GIGALEARN · TEACHER PROMOTION PRACTICE

Director I

(D I)

285 distinct practice questions with answers (target 550 · gap 265)

MCQ: 256 · True/False: 29 · Verified: 0 · Review required: all published items

This is an independent GigaLearn practice resource, **not** an official Ghana Education Service examination paper, syllabus, or endorsement. Do not treat answer keys as verified legal or policy authority without checking current GES / Ministry of Education sources.

Rank focus: Advanced strategic leadership, organisational governance, public-sector accountability.

Honesty note: An earlier “550 questions” PDF set for this rank contained only about 84 unique stems with hundreds of exact repeats. This guide publishes **distinct** items only and reports the real shortfall to 550.

Contents & inventory

Metric	Count
Distinct publishable questions	285
Multiple-choice (MCQ)	256
True / False	29
Human-verified	0
Pending review / SOURCE ANSWER — REVIEW REQUIRED	285
Target	550
Gap to target	265

Questions are organised in practice order. Answer keys and short explanations follow each item for study use.

Practice question bank

Question 1 · MULTIPLE CHOICE

When the status of a policy or law is uncertain, which approach should be preferred?

A. Assuming a draft is enacted law
B. Applying a rule outside its scope
C. Checking the current official text and scope of a legal instrument
D. Relying on a paraphrase without verification

Answer: C. Checking the current official text and scope of a legal instrument
Explanation: "Checking the current official text and scope of a legal instrument" is the most appropriate choice for this practice item on Educational law and policy. It aligns with defensible professional judgement in educational law and policy. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 2 · MULTIPLE CHOICE

When an issue exceeds delegated authority, which approach should be preferred?

A. Making promises outside delegated authority
B. Ignoring a legal requirement
C. Acting beyond competence to appear decisive
D. Seeking advice or referral when an issue exceeds one's authority

Answer: D. Seeking advice or referral when an issue exceeds one's authority
Explanation: "Seeking advice or referral when an issue exceeds one's authority" is the most appropriate choice for this practice item on Ethical leadership. It aligns with defensible professional judgement in ethical leadership. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 3 · MULTIPLE CHOICE

When different people are affected by a decision, which approach should be preferred?

A. Recording decisions and reasons so they can be reviewed
B. Keeping no evidence of approval
C. Relying on undocumented verbal decisions for everything
D. Deleting records to avoid scrutiny

Answer: A. Recording decisions and reasons so they can be reviewed
Explanation: "Recording decisions and reasons so they can be reviewed" is the most appropriate choice for this practice item on Ethics and fairness. It aligns with defensible professional judgement in ethics and fairness. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 4 · MULTIPLE CHOICE

When an error or poor result is identified, which approach should be preferred?

A. Omitting inconvenient results
B. Reporting accurate information even when results are disappointing
C. Changing definitions to claim success
D. Inflating performance figures

Answer: B. Reporting accurate information even when results are disappointing
Explanation: "Reporting accurate information even when results are disappointing" is the most appropriate choice for this practice item on Professional accountability. It aligns with defensible professional judgement in professional accountability. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 5 · MULTIPLE CHOICE

When records or decisions require scrutiny, which approach should be preferred?

A. Ignoring applicable rules
B. Following lawful procedures and documented authority
C. Acting on personal preference alone
D. Using an informal order to bypass controls

Answer: B. Following lawful procedures and documented authority
Explanation: "Following lawful procedures and documented authority" is the most appropriate choice for this practice item on Public administration and ethics. It aligns with defensible professional judgement in public administration and ethics. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 6 · MULTIPLE CHOICE

If a decision must be defensible and fair in the area of decision-making, what should be prioritised?

A. Using criteria that change for each option
B. Ignoring costs and risks
C. Comparing options against transparent criteria and likely consequences
D. Choosing the first option automatically

Answer: C. Comparing options against transparent criteria and likely consequences
Explanation: "Comparing options against transparent criteria and likely consequences" is the most appropriate choice for this practice item on Decision-making. It aligns with defensible professional judgement in decision-making. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 7 · MULTIPLE CHOICE

To improve decision-making in an education setting, which principle should guide the decision?

A. Choosing the first option automatically
B. Comparing options against transparent criteria and likely consequences
C. Using criteria that change for each option
D. Ignoring costs and risks

Answer: B. Comparing options against transparent criteria and likely consequences
Explanation: "Comparing options against transparent criteria and likely consequences" is the most appropriate choice for this practice item on Decision-making. It aligns with defensible professional judgement in decision-making. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 8 · MULTIPLE CHOICE

When the main objective is several options have different risks, which approach should be preferred?

A. Using criteria that change for each option
B. Ignoring costs and risks
C. Choosing the first option automatically
D. Comparing options against transparent criteria and likely consequences

Answer: D. Comparing options against transparent criteria and likely consequences
Explanation: "Comparing options against transparent criteria and likely consequences" is the most appropriate choice for this practice item on Decision-making. It aligns with defensible professional judgement in decision-making. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 9 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: comparing options against transparent criteria and likely consequences?

A. Using criteria that change for each option
B. Ignoring costs and risks
C. Comparing options against transparent criteria and likely consequences
D. Choosing the first option automatically

Answer: C. Comparing options against transparent criteria and likely consequences
Explanation: "Comparing options against transparent criteria and likely consequences" is the most appropriate choice for this practice item on Decision-making. It aligns with defensible professional judgement in decision-making. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 10 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: defining the problem before comparing options?

A. Choosing a solution before understanding the problem
B. Treating assumptions as established facts
C. Defining the problem before comparing options
D. Ignoring affected stakeholders

Answer: C. Defining the problem before comparing options
Explanation: "Defining the problem before comparing options" is the most appropriate choice for this practice item on Decision-making. It aligns with defensible professional judgement in decision-making. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 11 · MULTIPLE CHOICE

If a decision must be defensible and fair in the area of educational law and policy, what should be prioritised?

A. Assuming a policy overrides every law
B. Treating all documents as legally identical
C. Distinguishing a policy, a regulation and an Act of Parliament
D. Ignoring the issuing authority

Answer: C. Distinguishing a policy, a regulation and an Act of Parliament
Explanation: "Distinguishing a policy, a regulation and an Act of Parliament" is the most appropriate choice for this practice item on Educational law and policy. It aligns with defensible professional judgement in educational law and policy. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 12 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: checking the current official text and scope of a legal instrument?

A. Relying on a paraphrase without verification
B. Applying a rule outside its scope
C. Checking the current official text and scope of a legal instrument
D. Assuming a draft is enacted law

Answer: C. Checking the current official text and scope of a legal instrument
Explanation: "Checking the current official text and scope of a legal instrument" is the most appropriate choice for this practice item on Educational law and policy. It aligns with defensible professional judgement in educational law and policy. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 13 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: distinguishing a policy, a regulation and an act of parliament?

A. Assuming a policy overrides every law
B. Treating all documents as legally identical
C. Distinguishing a policy, a regulation and an Act of Parliament
D. Ignoring the issuing authority

Answer: C. Distinguishing a policy, a regulation and an Act of Parliament
Explanation: "Distinguishing a policy, a regulation and an Act of Parliament" is the most appropriate choice for this practice item on Educational law and policy. It aligns with defensible professional judgement in educational law and policy. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 14 · MULTIPLE CHOICE

If a decision must be defensible and fair in the area of ethical leadership, what should be prioritised?

A. Personal loyalty above public duty
B. Consistent integrity, impartiality and service orientation
C. Avoiding oversight
D. Secrecy as the default for all decisions

Answer: B. Consistent integrity, impartiality and service orientation
Explanation: "Consistent integrity, impartiality and service orientation" is the most appropriate choice for this practice item on Ethical leadership. It aligns with defensible professional judgement in ethical leadership. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 15 · MULTIPLE CHOICE

To improve ethical leadership in an education setting, which principle should guide the decision?

A. Ignoring a legal requirement
B. Making promises outside delegated authority
C. Acting beyond competence to appear decisive
D. Seeking advice or referral when an issue exceeds one's authority

Answer: D. Seeking advice or referral when an issue exceeds one's authority
Explanation: "Seeking advice or referral when an issue exceeds one's authority" is the most appropriate choice for this practice item on Ethical leadership. It aligns with defensible professional judgement in ethical leadership. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 16 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: consistent integrity, impartiality and service orientation?

A. Consistent integrity, impartiality and service orientation
B. Secrecy as the default for all decisions
C. Avoiding oversight
D. Personal loyalty above public duty

Answer: A. Consistent integrity, impartiality and service orientation
Explanation: "Consistent integrity, impartiality and service orientation" is the most appropriate choice for this practice item on Ethical leadership. It aligns with defensible professional judgement in ethical leadership. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 17 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: seeking advice or referral when an issue exceeds one's authority?

A. Acting beyond competence to appear decisive
B. Ignoring a legal requirement
C. Making promises outside delegated authority
D. Seeking advice or referral when an issue exceeds one's authority

Answer: D. Seeking advice or referral when an issue exceeds one's authority
Explanation: "Seeking advice or referral when an issue exceeds one's authority" is the most appropriate choice for this practice item on Ethical leadership. It aligns with defensible professional judgement in ethical leadership. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 18 · MULTIPLE CHOICE

If a decision must be defensible and fair in the area of ethics and fairness, what should be prioritised?

A. Deleting records to avoid scrutiny
B. Keeping no evidence of approval
C. Recording decisions and reasons so they can be reviewed

Answer: A. Recording decisions and reasons so they can be reviewed
Explanation: "Recording decisions and reasons so they can be reviewed" is the most appropriate choice for this practice item on Ethics and fairness. It aligns with defensible professional judgement in ethics and fairness. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 22 · MULTIPLE CHOICE

If a decision must be defensible and fair in the area of evidence-based leadership, what should be prioritised?

A. Replacing evidence with rank or seniority
B. Ignoring contradictory evidence
C. Using data without checking its meaning
D. Combining data with professional judgement and local context

Answer: D. Combining data with professional judgement and local context
Explanation: "Combining data with professional judgement and local context" is the most appropriate choice for this practice item on Evidence-based leadership. It aligns with defensible professional judgement in evidence-based leadership. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 23 · MULTIPLE CHOICE

To improve evidence-based leadership in an education setting, which principle should guide the decision?

A. Testing whether an intervention works before scaling it broadly
B. Scaling immediately without evaluation
C. Ignoring unintended effects
D. Assuming good intentions guarantee impact

Answer: A. Testing whether an intervention works before scaling it broadly
Explanation: "Testing whether an intervention works before scaling it broadly" is the most appropriate choice for this practice item on Evidence-based leadership. It aligns with defensible professional judgement in evidence-based leadership. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 24 · MULTIPLE CHOICE

When the main objective is evidence does not support an initial assumption, which approach should be preferred?

A. Using data without checking its meaning
B. Replacing evidence with rank or seniority
C. Ignoring contradictory evidence
D. Combining data with professional judgement and local context

Answer: D. Combining data with professional judgement and local context
Explanation: "Combining data with professional judgement and local context" is the most appropriate choice for this practice item on Evidence-based leadership. It aligns with defensible professional judgement in evidence-based leadership. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 25 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: combining data with professional judgement and local context?

