goals, ownership and monitoring.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 211 · MULTIPLE CHOICE

What should guide selection of a teaching resource?

A. Colour alone
B. Price alone
C. Whether it avoids the objective
D. Learning goals, learner needs, accuracy and accessibility

Answer: D. Learning goals, learner needs, accuracy and accessibility
Explanation: Resources should be fit for purpose.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 212 · MULTIPLE CHOICE

Which action demonstrates equitable treatment?

A. Ignore barriers
B. Use inconsistent rules without reason
C. Apply fair criteria and provide reasonable support for different needs
D. Favour friends

Answer: C. Apply fair criteria and provide reasonable support for different needs
Explanation: Equity considers relevant differences in need.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 213 · TRUE/FALSE

Assessment should align with the learning objective it measures. TRUE FALSE

TRUE
FALSE

Answer: TRUE
Explanation: Alignment helps assess the intended learning.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 214 · MULTIPLE CHOICE

Many learners misunderstand a concept. What should the teacher do?

A. Re-teach with another approach and check understanding
B. Continue without adjustment
C. Blame the learners
D. Remove the topic

Answer: A. Re-teach with another approach and check understanding
Explanation: Assessment evidence should guide responsive instruction.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 215 · MULTIPLE CHOICE

GigaLearn ■ D II Practice Page 5 Why analyse assessment results?

A. Rank learners publicly
B. Avoid future planning
C. Replace all observation
D. Identify strengths, misconceptions and next steps

Answer: D. Identify strengths, misconceptions and next steps
Explanation: Analysis supports informed instructional decisions.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 216 · MULTIPLE CHOICE

Which approach supports professional development?

A. Avoid feedback
B. Assume experience guarantees improvement
C. Identify a need, practise a strategy and review impact
D. Attend training but never apply it

Answer: C. Identify a need, practise a strategy and review impact
Explanation: Professional learning is stronger when applied and evaluated.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 217 · MULTIPLE CHOICE

What is the purpose of a rubric?

A. Hide expectations
B. Describe criteria and performance levels
C. Replace task instructions
D. Guarantee identical scores

Answer: B. Describe criteria and performance levels
Explanation: Rubrics clarify expectations and assessment criteria.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 218 · TRUE/FALSE

A teacher should promise absolute secrecy about a safeguarding concern. TRUE FALSE

TRUE
FALSE

Answer: FALSE
Explanation: Concerns must be handled through appropriate safeguarding procedures.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 219 · MULTIPLE CHOICE

How should an allegation against a staff member be handled?

A. Assume guilt immediately
B. Delete records
C. Discuss details with everyone
D. Follow relevant policy, preserve confidentiality and ensure fair process

Answer: D. Follow relevant policy, preserve confidentiality and ensure fair process

Explanation: Allegations require proper procedure and fairness.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 220 · MULTIPLE CHOICE

What is a scheme of learning used for?

A. Record only staff leave
B. Make every lesson identical
C. Organise curriculum content and learning over time GigaLearn ■ D II Practice Page 6
D. Replace the curriculum

Answer: C. Organise curriculum content and learning over time GigaLearn ■ D II Practice Page 6
Explanation: It sequences content, learning activities and assessment.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 221 · MULTIPLE CHOICE

What does differentiated instruction aim to do?

A. Use one method regardless of need
B. Adapt teaching or support to learner readiness and needs
C. Remove all challenge
D. Ignore evidence

Answer: B. Adapt teaching or support to learner readiness and needs
Explanation: Differentiation adjusts support to help learners meet learning goals.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 222 · MULTIPLE CHOICE

What is sound data-informed leadership?

A. Use relevant evidence alongside professional judgement
B. Treat one figure as the whole truth
C. Ignore context
D. Alter records to fit expectations

Answer: A. Use relevant evidence alongside professional judgement
Explanation: Data should be interpreted carefully and in context.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 223 · TRUE/FALSE

Clear success criteria help learners understand expectations. TRUE FALSE

TRUE
FALSE

Answer: TRUE
Explanation: Criteria make expected performance explicit.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 224 · MULTIPLE CHOICE

Which is an example of ethical leadership?

A. Hide decisions from oversight
B. Favour relatives regardless of criteria
C. Declare a conflict of interest and follow the applicable process
D. Use public resources for personal gain

Answer: C. Declare a conflict of interest and follow the applicable process
Explanation: Ethical leadership requires integrity and appropriate safeguards.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 225 · MULTIPLE CHOICE

Which action best supports inclusive participation?