A. Replacing evidence with rank or seniority
B. Using data without checking its meaning
C. Combining data with professional judgement and local context
D. Ignoring contradictory evidence

Answer: C. Combining data with professional judgement and local context
Explanation: "Combining data with professional judgement and local context" is the most appropriate choice for this practice item on Evidence-based leadership. It aligns with defensible professional judgement in evidence-based leadership. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 26 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: testing whether an intervention works before scaling it broadly?

A. Assuming good intentions guarantee impact
B. Testing whether an intervention works before scaling it broadly
C. Scaling immediately without evaluation
D. Ignoring unintended effects

Answer: B. Testing whether an intervention works before scaling it broadly
Explanation: "Testing whether an intervention works before scaling it broadly" is the most appropriate choice for this practice item on Evidence-based leadership. It aligns with defensible professional judgement in evidence-based leadership. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 27 · MULTIPLE CHOICE

If a decision must be defensible and fair in the area of organisational culture, what should be prioritised?

A. No opportunity to raise concerns
B. Psychological safety with clear standards and accountability
C. Confusing respect with absence of standards

Answer: B. Psychological safety with clear standards and accountability
Explanation: "Psychological safety with clear standards and accountability" is the most appropriate choice for this practice item on Organisational culture. It aligns with defensible professional judgement in organisational culture. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 28 · MULTIPLE CHOICE

To improve organisational culture in an education setting, which principle should guide the decision?

A. Psychological safety with clear standards and accountability
B. Confusing respect with absence of standards
C. Fear as the only basis for compliance
D. No opportunity to raise concerns

Answer: A. Psychological safety with clear standards and accountability
Explanation: "Psychological safety with clear standards and accountability" is the most appropriate choice for this practice item on Organisational culture. It aligns with defensible professional judgement in organisational culture. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 29 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: modelling the professional conduct expected from staff?

A. Modelling the professional conduct expected from staff
B. Expecting rules to apply only to others
C. Avoiding responsibility as a leader
D. Rewarding misconduct when results are good

Answer: A. Modelling the professional conduct expected from staff
Explanation: "Modelling the professional conduct expected from staff" is the most appropriate choice for this practice item on Organisational culture. It aligns with defensible professional judgement in organisational culture. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 30 · MULTIPLE CHOICE

If a decision must be defensible and fair in the area of professional accountability, what should be prioritised?

A. Concealing a known error
B. Blaming others without investigation
C. Owning decisions, correcting errors and documenting improvements
D. Changing the record without explanation

Answer: C. Owning decisions, correcting errors and documenting improvements
Explanation: "Owning decisions, correcting errors and documenting improvements" is the most appropriate choice for this practice item on Professional accountability. It aligns with defensible professional judgement in professional accountability. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 31 · MULTIPLE CHOICE

To improve professional accountability in an education setting, which principle should guide the decision?

A. Inflating performance figures
B. Omitting inconvenient results
C. Reporting accurate information even when results are disappointing
D. Changing definitions to claim success

Answer: C. Reporting accurate information even when results are disappointing
Explanation: "Reporting accurate information even when results are disappointing" is the most appropriate choice for this practice item on Professional accountability. It aligns with defensible professional judgement in professional accountability. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 32 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: owning decisions, correcting errors and documenting improvements?

A. Changing the record without explanation
B. Owning decisions, correcting errors and documenting improvements
C. Concealing a known error
D. Blaming others without investigation

Answer: B. Owning decisions, correcting errors and documenting improvements
Explanation: "Owning decisions, correcting errors and documenting improvements" is the most appropriate choice for this practice item on Professional accountability. It aligns with defensible professional judgement in professional accountability. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 33 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: reporting accurate information even when results are disappointing?

A. Inflating performance figures
B. Omitting inconvenient results
C. Changing definitions to claim success
D. Reporting accurate information even when results are disappointing

Answer: D. Reporting accurate information even when results are disappointing
Explanation: "Reporting accurate information even when results are disappointing" is the most appropriate choice for this practice item on Professional accountability. It aligns with defensible professional judgement in professional accountability. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 34 · MULTIPLE CHOICE

If a decision must be defensible and fair in the area of public administration and ethics, what should be prioritised?

A. Confidential handling of personal information
B. Publishing sensitive details for convenience
C. Keeping no access controls

Answer: C. Serving the public interest within lawful authority
Explanation: "Serving the public interest within lawful authority" is the most appropriate choice for this practice item on Public service leadership. It aligns with defensible professional judgement in public service leadership. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 45 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: proportionate decisions supported by evidence and documented reasons?

A. Proportionate decisions supported by evidence and documented reasons
B. Decisions based only on emotion
C. Disproportionate action without explanation
D. Changing records to justify a decision

Answer: A. Proportionate decisions supported by evidence and documented reasons
Explanation: "Proportionate decisions supported by evidence and documented reasons" is the most appropriate choice for this practice item on Public service leadership. It aligns with defensible professional judgement in public service leadership. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 46 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: serving the public interest within lawful authority?

A. Serving the public interest within lawful authority
B. Avoiding accountability
C. Favouritism as a management principle
D. Personal gain as the primary purpose

Answer: A. Serving the public interest within lawful authority
Explanation: "Serving the public interest within lawful authority" is the most appropriate choice for this practice item on Public service leadership. It aligns with defensible professional judgement in public service leadership. The other options describe weaker, incomplete, or contrary approaches. This is an original GigaLearn practice question — verify any policy or legal detail against current GES and Ministry of Education sources.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 47 · MULTIPLE CHOICE

Which option provides the strongest basis for an improvement is planned?

A. Hiding relevant relationships
B. Declaring and managing conflicts of interest
C. Treating public resources as private property
D. Making decisions that benefit relatives secretly

Answer: B. Declaring and managing conflicts of interest
Explanation: Declaring and managing conflicts of interest is the best answer because it supports sound practice in public administration and ethics. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 48 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: reasonable accommodation that supports access and participation?

A. Reasonable accommodation that supports access and participation
B. Ignoring barriers in the learning environment
C. Assuming all disabilities require the same adjustment
D. Excluding a learner because support is needed

Answer: A. Reasonable accommodation that supports access and participation
Explanation: Reasonable accommodation that supports access and participation is the best answer because it supports sound practice in professional practice. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 49 · MULTIPLE CHOICE

When the main objective is records or decisions require scrutiny, which approach should be preferred?

A. Confidential handling of personal information
B. Sharing records with unauthorised people
C. Keeping no access controls
D. Publishing sensitive details for convenience

Answer: A. Confidential handling of personal information
Explanation: Confidential handling of personal information is the best answer because it supports sound practice in public administration and ethics. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 2
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 50 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: scaffolding that is gradually withdrawn?

A. Removing all learner choice
B. Scaffolding that is gradually withdrawn
C. Giving the complete solution every time
D. Avoiding challenging tasks

Answer: B. Scaffolding that is gradually withdrawn
Explanation: Scaffolding that is gradually withdrawn is the best answer because it supports sound practice in teaching and learning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 51 · MULTIPLE CHOICE

To improve educational assessment in an education setting, which principle should guide the decision?

A. Validity
B. Convenience
C. Reliability
D. Popularity

Answer: A. Validity
Explanation: Validity is the best answer because it supports sound practice in educational assessment. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 52 · MULTIPLE CHOICE

When the main objective is a programme needs monitoring, which approach should be preferred?

A. Reviewing implementation fidelity and adapting when evidence warrants it
B. Assuming a plan was delivered because it was approved
C. Changing the goal without documenting why
D. Ignoring barriers to implementation

Answer: A. Reviewing implementation fidelity and adapting when evidence warrants it
Explanation: Reviewing implementation fidelity and adapting when evidence warrants it is the best answer because it supports sound practice in programme management. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 53 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: decisions grounded in current, authoritative policy and law?

A. Relying solely on an old unofficial note
B. Treating social media claims as legislation
C. Ignoring the date and scope of a policy
D. Decisions grounded in current, authoritative policy and law

Answer: D. Decisions grounded in current, authoritative policy and law
Explanation: Decisions grounded in current, authoritative policy and law is the best answer because it supports sound practice in leadership and governance. The other options describe less appropriate or contrary approaches.

Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 54 · MULTIPLE CHOICE

To improve examination integrity in an education setting, which principle should guide the decision?

A. Sharing confidential papers informally
B. Promising to conceal misconduct
C. Ignoring suspicious access
D. Protecting assessment materials and reporting suspected leakage

Answer: D. Protecting assessment materials and reporting suspected leakage
Explanation: Protecting assessment materials and reporting suspected leakage is the best answer because it supports sound practice in examination integrity. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 55 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: escalating issues through the appropriate reporting line when required?

A. Bypassing safeguards for convenience
B. Escalating issues through the appropriate reporting line when required
C. Escalating every minor matter without judgement
D. Hiding serious risks

Answer: B. Escalating issues through the appropriate reporting line when required
Explanation: Escalating issues through the appropriate reporting line when required is the best answer because it supports sound practice in leadership and governance. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 6
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 56 · MULTIPLE CHOICE

When the main objective is learners show different levels of understanding, which approach should be preferred?

A. Assuming silence means mastery
B. Checking understanding during the lesson
C. Using attendance as proof of learning
D. Waiting until the end of term

Answer: B. Checking understanding during the lesson
Explanation: Checking understanding during the lesson is the best answer because it supports sound practice in teaching and learning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 57 · MULTIPLE CHOICE

When the main objective is a learner faces a participation barrier, which approach should be preferred?

A. Removing all learning objectives
B. Requiring one response format for every learner
C. Assessing only speed
D. Using accessible materials and flexible ways to demonstrate learning

Answer: D. Using accessible materials and flexible ways to demonstrate learning
Explanation: Using accessible materials and flexible ways to demonstrate learning is the best answer because it supports sound practice in inclusive education. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 7
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 58 · MULTIPLE CHOICE

When the main objective is performance indicators are reviewed, which approach should be preferred?

A. Ignoring unintended consequences
B. A balanced set of indicators covering access, process and learning outcomes
C. Counting inputs only
D. One metric used to represent all quality

Answer: B. A balanced set of indicators covering access, process and learning outcomes
Explanation: A balanced set of indicators covering access, process and learning outcomes is the best answer because it supports sound practice in quality assurance. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 59 · MULTIPLE CHOICE

To improve finance and accountability in an education setting, which principle should guide the decision?

A. Reconciling only when problems arise
B. Separating authorisation, payment and reconciliation where practicable
C. One person controlling every step without review
D. No supporting documents

Answer: B. Separating authorisation, payment and reconciliation where practicable
Explanation: Separating authorisation, payment and reconciliation where practicable is the best answer because it supports sound practice in finance and accountability. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 8
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 60 · MULTIPLE CHOICE

To improve statistics and reporting in an education setting, which principle should guide the decision?

A. Changing definitions between reporting periods
B. Assuming one indicator captures every dimension
C. Ignoring data quality
D. Distinguishing an indicator from the outcome it is intended to represent

Answer: D. Distinguishing an indicator from the outcome it is intended to represent
Explanation: Distinguishing an indicator from the outcome it is intended to represent is the best answer because it supports sound practice in statistics and reporting. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 61 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: promptly reporting suspected misuse through authorised channels?

A. Conducting an unauthorised public accusation
B. Promptly reporting suspected misuse through authorised channels
C. Ignoring the concern
D. Destroying evidence

Answer: B. Promptly reporting suspected misuse through authorised channels
Explanation: Promptly reporting suspected misuse through authorised channels is the best answer because it supports sound practice in finance and accountability. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 62 · MULTIPLE CHOICE

When the main objective is a percentage or summary statistic is reported, which approach should be preferred?

A. Ignoring units
B. Rounding every intermediate value aggressively
C. Checking units and assumptions before calculating
D. Choosing an answer before calculating

Answer: C. Checking units and assumptions before calculating
Explanation: Checking units and assumptions before calculating is the best answer because it supports sound practice in numerical reasoning. The other options describe less appropriate or contrary approaches.

Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 63 · MULTIPLE CHOICE

To improve learning and motivation in an education setting, which principle should guide the decision?

A. Specific feedback describing what the learner did well and what to improve
B. Feedback unrelated to the task
C. Public comparison as the main motivator
D. Labels about a learner's fixed ability

Answer: A. Specific feedback describing what the learner did well and what to improve
Explanation: Specific feedback describing what the learner did well and what to improve is the best answer because it supports sound practice in learning and motivation. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 64 · MULTIPLE CHOICE

To improve data and research in an education setting, which principle should guide the decision?

A. Selecting only evidence that supports a preference
B. Using representative and appropriate data
C. Treating one anecdote as conclusive
D. Ignoring missing data

Answer: B. Using representative and appropriate data
Explanation: Using representative and appropriate data is the best answer because it supports sound practice in data and research. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 65 · MULTIPLE CHOICE

When the main objective is deadlines and competing tasks arise, which approach should be preferred?

A. Treating every task as equally urgent
B. Working without a schedule or review
C. Prioritising urgent and important work while respecting deadlines
D. Ignoring statutory deadlines

Answer: C. Prioritising urgent and important work while respecting deadlines
Explanation: Prioritising urgent and important work while respecting deadlines is the best answer because it supports sound practice in work planning. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 10
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 66 · MULTIPLE CHOICE

When the main objective is responsibilities between institutions need clarification, which approach should be preferred?

A. Treating social media claims as legislation
B. Ignoring the date and scope of a policy
C. Decisions grounded in current, authoritative policy and law
D. Relying solely on an old unofficial note

Answer: C. Decisions grounded in current, authoritative policy and law
Explanation: Decisions grounded in current, authoritative policy and law is the best answer because it supports sound practice in leadership and governance. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 67 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: risk assessment with mitigation, ownership and review?

A. Ignoring foreseeable risks

B. Assuming a plan eliminates all uncertainty
C. Listing risks without actions
D. Risk assessment with mitigation, ownership and review

Answer: D. Risk assessment with mitigation, ownership and review
Explanation: Risk assessment with mitigation, ownership and review is the best answer because it supports sound practice in planning and evaluation. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 68 · MULTIPLE CHOICE

When the main objective is grant spending must be accounted for, which approach should be preferred?

A. Concealing expenditure
B. Transparent recording and reconciliation of school grants
C. Using grant funds for unrelated private purposes
D. Keeping incomplete informal records

Answer: B. Transparent recording and reconciliation of school grants
Explanation: Transparent recording and reconciliation of school grants is the best answer because it supports sound practice in resource management. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 12
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 69 · MULTIPLE CHOICE

When the main objective is a programme's progress must be checked, which approach should be preferred?

A. Making changes without checking results
B. Avoiding feedback
C. Continuous improvement informed by evidence and reflection
D. Repeating the same approach despite evidence of failure

Answer: C. Continuous improvement informed by evidence and reflection
Explanation: Continuous improvement informed by evidence and reflection is the best answer because it supports sound practice in planning and evaluation. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 70 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: separating authorisation, payment and reconciliation where practicable?

A. No supporting documents
B. Separating authorisation, payment and reconciliation where practicable
C. Reconciling only when problems arise
D. One person controlling every step without review

Answer: B. Separating authorisation, payment and reconciliation where practicable
Explanation: Separating authorisation, payment and reconciliation where practicable is the best answer because it supports sound practice in finance and accountability. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 13
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 71 · MULTIPLE CHOICE

When the main objective is staff need to understand a change, which approach should be preferred?

A. Announcing a change without purpose or support
B. Ignoring questions from affected staff
C. Communicating the rationale, expected effects and support for a change
D. Using rumours to gain compliance

Answer: C. Communicating the rationale, expected effects and support for a change
Explanation: Communicating the rationale, expected effects and support for a change is the best answer because it supports sound practice in leadership and communication. The other options describe less appropriate or contrary approaches.

Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 72 · MULTIPLE CHOICE

When the main objective is a risk requires controls and ownership, which approach should be preferred?

A. Proportionate action based on severity, likelihood and applicable rules
B. Ignoring high-impact low-frequency risks
C. Treating every risk as identical
D. Using severity alone without context

Answer: A. Proportionate action based on severity, likelihood and applicable rules
Explanation: Proportionate action based on severity, likelihood and applicable rules is the best answer because it supports sound practice in risk and compliance. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 14
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 73 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: clear, measurable learning objectives?

A. Vague intentions without success criteria
B. Clear, measurable learning objectives
C. A list of classroom decorations
D. Objectives written after assessment

Answer: B. Clear, measurable learning objectives
Explanation: Clear, measurable learning objectives is the best answer because it supports sound practice in teaching and learning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 74 · MULTIPLE CHOICE

When the main objective is lesson activities do not match the objectives, which approach should be preferred?

A. Following a plan despite clear failure
B. Ignoring learning evidence
C. Replacing the curriculum with personal preference
D. Curriculum implementation informed by learner evidence

Answer: D. Curriculum implementation informed by learner evidence
Explanation: Curriculum implementation informed by learner evidence is the best answer because it supports sound practice in curriculum. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 15
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 75 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: a safe classroom climate that supports participation?

A. Ignoring learner wellbeing
B. Humiliation as a teaching strategy
C. Threats as the only management method
D. A safe classroom climate that supports participation

Answer: D. A safe classroom climate that supports participation
Explanation: A safe classroom climate that supports participation is the best answer because it supports sound practice in learning and motivation. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 76 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: coaching that builds professional capacity?

A. Threatening staff instead of supporting them
B. Withholding useful feedback
C. Coaching that builds professional capacity
D. Doing all work for the teacher

Answer: C. Coaching that builds professional capacity
Explanation: Coaching that builds professional capacity is the best answer because it supports sound practice in leadership and supervision. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 77 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: formative assessment?

A. Summative assessment
B. Formative assessment
C. Administrative inspection
D. Norm-referenced ranking

Answer: B. Formative assessment
Explanation: Formative assessment is the best answer because it supports sound practice in educational assessment. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 78 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: protecting assessment materials and reporting suspected leakage?

A. Promising to conceal misconduct
B. Sharing confidential papers informally
C. Protecting assessment materials and reporting suspected leakage
D. Ignoring suspicious access

Answer: C. Protecting assessment materials and reporting suspected leakage
Explanation: Protecting assessment materials and reporting suspected leakage is the best answer because it supports sound practice in examination integrity. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 79 · MULTIPLE CHOICE

When the main objective is staff need clear guidance and follow-up, which approach should be preferred?

A. A list of wishes with no owners
B. A report written only after failure
C. A school improvement plan with measurable targets
D. A plan without baseline data or indicators

Answer: C. A school improvement plan with measurable targets
Explanation: A school improvement plan with measurable targets is the best answer because it supports sound practice in leadership and supervision. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 80 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: participatory decision-making where appropriate?

A. Making decisions from unverified claims
B. Avoiding responsibility for decisions
C. Excluding all relevant stakeholders
D. Participatory decision-making where appropriate

Answer: D. Participatory decision-making where appropriate
Explanation: Participatory decision-making where appropriate is the best answer because it supports sound practice in leadership and supervision. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 81 · MULTIPLE CHOICE

To improve leadership and supervision in an education setting, which principle should guide the decision?

A. Monitoring progress against agreed indicators
B. Ignoring deviations from targets
C. Counting meetings as the only measure
D. Waiting until the plan ends

Answer: A. Monitoring progress against agreed indicators
Explanation: Monitoring progress against agreed indicators is the best answer because it supports sound practice in leadership and supervision. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 82 · MULTIPLE CHOICE

When the main objective is evidence is incomplete or inconsistent, which approach should be preferred?

A. Using representative and appropriate data
B. Treating one anecdote as conclusive
C. Selecting only evidence that supports a preference
D. Ignoring missing data

Answer: A. Using representative and appropriate data
Explanation: Using representative and appropriate data is the best answer because it supports sound practice in data and research. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 83 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: adapting communication to audience and purpose?

A. Omitting essential context
B. Using one format for every situation
C. Adapting communication to audience and purpose
D. Avoiding accessible language

Answer: C. Adapting communication to audience and purpose
Explanation: Adapting communication to audience and purpose is the best answer because it supports sound practice in communication. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 84 · MULTIPLE CHOICE

To improve digital and information literacy in an education setting, which principle should guide the decision?

A. Deleting records without a retention policy
B. Keeping backups and controlling access to important records
C. One unprotected copy on one device
D. Sharing every file publicly

Answer: B. Keeping backups and controlling access to important records
Explanation: Keeping backups and controlling access to important records is the best answer because it supports sound practice in digital and information literacy. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 85 · MULTIPLE CHOICE

When the main objective is stakeholders have different interests, which approach should be preferred?

A. Inviting everyone to every decision regardless of purpose
B. Mapping stakeholders by role, interest and appropriate involvement
C. Excluding directly affected groups
D. Assuming one representative speaks for all

Answer: B. Mapping stakeholders by role, interest and appropriate involvement

Explanation: Mapping stakeholders by role, interest and appropriate involvement is the best answer because it supports sound practice in stakeholder engagement. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 86 · MULTIPLE CHOICE

When the main objective is staff performance or conduct needs attention, which approach should be preferred?

A. Training attendance as the only success measure
B. Professional development linked to identified needs
C. Withholding development from weaker staff
D. Training chosen without needs analysis

Answer: B. Professional development linked to identified needs
Explanation: Professional development linked to identified needs is the best answer because it supports sound practice in human resource management. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 87 · MULTIPLE CHOICE

When the main objective is a test score is being interpreted, which approach should be preferred?

A. Criterion-referenced assessment
B. Self-reflection
C. Peer assessment
D. Norm-referenced assessment

Answer: A. Criterion-referenced assessment
Explanation: Criterion-referenced assessment is the best answer because it supports sound practice in educational assessment. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 22
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 88 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: confidential handling of personal information?

A. Sharing records with unauthorised people
B. Keeping no access controls
C. Publishing sensitive details for convenience
D. Confidential handling of personal information

Answer: D. Confidential handling of personal information
Explanation: Confidential handling of personal information is the best answer because it supports sound practice in public administration and ethics. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 89 · MULTIPLE CHOICE

To improve work planning in an education setting, which principle should guide the decision?

A. Working without a schedule or review
B. Treating every task as equally urgent
C. Prioritising urgent and important work while respecting deadlines
D. Ignoring statutory deadlines

Answer: C. Prioritising urgent and important work while respecting deadlines
Explanation: Prioritising urgent and important work while respecting deadlines is the best answer because it supports sound practice in work planning. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 23
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 90 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: a fair complaint process with documentation and follow-up?

A. Deleting complaints after a verbal reply
B. Retaliating against a complainant
C. Sharing private complaint details widely
D. A fair complaint process with documentation and follow-up

Answer: D. A fair complaint process with documentation and follow-up
Explanation: A fair complaint process with documentation and follow-up is the best answer because it supports sound practice in school-community relations. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 91 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: learner safeguarding and prompt referral through proper channels?