A. Lower expectations for everyone
B. Adapt support to learners' needs
C. Give identical support regardless of need
D. Exclude learners who need accommodations

Answer: B. Adapt support to learners' needs
Explanation: Inclusive practice removes barriers while maintaining meaningful expectations.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 226 · MULTIPLE CHOICE

GigaLearn ■ D II Practice Page 7 Which assessment best matches an objective to compare two ideas?

A. A task requiring comparison
B. An unrelated spelling test
C. An attendance register
D. A task asking only for a date

Answer: A. A task requiring comparison
Explanation: Assessment should align with the intended learning outcome.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 227 · MULTIPLE CHOICE

How should suspected plagiarism be handled?

A. Ridicule the learner publicly
B. Ignore all evidence
C. Publish personal details
D. Follow a fair academic-integrity procedure

Answer: D. Follow a fair academic-integrity procedure
Explanation: Concerns should be handled consistently and confidentially.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 228 · TRUE/FALSE

A score alone always provides enough information to improve learning. TRUE FALSE

TRUE
FALSE

Answer: FALSE
Explanation: Specific, actionable feedback is often needed.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 229 · MULTIPLE CHOICE

Monitoring shows an intervention is not working. What next?

A. Blame one person without inquiry
B. Review evidence, consult relevant people and adapt it
C. Hide results
D. Continue indefinitely

Answer: B. Review evidence, consult relevant people and adapt it
Explanation: Monitoring should inform evidence-based adjustment.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 230 · MULTIPLE CHOICE

How can a teacher check understanding during a lesson?

A. Use brief questions or tasks and respond to evidence
B. Ask only if everyone understands
C. Wait until term end
D. Assume copying means comprehension

Answer: A. Use brief questions or tasks and respond to evidence

Explanation: Frequent checks reveal misconceptions in time to respond.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 231 · MULTIPLE CHOICE

Which feedback is most constructive?

A. A personal insult
B. A score with no context
C. Public shaming GigaLearn ■ D II Practice Page 8
D. Specific feedback with a next step

Answer: D. Specific feedback with a next step
Explanation: Useful feedback is specific, respectful and actionable.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 232 · MULTIPLE CHOICE

How should confidential learner information be handled?

A. Discuss it casually in public
B. Send it to all contacts
C. Share only with authorised people who need it for a legitimate purpose
D. Post it publicly

Answer: C. Share only with authorised people who need it for a legitimate purpose
Explanation: Confidential information should be protected and shared appropriately.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 233 · TRUE/FALSE

Professional reflection can use learner work and assessment evidence. TRUE FALSE

TRUE
FALSE

Answer: TRUE
Explanation: Evidence can inform improvements.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 234 · MULTIPLE CHOICE

How can teachers support learners with different language backgrounds?

A. Use clear language, visuals and checks for understanding
B. Assume silence means understanding
C. Prevent questions
D. Assess unrelated language ability

Answer: A. Use clear language, visuals and checks for understanding
Explanation: Accessible explanations and checks reveal barriers.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 235 · MULTIPLE CHOICE

What is the purpose of a staff meeting agenda?

A. Prevent preparation
B. Replace follow-up
C. List unrelated topics without priorities
D. Clarify topics, outcomes and time allocation

Answer: D. Clarify topics, outcomes and time allocation
Explanation: An agenda supports purposeful discussion.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 236 · MULTIPLE CHOICE

Which approach best supports a new teacher?

A. Avoid feedback until year end
B. Expect instant knowledge of every local procedure
C. Provide orientation, mentoring and discussion of practice
D. Assign duties without explanation

Answer: C. Provide orientation, mentoring and discussion of practice
Explanation: Structured induction helps new staff develop.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 237 · MULTIPLE CHOICE

GigaLearn ■ D II Practice Page 9 Which practice promotes critical thinking?

A. Accept every claim without examination
B. Ask learners to justify claims with evidence
C. Require copying only
D. Discourage questions

Answer: B. Ask learners to justify claims with evidence
Explanation: Reasoning with evidence supports analysis and evaluation.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 238 · TRUE/FALSE

Confidential learner information may be shared with anyone who is curious. TRUE FALSE

TRUE
FALSE

Answer: FALSE
Explanation: It should be shared only through authorised, appropriate channels.