A. Promising secrecy regardless of safety
B. Investigating serious abuse alone and informally
C. Learner safeguarding and prompt referral through proper channels
D. Ignoring a disclosure

Answer: C. Learner safeguarding and prompt referral through proper channels
Explanation: Learner safeguarding and prompt referral through proper channels is the best answer because it supports sound practice in school-community relations. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 92 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: specific feedback describing what the learner did well and what to improve?

A. Feedback unrelated to the task
B. Specific feedback describing what the learner did well and what to improve
C. Labels about a learner's fixed ability
D. Public comparison as the main motivator

Answer: B. Specific feedback describing what the learner did well and what to improve
Explanation: Specific feedback describing what the learner did well and what to improve is the best answer because it supports sound practice in learning and motivation. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 93 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: strong unique passwords and multi-factor authentication where available?

A. Reusing one simple password everywhere
B. Storing passwords in public documents
C. Sharing credentials with colleagues
D. Strong unique passwords and multi-factor authentication where available

Answer: D. Strong unique passwords and multi-factor authentication where available
Explanation: Strong unique passwords and multi-factor authentication where available is the best answer because it supports sound practice in digital and information literacy. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 24
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 94 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: removing barriers to participation while maintaining meaningful learning goals?

A. Ignoring learner voice
B. Removing barriers to participation while maintaining meaningful learning goals

C. Separating learners automatically
D. Assuming support lowers expectations

Answer: B. Removing barriers to participation while maintaining meaningful learning goals
Explanation: Removing barriers to participation while maintaining meaningful learning goals is the best answer because it supports sound practice in inclusive education. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 95 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: criterion-referenced assessment?

A. Peer assessment
B. Norm-referenced assessment
C. Self-reflection
D. Criterion-referenced assessment

Answer: D. Criterion-referenced assessment
Explanation: Criterion-referenced assessment is the best answer because it supports sound practice in educational assessment. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 25
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 96 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: using accessible materials and flexible ways to demonstrate learning?

A. Requiring one response format for every learner
B. Assessing only speed
C. Using accessible materials and flexible ways to demonstrate learning
D. Removing all learning objectives

Answer: C. Using accessible materials and flexible ways to demonstrate learning
Explanation: Using accessible materials and flexible ways to demonstrate learning is the best answer because it supports sound practice in inclusive education. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 97 · MULTIPLE CHOICE

To improve numerical reasoning in an education setting, which principle should guide the decision?

A. Choosing an answer before calculating
B. Rounding every intermediate value aggressively
C. Ignoring units
D. Checking units and assumptions before calculating

Answer: D. Checking units and assumptions before calculating
Explanation: Checking units and assumptions before calculating is the best answer because it supports sound practice in numerical reasoning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 98 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: using attendance, engagement and learning evidence together to identify support needs?

A. Using attendance, engagement and learning evidence together to identify support needs
B. Assuming low performance means low ability
C. Using one isolated measure as a complete diagnosis
D. Withholding support until failure is final

Answer: A. Using attendance, engagement and learning evidence together to identify support needs
Explanation: Using attendance, engagement and learning evidence together to identify support needs is the best answer because it supports sound practice in learner wellbeing. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 27
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 99 · MULTIPLE CHOICE

To improve equity and access in an education setting, which principle should guide the decision?

A. Allocating support by influence
B. Ignoring rural or disadvantaged learners
C. Directing support toward barriers and unmet needs using evidence
D. Assuming equal inputs always produce equal access

Answer: C. Directing support toward barriers and unmet needs using evidence
Explanation: Directing support toward barriers and unmet needs using evidence is the best answer because it supports sound practice in equity and access. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 100 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: a baseline and measurable indicators for evaluating a programme?

A. Changing indicators after seeing results
B. A baseline and measurable indicators for evaluating a programme
C. A final opinion with no starting point
D. Counting activities only

Answer: B. A baseline and measurable indicators for evaluating a programme
Explanation: A baseline and measurable indicators for evaluating a programme is the best answer because it supports sound practice in data and research. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 101 · MULTIPLE CHOICE

To improve school-community relations in an education setting, which principle should guide the decision?

A. Allowing one stakeholder to dictate all policy
B. Consultation after every decision is final
C. Meaningful engagement with parents and community stakeholders
D. Sharing confidential learner details publicly

Answer: C. Meaningful engagement with parents and community stakeholders
Explanation: Meaningful engagement with parents and community stakeholders is the best answer because it supports sound practice in school-community relations. The other options describe less appropriate or contrary approaches.
GigaLearn • Independent practice resource Page 28
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 102 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: needs-based allocation using reliable data?

A. Equal allocation regardless of need in every circumstance
B. Needs-based allocation using reliable data
C. Ignoring enrolment and learning needs
D. Allocation based on influence alone

Answer: B. Needs-based allocation using reliable data
Explanation: Needs-based allocation using reliable data is the best answer because it supports sound practice in resource management. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 103 · MULTIPLE CHOICE

When the main objective is cost and long-term value must be considered, which approach should be preferred?

A. Ignoring waste and maintenance
B. Personal use without approval
C. No records of allocation

D. Using public resources for authorised educational purposes

Answer: D. Using public resources for authorised educational purposes
Explanation: Using public resources for authorised educational purposes is the best answer because it supports sound practice in resource stewardship. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 104 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: independent review or verification where appropriate?

A. Self-approval without safeguards in every case
B. Changing criteria after results
C. No evidence trail
D. Independent review or verification where appropriate

Answer: D. Independent review or verification where appropriate
Explanation: Independent review or verification where appropriate is the best answer because it supports sound practice in quality assurance. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 105 · MULTIPLE CHOICE

When the main objective is digital access and privacy are concerns, which approach should be preferred?

A. Sharing learner data without safeguards
B. Assuming every learner has identical connectivity
C. Selecting tools based on learning objectives, accessibility, privacy and cost
D. Choosing the newest tool regardless of need

Answer: C. Selecting tools based on learning objectives, accessibility, privacy and cost
Explanation: Selecting tools based on learning objectives, accessibility, privacy and cost is the best answer because it supports sound practice in educational technology. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 106 · MULTIPLE CHOICE

To improve professional learning in an education setting, which principle should guide the decision?

A. Ignoring follow-up support
B. Choosing training only by certificate value
C. Evaluating whether training changed practice and learner outcomes
D. Using attendance alone as proof of impact

Answer: C. Evaluating whether training changed practice and learner outcomes
Explanation: Evaluating whether training changed practice and learner outcomes is the best answer because it supports sound practice in professional learning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 107 · MULTIPLE CHOICE

To improve leadership and governance in an education setting, which principle should guide the decision?

A. Assuming every agency has identical legal functions
B. Replacing formal mandates with custom
C. Making authority decisions without checking the law
D. A clear separation between policy direction and implementation responsibilities

Answer: D. A clear separation between policy direction and implementation responsibilities
Explanation: A clear separation between policy direction and implementation responsibilities is the best answer because it supports sound practice in leadership and governance. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 108 · MULTIPLE CHOICE

To improve school improvement in an education setting, which principle should guide the decision?

A. Reviewing progress without records
B. Using only broad intentions
C. Assigning each action an owner, timeline and success indicator
D. Listing actions without responsibility

Answer: C. Assigning each action an owner, timeline and success indicator
Explanation: Assigning each action an owner, timeline and success indicator is the best answer because it supports sound practice in school improvement. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 109 · MULTIPLE CHOICE

To improve stakeholder engagement in an education setting, which principle should guide the decision?

A. Ignoring recurring concerns
B. Closing the feedback loop by communicating decisions and next steps
C. Promising outcomes beyond authority
D. Collecting views without responding

Answer: B. Closing the feedback loop by communicating decisions and next steps
Explanation: Closing the feedback loop by communicating decisions and next steps is the best answer because it supports sound practice in stakeholder engagement. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 110 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: norm-referenced assessment?

A. Norm-referenced assessment
B. Portfolio assessment
C. Criterion-referenced assessment
D. Diagnostic assessment

Answer: A. Norm-referenced assessment
Explanation: Norm-referenced assessment is the best answer because it supports sound practice in educational assessment. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 35
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 111 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: comparing cost, quality, need and sustainability in resource decisions?

A. Choosing by personal preference
B. Comparing cost, quality, need and sustainability in resource decisions
C. Choosing the cheapest option in every case
D. Ignoring lifecycle costs

Answer: B. Comparing cost, quality, need and sustainability in resource decisions
Explanation: Comparing cost, quality, need and sustainability in resource decisions is the best answer because it supports sound practice in resource stewardship. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 112 · MULTIPLE CHOICE

To improve learner wellbeing in an education setting, which principle should guide the decision?

A. Sharing identifying details casually
B. Investigating alone beyond one's role
C. Following safeguarding procedures and acting promptly on credible concerns
D. Ignoring warning signs

Answer: C. Following safeguarding procedures and acting promptly on credible concerns
Explanation: Following safeguarding procedures and acting promptly on credible concerns is the best answer because it supports sound practice in learner wellbeing. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 113 · MULTIPLE CHOICE

When the main objective is professional conduct or learning needs attention, which approach should be preferred?

A. Competing at the expense of learners
B. Withholding useful resources
C. Professional collaboration with shared goals and clear responsibilities
D. Collaboration without accountability

Answer: C. Professional collaboration with shared goals and clear responsibilities
Explanation: Professional collaboration with shared goals and clear responsibilities is the best answer because it supports sound practice in professional practice. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 114 · MULTIPLE CHOICE

To improve educational technology in an education setting, which principle should guide the decision?

A. Assuming generated content is always correct
B. Checking digital content for accuracy, bias and suitability
C. Publishing without review
D. Ignoring age and context

Answer: B. Checking digital content for accuracy, bias and suitability
Explanation: Checking digital content for accuracy, bias and suitability is the best answer because it supports sound practice in educational technology. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 115 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: using public resources for authorised educational purposes?

A. Ignoring waste and maintenance
B. Personal use without approval
C. No records of allocation
D. Using public resources for authorised educational purposes

Answer: D. Using public resources for authorised educational purposes
Explanation: Using public resources for authorised educational purposes is the best answer because it supports sound practice in resource stewardship. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 116 · MULTIPLE CHOICE

To improve resource management in an education setting, which principle should guide the decision?

A. Equal allocation regardless of need in every circumstance
B. Ignoring enrolment and learning needs
C. Needs-based allocation using reliable data
D. Allocation based on influence alone

Answer: C. Needs-based allocation using reliable data
Explanation: Needs-based allocation using reliable data is the best answer because it supports sound practice in resource management. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 117 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: documenting controls, responsible persons and review dates?

A. Assuming policies enforce themselves
B. Informal memory as the only control
C. Documenting controls, responsible persons and review dates
D. A risk register with no owners

Answer: C. Documenting controls, responsible persons and review dates
Explanation: Documenting controls, responsible persons and review dates is the best answer because it supports sound practice in risk and compliance. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 118 · MULTIPLE CHOICE

When the main objective is a suspected examination irregularity occurs, which approach should be preferred?

A. Promising to conceal misconduct
B. Ignoring suspicious access
C. Protecting assessment materials and reporting suspected leakage
D. Sharing confidential papers informally

Answer: C. Protecting assessment materials and reporting suspected leakage
Explanation: Protecting assessment materials and reporting suspected leakage is the best answer because it supports sound practice in examination integrity. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 119 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: the mode is the most frequently occurring value?

A. The arithmetic average
B. The mode is the most frequently occurring value
C. The total range
D. The middle ordered value

Answer: B. The mode is the most frequently occurring value
Explanation: The mode is the most frequently occurring value is the best answer because it supports sound practice in numerical reasoning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 120 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: fair, documented and timely disciplinary procedures?

A. Fair, documented and timely disciplinary procedures
B. Applying rules selectively
C. Punishment without hearing the employee
D. Informal public shaming

Answer: A. Fair, documented and timely disciplinary procedures
Explanation: Fair, documented and timely disciplinary procedures is the best answer because it supports sound practice in human resource management. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 121 · MULTIPLE CHOICE

When the main objective is different people are affected by a decision, which approach should be preferred?

A. Keeping no evidence of approval
B. Relying on undocumented verbal decisions for everything
C. Recording decisions and reasons so they can be reviewed
D. Deleting records to avoid scrutiny

Answer: C. Recording decisions and reasons so they can be reviewed
Explanation: Recording decisions and reasons so they can be reviewed is the best answer because it supports sound practice in ethics and fairness. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 122 · MULTIPLE CHOICE

To improve inclusive education in an education setting, which principle should guide the decision?

A. Assuming support lowers expectations
B. Ignoring learner voice
C. Separating learners automatically
D. Removing barriers to participation while maintaining meaningful learning goals

Answer: D. Removing barriers to participation while maintaining meaningful learning goals
Explanation: Removing barriers to participation while maintaining meaningful learning goals is the best answer because it supports sound practice in inclusive education. The other options describe less appropriate or contrary approaches.

Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 123 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: percentage change is calculated relative to the original value?

A. Dividing the new value by zero
B. Percentage change is calculated relative to the original value
C. Treating every percentage as a fixed amount
D. Adding percentage points without a base

Answer: B. Percentage change is calculated relative to the original value
Explanation: Percentage change is calculated relative to the original value is the best answer because it supports sound practice in numerical reasoning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 124 · MULTIPLE CHOICE

To improve curriculum in an education setting, which principle should guide the decision?

A. A scheme of learning that sequences content over time
B. A list of punishments
C. A record of staff attendance
D. A school inventory

Answer: A. A scheme of learning that sequences content over time
Explanation: A scheme of learning that sequences content over time is the best answer because it supports sound practice in curriculum. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 45
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 125 · MULTIPLE CHOICE

When the main objective is online information may be unreliable, which approach should be preferred?

A. Trusting a post because it is popular
B. Verifying the source, date and context of online information
C. Forwarding an unverified claim
D. Treating an image as proof without context

Answer: B. Verifying the source, date and context of online information
Explanation: Verifying the source, date and context of online information is the best answer because it supports sound practice in digital and information literacy. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 126 · MULTIPLE CHOICE

To improve leadership and communication in an education setting, which principle should guide the decision?

A. Announcing a change without purpose or support
B. Communicating the rationale, expected effects and support for a change
C. Ignoring questions from affected staff
D. Using rumours to gain compliance

Answer: B. Communicating the rationale, expected effects and support for a change

Explanation: Communicating the rationale, expected effects and support for a change is the best answer because it supports sound practice in leadership and communication. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 49
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 127 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: the mean is the sum of values divided by their count?

A. The difference between maximum and minimum
B. The most frequent value
C. The middle value after sorting
D. The mean is the sum of values divided by their count

Answer: D. The mean is the sum of values divided by their count
Explanation: The mean is the sum of values divided by their count is the best answer because it supports sound practice in numerical reasoning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 128 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: monitoring progress against agreed indicators?

A. Counting meetings as the only measure
B. Ignoring deviations from targets
C. Monitoring progress against agreed indicators
D. Waiting until the plan ends

Answer: C. Monitoring progress against agreed indicators
Explanation: Monitoring progress against agreed indicators is the best answer because it supports sound practice in leadership and supervision. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 129 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: selecting tools based on learning objectives, accessibility, privacy and cost?

A. Sharing learner data without safeguards
B. Choosing the newest tool regardless of need
C. Selecting tools based on learning objectives, accessibility, privacy and cost
D. Assuming every learner has identical connectivity

Answer: C. Selecting tools based on learning objectives, accessibility, privacy and cost
Explanation: Selecting tools based on learning objectives, accessibility, privacy and cost is the best answer because it supports sound practice in educational technology. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 53
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 130 · MULTIPLE CHOICE

When the main objective is a complaint or report needs a response, which approach should be preferred?

A. Unverified claims without sources
B. A concise report supported by evidence and recommendations
C. A report that hides the main finding
D. A long report without a decision point

Answer: B. A concise report supported by evidence and recommendations
Explanation: A concise report supported by evidence and recommendations is the best answer because it supports sound practice in communication. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 131 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: meaningful engagement with parents and community stakeholders?

A. Consultation after every decision is final
B. Allowing one stakeholder to dictate all policy
C. Meaningful engagement with parents and community stakeholders
D. Sharing confidential learner details publicly

Answer: C. Meaningful engagement with parents and community stakeholders
Explanation: Meaningful engagement with parents and community stakeholders is the best answer because it supports sound practice in school-community relations. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 132 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: reflective practice linked to evidence and action?

A. Assuming experience alone guarantees effectiveness
B. Reflection as blame without improvement
C. Avoiding professional learning
D. Reflective practice linked to evidence and action

Answer: D. Reflective practice linked to evidence and action
Explanation: Reflective practice linked to evidence and action is the best answer because it supports sound practice in professional practice. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 133 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: mapping stakeholders by role, interest and appropriate involvement?

A. Excluding directly affected groups
B. Mapping stakeholders by role, interest and appropriate involvement
C. Inviting everyone to every decision regardless of purpose
D. Assuming one representative speaks for all

Answer: B. Mapping stakeholders by role, interest and appropriate involvement
Explanation: Mapping stakeholders by role, interest and appropriate involvement is the best answer because it supports sound practice in stakeholder engagement. The other options describe less appropriate or contrary approaches.
GigaLearn • Independent practice resource Page 57
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 134 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: constructive feedback linked to learning goals?

A. Constructive feedback linked to learning goals
B. Praise without evidence
C. Feedback only at year-end
D. Public comparison of weak learners

Answer: A. Constructive feedback linked to learning goals
Explanation: Constructive feedback linked to learning goals is the best answer because it supports sound practice in educational assessment. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 58
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 135 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: alignment among objectives, instruction and assessment?

A. Changing objectives after marking

B. Assessment unrelated to objectives
C. Alignment among objectives, instruction and assessment
D. Teaching only the easiest content

Answer: C. Alignment among objectives, instruction and assessment
Explanation: Alignment among objectives, instruction and assessment is the best answer because it supports sound practice in curriculum. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 136 · MULTIPLE CHOICE

To improve human resource management in an education setting, which principle should guide the decision?

A. Punishment without hearing the employee
B. Informal public shaming
C. Applying rules selectively
D. Fair, documented and timely disciplinary procedures

Answer: D. Fair, documented and timely disciplinary procedures
Explanation: Fair, documented and timely disciplinary procedures is the best answer because it supports sound practice in human resource management. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 137 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: summative assessment?

A. Informal observation only
B. Formative feedback
C. Diagnostic screening only
D. Summative assessment

Answer: D. Summative assessment
Explanation: Summative assessment is the best answer because it supports sound practice in educational assessment. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 59
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 138 · MULTIPLE CHOICE

To improve quality assurance in an education setting, which principle should guide the decision?

A. Counting inputs only
B. One metric used to represent all quality
C. A balanced set of indicators covering access, process and learning outcomes
D. Ignoring unintended consequences

Answer: C. A balanced set of indicators covering access, process and learning outcomes
Explanation: A balanced set of indicators covering access, process and learning outcomes is the best answer because it supports sound practice in quality assurance. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 139 · MULTIPLE CHOICE

When the main objective is a report contains a percentage or indicator, which approach should be preferred?

A. Assuming one indicator captures every dimension
B. Distinguishing an indicator from the outcome it is intended to represent
C. Ignoring data quality
D. Changing definitions between reporting periods

Answer: B. Distinguishing an indicator from the outcome it is intended to represent
Explanation: Distinguishing an indicator from the outcome it is intended to represent is the best answer because it supports sound practice in statistics and reporting. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 140 · MULTIPLE CHOICE

To improve professional practice in an education setting, which principle should guide the decision?

A. Maintaining professional boundaries and respectful conduct
B. Sharing inappropriate personal content with learners
C. Using authority for personal advantage
D. Favouritism in professional decisions

Answer: A. Maintaining professional boundaries and respectful conduct
Explanation: Maintaining professional boundaries and respectful conduct is the best answer because it supports sound practice in professional practice. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 141 · MULTIPLE CHOICE

To improve teaching and learning in an education setting, which principle should guide the decision?

A. Teacher talk without learner response
B. Active learning
C. Assessment without instruction
D. Passive copying throughout the lesson

Answer: B. Active learning
Explanation: Active learning is the best answer because it supports sound practice in teaching and learning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 142 · MULTIPLE CHOICE

To improve educational law and policy in an education setting, which principle should guide the decision?

A. Treating all documents as legally identical
B. Distinguishing a policy, a regulation and an Act of Parliament
C. Assuming a policy overrides every law
D. Ignoring the issuing authority

Answer: B. Distinguishing a policy, a regulation and an Act of Parliament
Explanation: Distinguishing a policy, a regulation and an Act of Parliament is the best answer because it supports sound practice in educational law and policy. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 143 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: staff consultation and clear communication during change?

A. Surprise changes without explanation
B. Withholding essential information
C. Staff consultation and clear communication during change
D. Using rumours as the communication plan

Answer: C. Staff consultation and clear communication during change
Explanation: Staff consultation and clear communication during change is the best answer because it supports sound practice in human resource management. The other options describe less appropriate or contrary approaches.

Question 144 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: prioritising urgent and important work while respecting deadlines?

A. Working without a schedule or review
B. Prioritising urgent and important work while respecting deadlines
C. Ignoring statutory deadlines
D. Treating every task as equally urgent

Answer: B. Prioritising urgent and important work while respecting deadlines
Explanation: Prioritising urgent and important work while respecting deadlines is the best answer because it supports sound practice in work planning. The other options describe less appropriate or contrary approaches.

Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 145 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: workload allocation based on role, capacity and service needs?

A. Assigning all difficult tasks to one person
B. Ignoring staff capacity
C. Workload allocation based on role, capacity and service needs
D. Allocating duties solely by friendship

Answer: C. Workload allocation based on role, capacity and service needs
Explanation: Workload allocation based on role, capacity and service needs is the best answer because it supports sound practice in human resource management. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 146 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: conflict resolution through listening, evidence and fair process?

A. Taking sides before hearing facts
B. Spreading confidential details
C. Conflict resolution through listening, evidence and fair process
D. Ignoring serious unresolved conflict

Answer: C. Conflict resolution through listening, evidence and fair process
Explanation: Conflict resolution through listening, evidence and fair process is the best answer because it supports sound practice in leadership and supervision. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 147 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: using both quantitative and qualitative evidence when suitable?

A. Using only one source regardless of the question
B. Replacing evidence with assumptions
C. Using both quantitative and qualitative evidence when suitable
D. Ignoring context

Answer: C. Using both quantitative and qualitative evidence when suitable
Explanation: Using both quantitative and qualitative evidence when suitable is the best answer because it supports sound practice in data and research. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 148 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: a concise report supported by evidence and recommendations?

A. A concise report supported by evidence and recommendations
B. A long report without a decision point
C. Unverified claims without sources
D. A report that hides the main finding

Answer: A. A concise report supported by evidence and recommendations
Explanation: A concise report supported by evidence and recommendations is the best answer because it supports sound practice in communication. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 149 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: delegation with clear authority and accountability?

A. Keeping every decision with one person
B. Transferring responsibility without support
C. Delegation with clear authority and accountability
D. Assigning work without authority

Answer: C. Delegation with clear authority and accountability
Explanation: Delegation with clear authority and accountability is the best answer because it supports sound practice in leadership and supervision. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 150 · MULTIPLE CHOICE

When the main objective is a learner or stakeholder raises a concern, which approach should be preferred?

A. Promising secrecy regardless of safety
B. Investigating serious abuse alone and informally
C. Ignoring a disclosure
D. Learner safeguarding and prompt referral through proper channels

Answer: D. Learner safeguarding and prompt referral through proper channels
Explanation: Learner safeguarding and prompt referral through proper channels is the best answer because it supports sound practice in school-community relations. The other options describe less appropriate or contrary approaches.
GigaLearn • Independent practice resource Page 69
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 151 · MULTIPLE CHOICE

When the main objective is learners need constructive guidance, which approach should be preferred?

A. Ignoring learner wellbeing
B. Humiliation as a teaching strategy
C. A safe classroom climate that supports participation
D. Threats as the only management method

Answer: C. A safe classroom climate that supports participation
Explanation: A safe classroom climate that supports participation is the best answer because it supports sound practice in learning and motivation. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 71
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 152 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: keeping backups and controlling access to important records?

A. Sharing every file publicly
B. Deleting records without a retention policy
C. One unprotected copy on one device
D. Keeping backups and controlling access to important records

Answer: D. Keeping backups and controlling access to important records
Explanation: Keeping backups and controlling access to important records is the best answer because it supports sound practice in digital and information literacy. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 74
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 153 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: transparent recording and reconciliation of school grants?

A. Keeping incomplete informal records
B. Concealing expenditure

C. Transparent recording and reconciliation of school grants
D. Using grant funds for unrelated private purposes

Answer: C. Transparent recording and reconciliation of school grants

Explanation: Transparent recording and reconciliation of school grants is the best answer because it supports sound practice in resource management. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 154 · MULTIPLE CHOICE

To improve risk and compliance in an education setting, which principle should guide the decision?

A. Treating every risk as identical
B. Ignoring high-impact low-frequency risks
C. Proportionate action based on severity, likelihood and applicable rules
D. Using severity alone without context

Answer: C. Proportionate action based on severity, likelihood and applicable rules

Explanation: Proportionate action based on severity, likelihood and applicable rules is the best answer because it supports sound practice in risk and compliance. The other options describe less appropriate or contrary approaches.
GigaLearn • Independent practice resource Page 78

Question 155 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: checking data quality before drawing conclusions?

A. Reporting percentages without denominators
B. Assuming every record is correct
C. Deleting inconvenient observations without reason
D. Checking data quality before drawing conclusions

Answer: D. Checking data quality before drawing conclusions

Explanation: Checking data quality before drawing conclusions is the best answer because it supports sound practice in data and research. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 156 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: differentiated instruction?

A. Teaching only the fastest learners
B. Differentiated instruction
C. One identical task regardless of need
D. Excluding learners who struggle

Answer: B. Differentiated instruction

Explanation: Differentiated instruction is the best answer because it supports sound practice in teaching and learning. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 80
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 157 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: continuous improvement informed by evidence and reflection?

A. Avoiding feedback
B. Continuous improvement informed by evidence and reflection
C. Repeating the same approach despite evidence of failure
D. Making changes without checking results

Answer: B. Continuous improvement informed by evidence and reflection

Explanation: Continuous improvement informed by evidence and reflection is the best answer because it supports sound practice in planning and evaluation. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 158 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: active listening and clarification?

A. Interrupting to assume meaning
B. Active listening and clarification
C. Responding before understanding
D. Using jargon with every audience

Answer: B. Active listening and clarification
Explanation: Active listening and clarification is the best answer because it supports sound practice in communication. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 159 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: inclusive participation and reasonable support?

A. Inclusive participation and reasonable support
B. Excluding learners with disabilities
C. Lowering every learner's expectations
D. Identical support regardless of need

Answer: A. Inclusive participation and reasonable support
Explanation: Inclusive participation and reasonable support is the best answer because it supports sound practice in teaching and learning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 160 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: supportive instructional supervision focused on improving teaching?

A. Punishment as the sole supervisory tool
B. Inspection based only on rumours
C. Fault-finding without follow-up
D. Supportive instructional supervision focused on improving teaching

Answer: D. Supportive instructional supervision focused on improving teaching
Explanation: Supportive instructional supervision focused on improving teaching is the best answer because it supports sound practice in leadership and supervision. The other options describe less appropriate or contrary approaches.
GigaLearn • Independent practice resource Page 83
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 161 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: reliability?

A. Fairness alone
B. Validity
C. Speed of marking
D. Reliability

Answer: D. Reliability
Explanation: Reliability is the best answer because it supports sound practice in educational assessment. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 162 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: learner-centred teaching?

A. Punishment-led instruction
B. Learner-centred teaching
C. Memorisation without understanding
D. Teacher monologue for every lesson

Answer: B. Learner-centred teaching
Explanation: Learner-centred teaching is the best answer because it supports sound practice in teaching and learning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 163 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: sharing effective practice through structured peer learning?

A. Assuming every method transfers unchanged
B. Avoiding feedback from colleagues
C. Sharing effective practice through structured peer learning
D. Keeping all successful methods private

Answer: C. Sharing effective practice through structured peer learning
Explanation: Sharing effective practice through structured peer learning is the best answer because it supports sound practice in professional learning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 164 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: monitoring whether different groups benefit fairly from a programme?

A. Assuming identical participation means equal outcomes
B. Hiding group-level disparities
C. Reporting only an overall average
D. Monitoring whether different groups benefit fairly from a programme

Answer: D. Monitoring whether different groups benefit fairly from a programme
Explanation: Monitoring whether different groups benefit fairly from a programme is the best answer because it supports sound practice in equity and access. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 165 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: smart objectives that are specific, measurable, achievable, relevant and time-bound?

A. Objectives unrelated to the mission
B. Targets with no time frame
C. Broad aspirations without measures
D. SMART objectives that are specific, measurable, achievable, relevant and time-bound

Answer: D. SMART objectives that are specific, measurable, achievable, relevant and time-bound
Explanation: SMART objectives that are specific, measurable, achievable, relevant and time-bound is the best answer because it supports sound practice in planning and evaluation. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 166 · MULTIPLE CHOICE

To improve resource stewardship in an education setting, which principle should guide the decision?

A. Personal use without approval
B. Ignoring waste and maintenance
C. Using public resources for authorised educational purposes
D. No records of allocation

Answer: C. Using public resources for authorised educational purposes
Explanation: Using public resources for authorised educational purposes is the best answer because it supports sound practice in resource stewardship. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 167 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: reviewing curriculum impact using evidence?

A. Avoiding evaluation
B. Changing content because of one rumour
C. Measuring success only by textbook quantity
D. Reviewing curriculum impact using evidence

Answer: D. Reviewing curriculum impact using evidence
Explanation: Reviewing curriculum impact using evidence is the best answer because it supports sound practice in curriculum. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 88
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 168 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: preventive maintenance and an asset register?

A. Preventive maintenance and an asset register
B. No inventory or responsibility
C. Disposing of assets without records
D. Waiting for every asset to fail

Answer: A. Preventive maintenance and an asset register
Explanation: Preventive maintenance and an asset register is the best answer because it supports sound practice in resource management. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 169 · MULTIPLE CHOICE

When the main objective is the status of a policy or law is uncertain, which approach should be preferred?

A. Ignoring the issuing authority
B. Distinguishing a policy, a regulation and an Act of Parliament
C. Treating all documents as legally identical
D. Assuming a policy overrides every law

Answer: B. Distinguishing a policy, a regulation and an Act of Parliament
Explanation: Distinguishing a policy, a regulation and an Act of Parliament is the best answer because it supports sound practice in educational law and policy. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 170 · MULTIPLE CHOICE

To improve planning and evaluation in an education setting, which principle should guide the decision?

A. Ignoring foreseeable risks
B. Assuming a plan eliminates all uncertainty
C. Risk assessment with mitigation, ownership and review
D. Listing risks without actions

Answer: C. Risk assessment with mitigation, ownership and review
Explanation: Risk assessment with mitigation, ownership and review is the best answer because it supports sound practice in planning and evaluation. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 171 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: checking digital content for accuracy, bias and suitability?

A. Checking digital content for accuracy, bias and suitability
B. Publishing without review
C. Assuming generated content is always correct
D. Ignoring age and context

Answer: A. Checking digital content for accuracy, bias and suitability
Explanation: Checking digital content for accuracy, bias and suitability is the best answer because it supports sound practice in educational technology. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 172 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: evaluating outcomes as well as activities?

A. Measuring only money spent
B. Ignoring intended beneficiaries
C. Counting workshops as proof of impact
D. Evaluating outcomes as well as activities

Answer: D. Evaluating outcomes as well as activities
Explanation: Evaluating outcomes as well as activities is the best answer because it supports sound practice in planning and evaluation. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 92
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 173 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: assigning each action an owner, timeline and success indicator?

A. Listing actions without responsibility
B. Using only broad intentions
C. Reviewing progress without records
D. Assigning each action an owner, timeline and success indicator

Answer: D. Assigning each action an owner, timeline and success indicator
Explanation: Assigning each action an owner, timeline and success indicator is the best answer because it supports sound practice in school improvement. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 174 · MULTIPLE CHOICE

When the main objective is a safeguarding concern is raised, which approach should be preferred?

A. Sharing identifying details casually
B. Following safeguarding procedures and acting promptly on credible concerns
C. Investigating alone beyond one's role
D. Ignoring warning signs

Answer: B. Following safeguarding procedures and acting promptly on credible concerns
Explanation: Following safeguarding procedures and acting promptly on credible concerns is the best answer because it supports sound practice in learner wellbeing. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 175 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: professional development linked to identified needs?

A. Withholding development from weaker staff
B. Professional development linked to identified needs
C. Training attendance as the only success measure
D. Training chosen without needs analysis

Answer: B. Professional development linked to identified needs
Explanation: Professional development linked to identified needs is the best answer because it supports sound practice in human resource management. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 94
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 176 · MULTIPLE CHOICE

When the main objective is staff norms influence performance, which approach should be preferred?

A. Rewarding misconduct when results are good
B. Modelling the professional conduct expected from staff
C. Avoiding responsibility as a leader
D. Expecting rules to apply only to others

Answer: B. Modelling the professional conduct expected from staff
Explanation: Modelling the professional conduct expected from staff is the best answer because it supports sound practice in organisational culture. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 97
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 177 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: professional collaboration with shared goals and clear responsibilities?

A. Professional collaboration with shared goals and clear responsibilities
B. Competing at the expense of learners
C. Collaboration without accountability
D. Withholding useful resources

Answer: A. Professional collaboration with shared goals and clear responsibilities
Explanation: Professional collaboration with shared goals and clear responsibilities is the best answer because it supports sound practice in professional practice. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 178 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: budgeting aligned with approved priorities and available funds?

A. Ignoring expenditure limits
B. Spending first and planning later
C. Allocating funds without objectives
D. Budgeting aligned with approved priorities and available funds

Answer: D. Budgeting aligned with approved priorities and available funds
Explanation: Budgeting aligned with approved priorities and available funds is the best answer because it supports sound practice in resource management. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 99
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 179 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: psychological safety with clear standards and accountability?

A. No opportunity to raise concerns
B. Fear as the only basis for compliance
C. Confusing respect with absence of standards
D. Psychological safety with clear standards and accountability

Answer: D. Psychological safety with clear standards and accountability
Explanation: Psychological safety with clear standards and accountability is the best answer because it supports sound practice in organisational culture. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 180 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: a factual, respectful and timely response to a complaint?

A. Sharing the complaint publicly
B. A factual, respectful and timely response to a complaint

C. Retaliation against the complainant
D. Ignoring the complaint without assessment

Answer: B. A factual, respectful and timely response to a complaint
Explanation: A factual, respectful and timely response to a complaint is the best answer because it supports sound practice in communication. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 181 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: using representative and appropriate data?

A. Selecting only evidence that supports a preference
B. Using representative and appropriate data
C. Treating one anecdote as conclusive
D. Ignoring missing data

Answer: B. Using representative and appropriate data
Explanation: Using representative and appropriate data is the best answer because it supports sound practice in data and research. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 182 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: triangulating evidence from different methods?

A. Ignoring classroom evidence
B. Using attendance as the only measure
C. Triangulating evidence from different methods
D. Relying on one test score only

Answer: C. Triangulating evidence from different methods
Explanation: Triangulating evidence from different methods is the best answer because it supports sound practice in educational assessment. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 183 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: collaborative learning with individual accountability?

A. One learner doing all group work
B. Group work with no feedback
C. Groups formed without a learning purpose
D. Collaborative learning with individual accountability

Answer: D. Collaborative learning with individual accountability
Explanation: Collaborative learning with individual accountability is the best answer because it supports sound practice in teaching and learning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 184 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: prior knowledge connected to new learning?

A. Avoiding questions
B. Replacing learning objectives with activities
C. New content disconnected from experience
D. Prior knowledge connected to new learning

Answer: D. Prior knowledge connected to new learning
Explanation: Prior knowledge connected to new learning is the best answer because it supports sound practice in teaching and learning. The other options describe less appropriate or contrary approaches. GigaLearn • Independent

practice resource Page 106
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 185 · MULTIPLE CHOICE

When the main objective is an issue exceeds delegated authority, which approach should be preferred?

A. Secrecy as the default for all decisions
B. Avoiding oversight
C. Personal loyalty above public duty
D. Consistent integrity, impartiality and service orientation

Answer: D. Consistent integrity, impartiality and service orientation
Explanation: Consistent integrity, impartiality and service orientation is the best answer because it supports sound practice in ethical leadership. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 186 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: objective performance appraisal against known criteria?

A. Changing criteria after the review
B. Rating staff by personal loyalty
C. Objective performance appraisal against known criteria
D. Appraisal based on rumours

Answer: C. Objective performance appraisal against known criteria
Explanation: Objective performance appraisal against known criteria is the best answer because it supports sound practice in human resource management. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 187 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: change management with communication, participation and review?

A. Change management with communication, participation and review
B. Assuming resistance proves misconduct
C. Launching change without resources
D. Imposing change without explanation

Answer: A. Change management with communication, participation and review
Explanation: Change management with communication, participation and review is the best answer because it supports sound practice in leadership and supervision. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 188 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: following safeguarding procedures and acting promptly on credible concerns?

A. Ignoring warning signs
B. Investigating alone beyond one's role
C. Sharing identifying details casually
D. Following safeguarding procedures and acting promptly on credible concerns

Answer: D. Following safeguarding procedures and acting promptly on credible concerns
Explanation: Following safeguarding procedures and acting promptly on credible concerns is the best answer because it supports sound practice in learner wellbeing. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 189 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: checking understanding during the lesson?

A. Waiting until the end of term
B. Checking understanding during the lesson
C. Using attendance as proof of learning
D. Assuming silence means mastery

Answer: B. Checking understanding during the lesson
Explanation: Checking understanding during the lesson is the best answer because it supports sound practice in teaching and learning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 190 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: active learning?

A. Active learning
B. Assessment without instruction
C. Passive copying throughout the lesson
D. Teacher talk without learner response

Answer: A. Active learning
Explanation: Active learning is the best answer because it supports sound practice in teaching and learning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 191 · MULTIPLE CHOICE

When the main objective is progress toward targets is uneven, which approach should be preferred?

A. Using only broad intentions
B. Listing actions without responsibility
C. Assigning each action an owner, timeline and success indicator
D. Reviewing progress without records

Answer: C. Assigning each action an owner, timeline and success indicator
Explanation: Assigning each action an owner, timeline and success indicator is the best answer because it supports sound practice in school improvement. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 192 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: a scheme of learning that sequences content over time?

A. A school inventory
B. A list of punishments
C. A record of staff attendance
D. A scheme of learning that sequences content over time

Answer: D. A scheme of learning that sequences content over time
Explanation: A scheme of learning that sequences content over time is the best answer because it supports sound practice in curriculum. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 193 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: using a structured meeting agenda, decisions and action log?

A. Recording opinions but no decisions
B. Using a structured meeting agenda, decisions and action log
C. Keeping actions ownerless
D. Meeting without purpose or follow-up

Answer: B. Using a structured meeting agenda, decisions and action log
Explanation: Using a structured meeting agenda, decisions and action log is the best answer because it supports sound practice in leadership and communication. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 194 · MULTIPLE CHOICE

To improve communication in an education setting, which principle should guide the decision?

A. Retaliation against the complainant
B. Ignoring the complaint without assessment
C. A factual, respectful and timely response to a complaint
D. Sharing the complaint publicly

Answer: C. A factual, respectful and timely response to a complaint
Explanation: A factual, respectful and timely response to a complaint is the best answer because it supports sound practice in communication. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 195 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: universal design for learning with multiple means of engagement, representation and action?

A. Teaching only through printed text
B. Universal Design for Learning with multiple means of engagement, representation and action
C. Removing all assessment choices
D. One delivery method for every learner

Answer: B. Universal Design for Learning with multiple means of engagement, representation and action
Explanation: Universal Design for Learning with multiple means of engagement, representation and action is the best answer because it supports sound practice in teaching and learning. The other options describe less appropriate or contrary approaches. GigaLearn • Independent practice resource Page 116
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 196 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: reviewing implementation fidelity and adapting when evidence warrants it?

A. Reviewing implementation fidelity and adapting when evidence warrants it
B. Changing the goal without documenting why
C. Assuming a plan was delivered because it was approved
D. Ignoring barriers to implementation

Answer: A. Reviewing implementation fidelity and adapting when evidence warrants it
Explanation: Reviewing implementation fidelity and adapting when evidence warrants it is the best answer because it supports sound practice in programme management. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 197 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: service delivery that is equitable, efficient and accountable?

A. Prioritising appearance over results
B. Service delivery that is equitable, efficient and accountable
C. Ignoring underserved groups
D. Spending without monitoring outcomes

Answer: B. Service delivery that is equitable, efficient and accountable
Explanation: Service delivery that is equitable, efficient and accountable is the best answer because it supports sound practice in leadership and governance. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 198 · MULTIPLE CHOICE

When the main objective is overall results may hide group differences, which approach should be preferred?

A. Allocating support by influence

B. Directing support toward barriers and unmet needs using evidence
C. Assuming equal inputs always produce equal access
D. Ignoring rural or disadvantaged learners

Answer: B. Directing support toward barriers and unmet needs using evidence
Explanation: Directing support toward barriers and unmet needs using evidence is the best answer because it supports sound practice in equity and access. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 199 · MULTIPLE CHOICE

When the main objective is training effectiveness is being reviewed, which approach should be preferred?

A. Using attendance alone as proof of impact
B. Choosing training only by certificate value
C. Evaluating whether training changed practice and learner outcomes
D. Ignoring follow-up support

Answer: C. Evaluating whether training changed practice and learner outcomes
Explanation: Evaluating whether training changed practice and learner outcomes is the best answer because it supports sound practice in professional learning. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 200 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: protecting participants' privacy and obtaining appropriate consent?

A. Using data for an undisclosed purpose
B. Collecting identifiable data without safeguards
C. Protecting participants' privacy and obtaining appropriate consent
D. Publishing names unnecessarily

Answer: C. Protecting participants' privacy and obtaining appropriate consent
Explanation: Protecting participants' privacy and obtaining appropriate consent is the best answer because it supports sound practice in data and research. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 201 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: a school improvement plan with measurable targets?

A. A list of wishes with no owners
B. A school improvement plan with measurable targets
C. A report written only after failure
D. A plan without baseline data or indicators

Answer: B. A school improvement plan with measurable targets
Explanation: A school improvement plan with measurable targets is the best answer because it supports sound practice in leadership and supervision. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 202 · MULTIPLE CHOICE

Which principle is most directly described by the following practice: closing the feedback loop by communicating decisions and next steps?

A. Ignoring recurring concerns
B. Promising outcomes beyond authority
C. Closing the feedback loop by communicating decisions and next steps
D. Collecting views without responding

Answer: C. Closing the feedback loop by communicating decisions and next steps
Explanation: Closing the feedback loop by communicating decisions and next steps is the best answer because it supports sound practice in stakeholder engagement. The other options describe less appropriate or contrary approaches.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 203 · MULTIPLE CHOICE

What helps a school improvement plan succeed?

A. Measurable priorities, responsibilities and review points
B. Goals without owners
C. No evidence collection
D. Daily changes without rationale

Answer: A. Measurable priorities, responsibilities and review points
Explanation: Plans need clear goals, ownership and monitoring.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 204 · MULTIPLE CHOICE

What should guide selection of a teaching resource?

A. Colour alone
B. Price alone
C. Whether it avoids the objective
D. Learning goals, learner needs, accuracy and accessibility

Answer: D. Learning goals, learner needs, accuracy and accessibility
Explanation: Resources should be fit for purpose.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 205 · MULTIPLE CHOICE

Which action demonstrates equitable treatment?

A. Ignore barriers
B. Use inconsistent rules without reason
C. Apply fair criteria and provide reasonable support for different needs
D. Favour friends

Answer: C. Apply fair criteria and provide reasonable support for different needs
Explanation: Equity considers relevant differences in need.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 206 · MULTIPLE CHOICE

What does a professional code of conduct do?

A. Replaces every procedure
B. Guides ethical and responsible behaviour
C. Removes all judgement
D. Permits free sharing of confidential data

Answer: B. Guides ethical and responsible behaviour
Explanation: Codes set expectations for professional conduct.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 207 · TRUE/FALSE

Formative assessment can help a teacher adjust instruction during learning. TRUE FALSE

TRUE
FALSE

Answer: TRUE
Explanation: It provides evidence that can guide next steps.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 208 · MULTIPLE CHOICE

GigaLearn ■ D I Practice Page 3 Why analyse assessment results?

A. Rank learners publicly
B. Avoid future planning

C. Replace all observation
D. Identify strengths, misconceptions and next steps

Answer: D. Identify strengths, misconceptions and next steps
Explanation: Analysis supports informed instructional decisions.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 209 · MULTIPLE CHOICE

Which approach supports professional development?

A. Avoid feedback
B. Assume experience guarantees improvement
C. Identify a need, practise a strategy and review impact
D. Attend training but never apply it

Answer: C. Identify a need, practise a strategy and review impact
Explanation: Professional learning is stronger when applied and evaluated.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 210 · MULTIPLE CHOICE

What is the purpose of a rubric?

A. Hide expectations
B. Describe criteria and performance levels
C. Replace task instructions
D. Guarantee identical scores

Answer: B. Describe criteria and performance levels
Explanation: Rubrics clarify expectations and assessment criteria.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 211 · MULTIPLE CHOICE

How should a parent concern be handled?

A. Listen respectfully, establish facts and agree on next steps
B. Dismiss the parent immediately
C. Promise an outcome before checking
D. Reveal another learner's record

Answer: A. Listen respectfully, establish facts and agree on next steps
Explanation: Fact-finding and follow-up build trust.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 212 · TRUE/FALSE

Every learner should receive exactly the same support regardless of need. TRUE FALSE

TRUE
FALSE

Answer: FALSE
Explanation: Equity may require different support to enable participation.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 213 · MULTIPLE CHOICE

What is a scheme of learning used for?

A. Record only staff leave
B. Make every lesson identical
C. Organise curriculum content and learning over time GigaLearn ■ D I Practice Page 4
D. Replace the curriculum

Answer: C. Organise curriculum content and learning over time GigaLearn ■ D I Practice Page 4
Explanation: It sequences content, learning activities and assessment.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 214 · MULTIPLE CHOICE

What does differentiated instruction aim to do?

A. Use one method regardless of need
B. Adapt teaching or support to learner readiness and needs
C. Remove all challenge
D. Ignore evidence

Answer: B. Adapt teaching or support to learner readiness and needs
Explanation: Differentiation adjusts support to help learners meet learning goals.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 215 · MULTIPLE CHOICE

What is sound data-informed leadership?

A. Use relevant evidence alongside professional judgement
B. Treat one figure as the whole truth
C. Ignore context
D. Alter records to fit expectations

Answer: A. Use relevant evidence alongside professional judgement
Explanation: Data should be interpreted carefully and in context.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 216 · MULTIPLE CHOICE

Why moderate assessment?

A. Remove all judgement
B. Make criteria unnecessary
C. Give everyone full marks
D. Improve consistency and fairness of marking

Answer: D. Improve consistency and fairness of marking
Explanation: Moderation aligns interpretations of criteria and standards.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 217 · TRUE/FALSE

Assessment should align with the learning objective it measures. TRUE FALSE

TRUE
FALSE

Answer: TRUE
Explanation: Alignment helps assess the intended learning.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 218 · MULTIPLE CHOICE

Which action best supports inclusive participation?

A. Lower expectations for everyone
B. Adapt support to learners' needs
C. Give identical support regardless of need
D. Exclude learners who need accommodations

Answer: B. Adapt support to learners' needs
Explanation: Inclusive practice removes barriers while maintaining meaningful expectations.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 219 · MULTIPLE CHOICE

GigaLearn ■ D I Practice Page 5 Which assessment best matches an objective to compare two ideas?

A. A task requiring comparison
B. An unrelated spelling test

C. An attendance register
D. A task asking only for a date

Answer: A. A task requiring comparison
Explanation: Assessment should align with the intended learning outcome.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 220 · MULTIPLE CHOICE

How should suspected plagiarism be handled?

A. Ridicule the learner publicly
B. Ignore all evidence
C. Publish personal details
D. Follow a fair academic-integrity procedure

Answer: D. Follow a fair academic-integrity procedure
Explanation: Concerns should be handled consistently and confidentially.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 221 · MULTIPLE CHOICE

What supports continuity when a school project changes leadership?

A. Discard decisions without review
B. Avoid documentation
C. Clear records, responsibilities and handover notes
D. Keep all information with one person

Answer: C. Clear records, responsibilities and handover notes
Explanation: Documentation and handover reduce disruption.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 222 · TRUE/FALSE

A teacher should promise absolute secrecy about a safeguarding concern. TRUE FALSE

TRUE
FALSE

Answer: FALSE
Explanation: Concerns must be handled through appropriate safeguarding procedures.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 223 · MULTIPLE CHOICE

How can a teacher check understanding during a lesson?

A. Use brief questions or tasks and respond to evidence
B. Ask only if everyone understands
C. Wait until term end
D. Assume copying means comprehension

Answer: A. Use brief questions or tasks and respond to evidence
Explanation: Frequent checks reveal misconceptions in time to respond.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 224 · MULTIPLE CHOICE

Which feedback is most constructive?

A. A personal insult
B. A score with no context
C. Public shaming GigaLearn ■ D I Practice Page 6
D. Specific feedback with a next step

Answer: D. Specific feedback with a next step
Explanation: Useful feedback is specific, respectful and actionable.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 225 · MULTIPLE CHOICE

How should confidential learner information be handled?

A. Discuss it casually in public
B. Send it to all contacts
C. Share only with authorised people who need it for a legitimate purpose
D. Post it publicly

Answer: C. Share only with authorised people who need it for a legitimate purpose
Explanation: Confidential information should be protected and shared appropriately.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 226 · MULTIPLE CHOICE

Why engage stakeholders in school improvement?

A. Give one person all decision power
B. Gain relevant perspectives and build shared responsibility
C. Remove professional judgement
D. Guarantee unanimous agreement

Answer: B. Gain relevant perspectives and build shared responsibility
Explanation: Constructive engagement can strengthen understanding and implementation.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 227 · TRUE/FALSE

Clear success criteria help learners understand expectations. TRUE FALSE

TRUE
FALSE

Answer: TRUE
Explanation: Criteria make expected performance explicit.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 228 · MULTIPLE CHOICE

What is the purpose of a staff meeting agenda?

A. Prevent preparation
B. Replace follow-up
C. List unrelated topics without priorities
D. Clarify topics, outcomes and time allocation

Answer: D. Clarify topics, outcomes and time allocation
Explanation: An agenda supports purposeful discussion.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 229 · MULTIPLE CHOICE

Which approach best supports a new teacher?

A. Avoid feedback until year end
B. Expect instant knowledge of every local procedure
C. Provide orientation, mentoring and discussion of practice
D. Assign duties without explanation

Answer: C. Provide orientation, mentoring and discussion of practice
Explanation: Structured induction helps new staff develop.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 230 · MULTIPLE CHOICE

GigaLearn ■ D I Practice Page 7 Which practice promotes critical thinking?

A. Accept every claim without examination
B. Ask learners to justify claims with evidence

C. Require copying only
D. Discourage questions

Answer: B. Ask learners to justify claims with evidence
Explanation: Reasoning with evidence supports analysis and evaluation.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 231 · MULTIPLE CHOICE

Which classroom practice encourages participation?

A. Use respectful routines and varied ways to respond
B. Let interruptions dominate
C. Invite only top scorers
D. Punish every wrong answer

Answer: A. Use respectful routines and varied ways to respond
Explanation: Safe, structured participation supports engagement.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 232 · TRUE/FALSE

A score alone always provides enough information to improve learning. TRUE FALSE

TRUE
FALSE

Answer: FALSE
Explanation: Specific, actionable feedback is often needed.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 233 · MULTIPLE CHOICE

Which is a measurable improvement target?

A. Make the school perfect
B. Work harder without evidence
C. Increase the proportion meeting a defined criterion by a review date
D. Improve everything someday

Answer: C. Increase the proportion meeting a defined criterion by a review date
Explanation: A measurable target specifies a change and how progress will be checked.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 234 · MULTIPLE CHOICE

Why keep school records accurate and timely?

A. Use only during inspections
B. Support continuity, accountability and decisions
C. Make communication unnecessary
D. Reflect assumptions

Answer: B. Support continuity, accountability and decisions
Explanation: Reliable records support administration and reporting.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 235 · MULTIPLE CHOICE

Which practice best supports formative assessment?

A. Use evidence during instruction to adjust teaching
B. Wait until the end of the year to assess
C. Give marks without feedback GigaLearn ■ D I Practice Page 8
D. Assess only volunteers

Answer: A. Use evidence during instruction to adjust teaching
Explanation: Formative assessment informs teaching while learning is in progress.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 236 · MULTIPLE CHOICE

A learner reports a safeguarding concern. What is the appropriate response?

A. Promise absolute secrecy
B. Discuss it widely
C. Ignore it without assessment
D. Follow safeguarding procedures and report to the responsible person

Answer: D. Follow safeguarding procedures and report to the responsible person
Explanation: Concerns should be handled through appropriate procedures and confidentiality.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 237 · TRUE/FALSE

Professional reflection can use learner work and assessment evidence. TRUE FALSE

TRUE
FALSE

Answer: TRUE
Explanation: Evidence can inform improvements.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 238 · MULTIPLE CHOICE

How should a school leader address staff conflict?

A. Ignore it indefinitely
B. Listen fairly, follow procedures and document relevant facts
C. Take sides before hearing accounts
D. Share allegations publicly

Answer: B. Listen fairly, follow procedures and document relevant facts
Explanation: Fair process and appropriate documentation support resolution.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 239 · MULTIPLE CHOICE

How should digital learning tools be used responsibly?

A. Check accuracy, privacy, accessibility and learning value
B. Assume every answer is correct
C. Upload private data anywhere
D. Use technology even when it obstructs learning

Answer: A. Check accuracy, privacy, accessibility and learning value
Explanation: Tools should be assessed for safety and educational value.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 240 · MULTIPLE CHOICE

What is a useful first step in planning an intervention?

A. Choose an activity before identifying need
B. Promise results without baseline data
C. Avoid consultation
D. Define the problem with evidence and identify the desired outcome

Answer: D. Define the problem with evidence and identify the desired outcome
Explanation: A clear problem definition makes the intervention focused.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 241 · MULTIPLE CHOICE

GigaLearn ■ D I Practice Page 9 What is the main purpose of a lesson objective?

A. Replace assessment
B. Record teacher attendance

C. State the intended learning outcome
D. List every school rule

Answer: C. State the intended learning outcome
Explanation: A clear objective identifies what learners should know or do.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 242 · TRUE/FALSE

Confidential learner information may be shared with anyone who is curious. TRUE FALSE

TRUE
FALSE

Answer: FALSE
Explanation: It should be shared only through authorised, appropriate channels.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 243 · TRUE/FALSE

A school improvement plan should include ways to monitor progress. TRUE FALSE

TRUE
FALSE

Answer: TRUE
Explanation: Monitoring checks whether actions are effective.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 244 · MULTIPLE CHOICE

Why analyse assessment results?

A. Rank learners publicly
B. Avoid future planning
C. Replace all observation
D. Identify strengths, misconceptions and next steps

Answer: D. Identify strengths, misconceptions and next steps
Explanation: Analysis supports informed instructional decisions.
Verification: SOURCE ANSWER — REVIEW REQUIRED

Question 245 · TRUE/FALSE

GigaLearn ■ D I Practice Page 11 One data point always proves the cause of a school problem. TRUE FALSE

TRUE
FALSE

Answer: FALSE
Explanation: Data must be interpreted in context and alongside other evidence.
